- The average age of schools is **48** years
- The median year a school was built is 1966
- The range of years between the most recent build and the oldest is **74** years

Facility Assessment – Elementary

Old walls are inefficient; materials decay

Aging is a continuous process

Classrooms become obsolete

Facility Assessment - Dublin

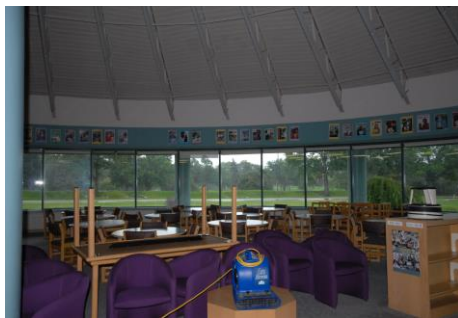

90 year old
building

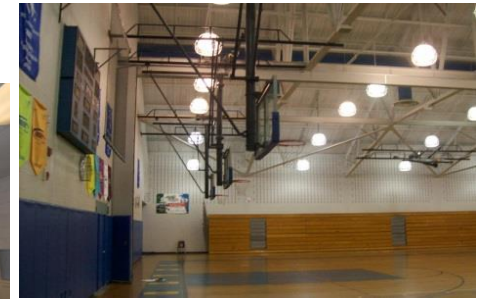

Facility Assessment- Middle

Teaching methods change and existing spaces do not support those activities

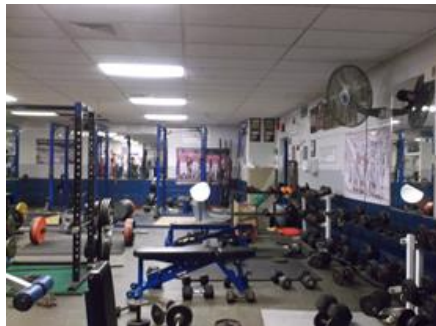

Poor circulation and accessibility

