

# Horace Mann Elementary Welcomes Ellie Peterson

March 16th, 2023

**Ellie Peterson** is the author and illustrator of multiple picture books, including *How to Hug a Pufferfish* and *School Is Wherever I Am*. Her work is inspired by 20 years as a classroom teacher and her experience growing up as a biracial army brat. When she's not in the classroom, you can find her making art in her backyard studio or exploring the beautiful Pacific Northwest, where she lives.

## **How to Hug a Pufferfish - \$18.99**

A picture book about a group of underwater friends who learn to ask for permission before showing their prickly, pufferfish pal some love.

## **School Is Wherever I Am - \$18.99**

Ellie Peterson explores learning, adventure, and the thousands of the things you can discover outside of a classroom—about the world, about your family, about yourself.

## **It's a Round, Round World! - \$17.99**

We all know the earth is round. But HOW do we know? Join intrepid young scientist-adventurer Joulia Copernicus in this engaging picture book as she takes readers on a STEM historical journey through time and space.

## **The Reason for the Seasons - \$17.99**

Winter, spring, summer, fall – we all have a favorite season. But what makes the seasons happen in the first place?

## **Bea's Bees - \$16.99**

Beatrix discovers a wild bumblebee nest on her way home from school and finds herself drawn to their busy world. When her bees mysteriously disappear, Bea hatches a plan to bring them back. Can Bea inspire her school and community to save the bees?
