

**ADDENDUM 2 – BID 23-0118
Athletic Field Maintenance
WALLED LAKE CONSOLIDATED SCHOOL DISTRICT**

January 16, 2023

In regards to RFP 23-0118, Athletic Field Maintenance, this addendum will serve as a notice of Q & A from an interested bidder:

Q: For irrigation monitoring, are we just to report issues? Are we to repair? If repair, where are we to provide pricing?

A: Irrigation monitoring consists of monitoring and reporting any issues to the Athletic Director.

Q: How do you define “maintaining skins on baseball/softball field”? Is it sod cutting edges? Dragging the fields? Stripping the fields?

A: Maintaining the skins would just be the edges of the fields; no dragging or striping is needed.
