Why College Readiness at FTC?

Mission Statement

Five Towns College is a creative learning community that develops in students the knowledge, skills, and competencies necessary to pursue careers in the performing arts, media and communications, business and industry, and the teaching professions. Through programs that combine general education and content specialty areas, the undergraduate and graduate curricula integrate rigorous academic inquiry, industry standard technologies and facilities, experiential learning, and respect for diversity and ethical values. In so doing, the College helps each student to expand their unique talents to the fullest, while also preparing graduates to contribute to the advancement of society.
