April 13, 2020

Dear Parents and Guardians,

Our change to a once a week curbside meal pick-up at Taylor Mountain Elementary School started today, April 13, 2020, and it was a great success.

The demand, however, was great enough that we unfortunately ran out of supplies sooner than expected and had to redirect families to nearby sites in the Santa Rosa City School District.

We have adjusted projected quantities for next week and expect to be able to accommodate more families in our area. We apologize for any inconvenience this may have caused. Stay safe and healthy.

Sincerely,

Kayla Todd
Food Program Manager
Bellevue Union School District
