

Welcome to Blue Jays Way, LLC

We Are An Experienced Premier Agency Provider For Developmental Disabilities

Adult Day Support

Mission: To provide a safe, fun program for individuals to attend on a daily basis where they can feel comfortable and confident about themselves and always be treated equally. We will work with individuals to improve their daily living, job and social skills. Our staff will offer all the support necessary for them to have a positive outlook about their future.

Goals: To take an individual-centered approach to all aspects of our day. We fully intend to utilize the community to the best of our abilities. We will engage individuals in activities of their choice to help them become more comfortable in public and create opportunities for them to meet their outcome goals and succeed within the community.
