August 18, 2013

Dear Judy,

On behalf of the LACC Board of Directors, I'm happy to inform you that after reading and discussing the bond issue, the board made a unanimous decision to fully support the WLCSD 2013 Safety, Security & Technology Bond, believing that all students deserve a safe, secure learning environment.

If the Chamber can help in any other way, please let me know.

Warm Regards,

Jo Alley
