<b>Purpose</b>	Inspire meaning, purpose and engagement through a commitment to a shared vision.	Prepare students to be global citizens.	Develop people and programmes that promote wellbeing, character and personal growth.	Strengthen relations with our partners to enhance the Schools operations and deliver value to the students.	Build resources to ensure BSJ is accessible and thrives into perpetuity.	Attract, develop and retain professionals who are innovative and excel in their practice and who, in doing so, inspire others.
<b>Learning</b>	Develop and sustain a high performing and diverse Council of Trustees, Board of Governors, Board of Executive and School Leadership Teams.	Inspire every child to engage fully in a transformational liberal education.	Enable Students and Staff to flourish.	Ensure our partnerships result in a learning opportunity for students and staff.	Maximise the efficiency of the School to build financial strength, ensure affordability and deliver the Strategic Plan.	Support growth in wellbeing and character through the ongoing development of high quality programmes.
<b>Environment</b>	Continually review and plan to meet school needs while enhancing organisational capacity and performance.	To create a high quality and safe learning environment.	Develop a Global mindset and a positive ethos in school.	Ensure our relationships in the wider community exercise ethical practices and are built on openness, trust and mutual benefit.	In light of scientific and social best practice, lead and invest in environmental management.	Promote a safe, healthy and supportive School environment.
<b>Culture</b>	Foster a caring community that embraces growth and strives for excellence.	Cultivate courageous citizens who advance the common good.	Promote a learning community where students and staff contribute to their own learning journey and to the learning of their peers.	Develop new and dynamic ways of knowing and doing for the betterment of our communities and beyond.	Foster and grow a culture of giving to support access, diversity and future priorities.	Foster a whole School Culture.
