Dear Riley,

Your March 5, 2023 FOIA request to the District seeks personal information regarding Beaufort County School District employees. South Carolina law prohibits the use of such personal information provided by a public body for commercial solicitation purposes. Accordingly, before responding further to your information request, the Beaufort County School District is requiring that you certify the purpose for which you seek the information; the purpose of your request appears to be for the purpose of commercial solicitation.

Regards,
Candace