Wear and tear takes its toll

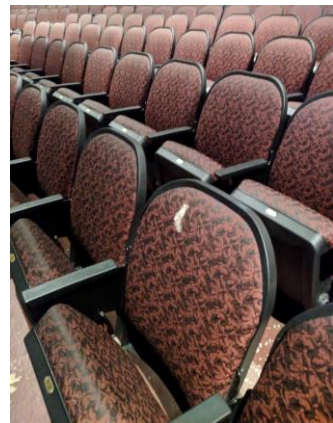

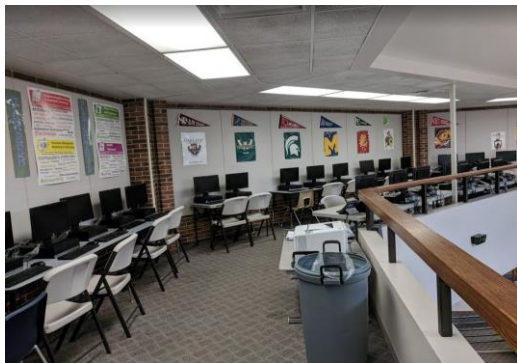

Facility Assessment – Western HS

Overcrowded athletics

Non-code-compliant corridors
displays and media center

Degradation of even good materials

WordItOut

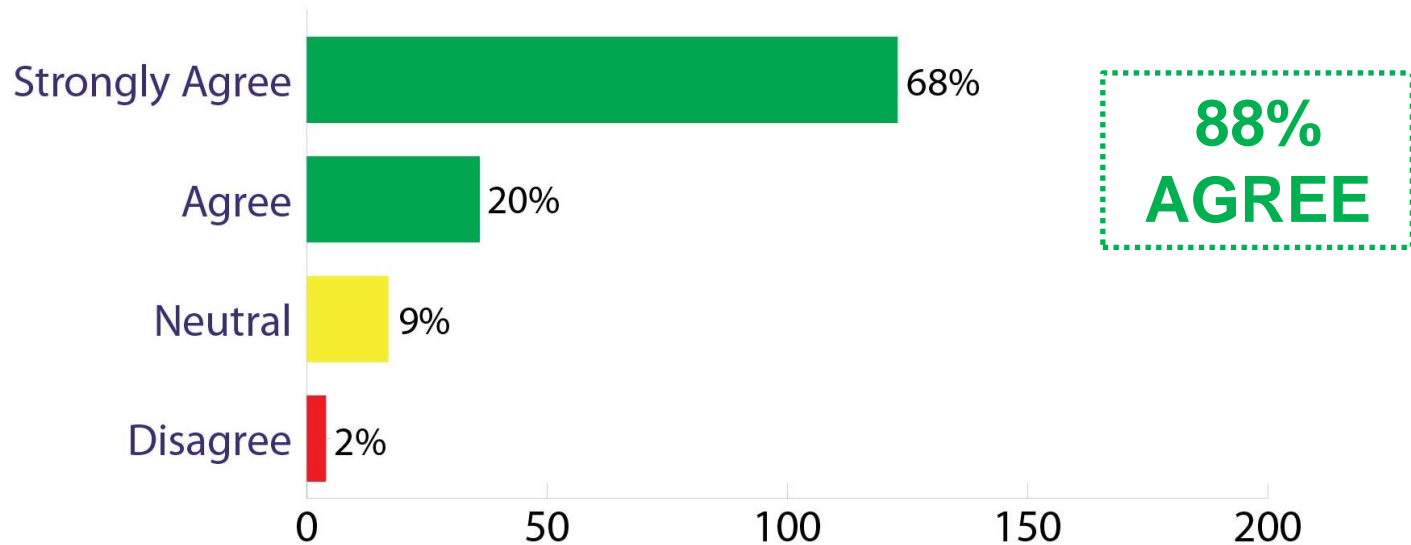

Given the funding opportunity in front of us to address some of the needs presented without an increase in the debt millage rate, would you support a future bond initiative on the ballot?

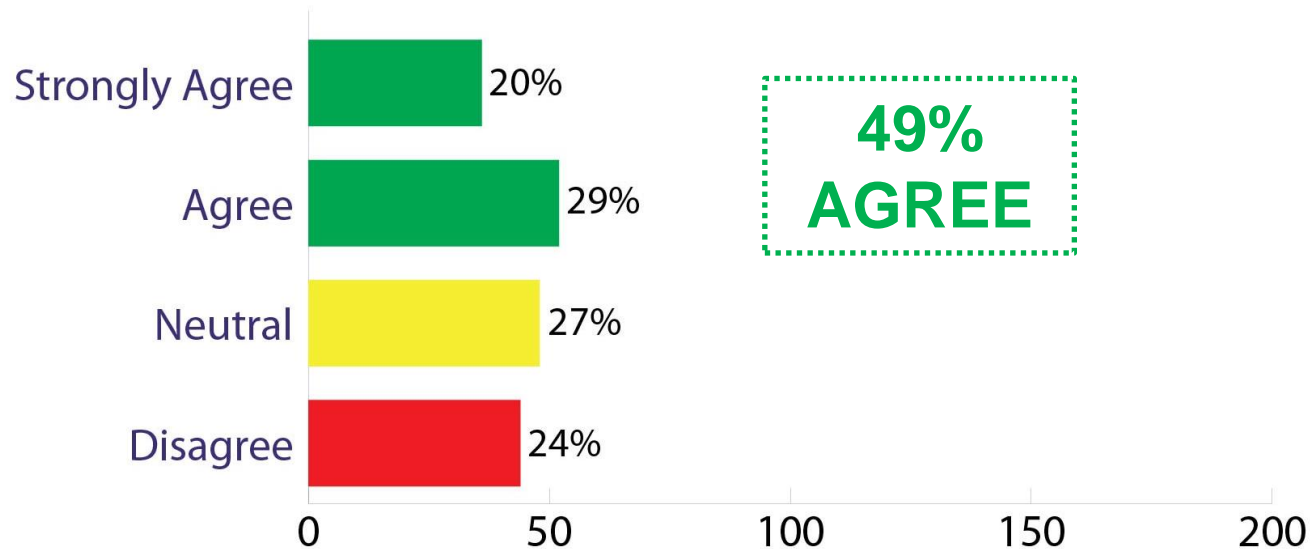

How strongly do you feel that safety and security enhancements should be included in a future bond?

