

Walled Lake  
Consolidated School District

**The 2013 Safety, Security & Technology Bond includes:**

- Comprehensive video surveillance systems.
- Entrance and office modifications in all of our schools.
- Keyless entry throughout the District.
- Upgraded Fire Alarms and mass notification systems.
- Emergency backup generators and emergency lighting upgrades.
- Emergency responder signage.
- Replacement of the District phone system and master clock systems.
- Essential technology upgrades in all of the schools and classrooms to ensure equitable facilities that the entire community can enjoy.
- Purchase replacement buses.
- Other much needed specific repair and renovation projects.

*(NOTE: The District will continue to own all buses and the transportation assets. They will also continue to purchase the fuel from a regional consortium for our transportation needs from the General Fund.)*

**The 2013 Safety, Security & Technology Bond cannot be used for:**

- General Operating Budget expenses.
- Salaries or benefits.
- Anything other than what is listed in the bond application that was submitted to the State of Michigan.

*The District will retain and maintain all of the buses purchased with bond monies. They will not be given to Dean Transportation or any*
