

ELEMENTARY ATTENDANCE BOUNDARIES

502

1. Elementary attendance boundaries will be established by the School Board.
2. Attendance boundaries will be established by considering school building capacities, geographical boundaries, distance from students' homes, and other relevant factors.
3. Requests for in-district transfers will be considered based upon building and grade level capacity at the prospective elementary school, as well as available programming to serve a student's needs.
4. Students/families requests for building boundary changes should submit such requests to the Superintendent.