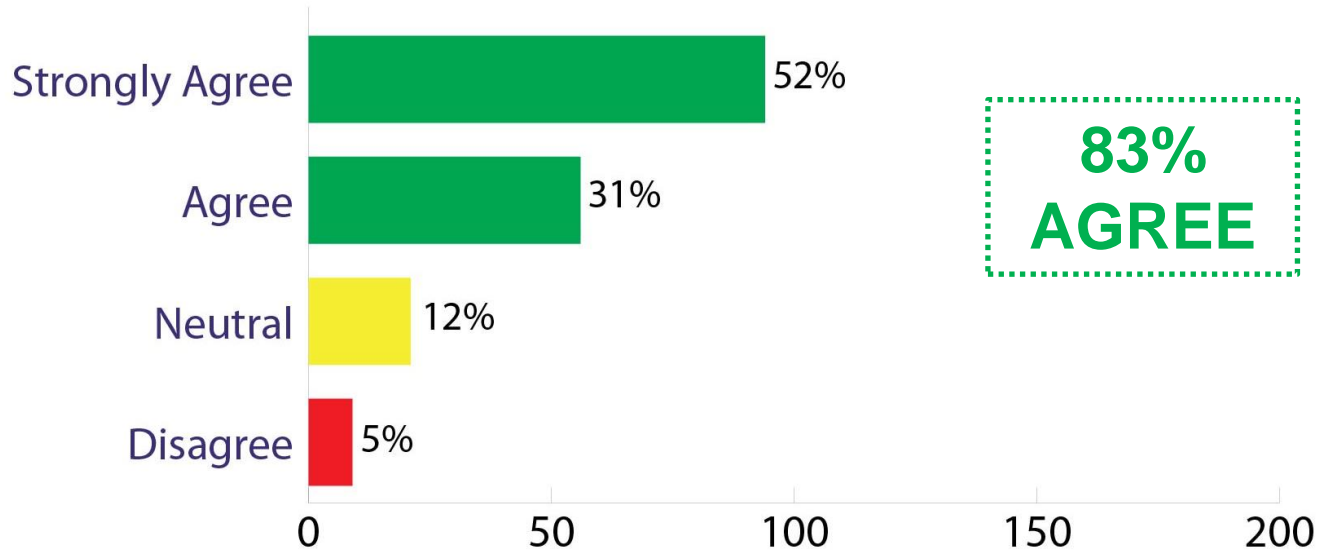

How strongly do you feel about rebuilding/upgrading outdated schools like Dublin Elementary School and Western High School to be equitable to other elementary and high schools in our District?

