

Independent Educational Evaluation

If you, as a parent of a child with a disability, do not agree with the results of the individualized evaluation of your child, as conducted by the school system, you have the right to obtain what is known as an **Independent Educational Evaluation**, or an **IEE**.

The Juniata Valley School District will provide a list of psychologists where an IEE can be obtained if the parent requests. The Juniata Valley School also has an MOU with the Tuscarora Intermediate Unit. This MOU provides options if our current list of resources is exhausted.

If a parent disagrees with the school district evaluation they should follow the procedures outlined in the School District IEE Policy. The Policy contains how the School District will respond to requests by parents for an IEE, and information on where an IEE may be obtained.

Attached is the Juniata Valley School District IEE Policy.