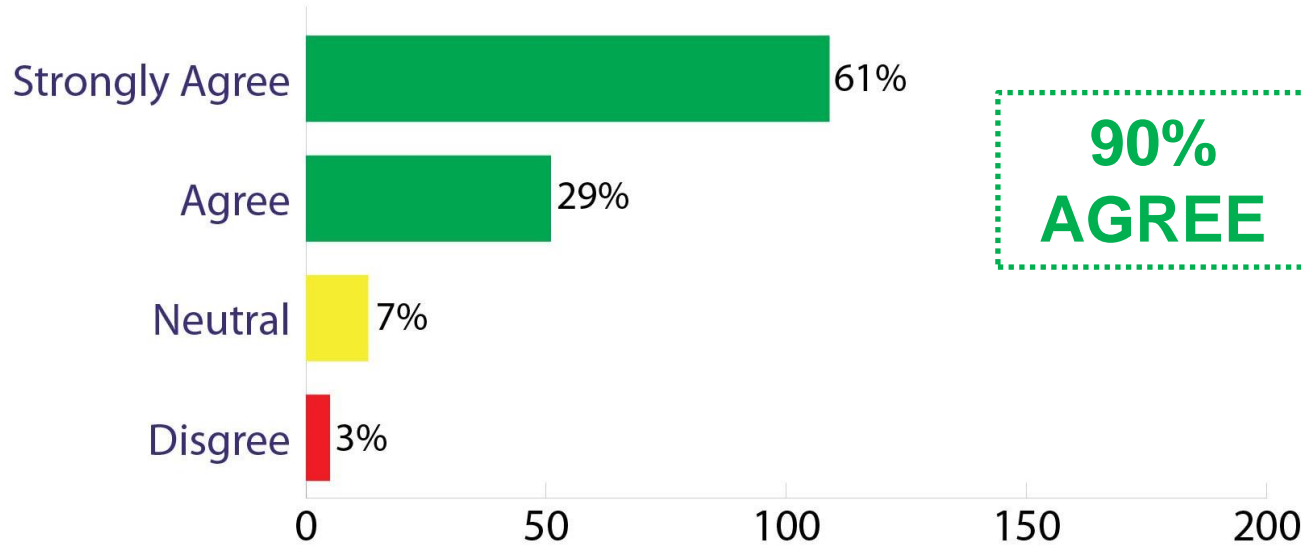

Do you agree that Athletic Upgrades should be addressed at all three high schools, i.e. lockers, concessions, team rooms, etc.?

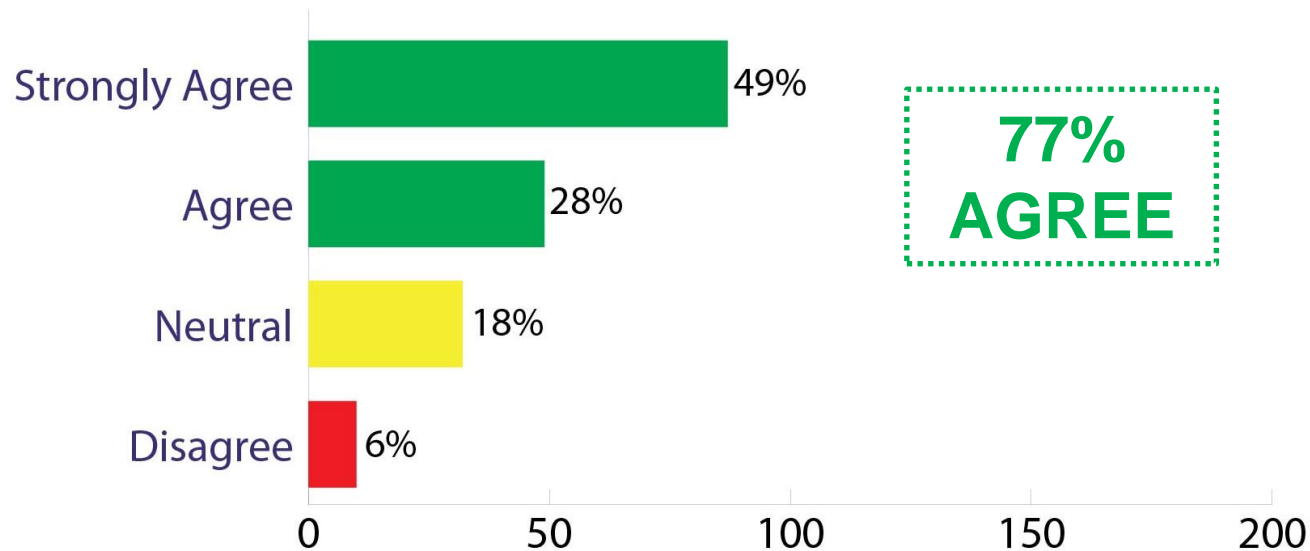

Do you agree that Music and Art should be enhanced at all grade levels?

Do you agree that learning spaces should be upgraded to provide collaborative opportunities for students and staff?

How strongly do you feel about enhancing our Early Childhood offerings in the District?
