JUNIOR CLASS HISTORY

Our class of 1938 received the title, "Freshies" on September 6, 1934, and were victims of initiators on September 18. Although some of us were severely paddled, no serious damage was done. After receiving our initiation, we were considered full-fledged members of the high school. In recognition of our being accepted we gave the Sophomores a weiner roast on January 8. As the months passed, the greenness began to wear off and in 1935, at the end of our Freshman year, our class had settled down and become 65 hard working boys and girls.

In the fall of 1935 we came back to school as Sophomores. The total number of members by the spring of 1936 had dwindled to 61.

In the fall of 1936 we assembled at school for our third consecutive year of studying and having good times together. Our Junior year struck a new high in class enthusiasm. The class members showed great interest, not only in school work but in athletics and other extra-curricular activities. In December we presented the Junior class play, entitled "The Tin Hero". The play was well presented and the actors and coaches highly complimented by the audience. This year was the most interesting of our three years. On Friday, March 12, we won the inter-class basketball tournament.

Our class now has 67 members, all intent on receiving diplomas in 1938.

SOPHOMORE CLASS HISTORY

This year Charles Dupre, Doris Boehm and Carroll Waller were elected president, vice president and secretary, respectively. Our class party was held later in the year and was a success. Again our class entered into a maze of Modern History, geometry, typing, English, ag. and mechanical drawing. Between these we found time for extra-curricular activities where our class was well represented. There were 10 Sophomores in the band, 8 in the S. O. S., 3 in Boy Scouts, 2 in Girl Scouts, 6 in the Glee Club and one high school cheer leader. This year our class basketball team defeated the Seniors but were defeated by the Juniors for the championship by one point. The class of 1939 hopes that in the next two years we will be victorious.

The class of "39" began when 59 Freshmen

from the vicinity of Forest Lake registered on September 8, 1935. Later the class met and elected Norma Halvorson as president; Doris Boehm, vice president; and Gerald Fladland as secretary-treasurer. Mr. Argo and Mr. Haberman were our advisors. We, as decidedly green freshies, were given an official initiation. At another class meeting we made plans for Freshie day and an evening party. The girls were to wear slacks or short dresses and the boys were to wear paint on their faces. We were glad to get by with just that much initiation. A round of football games, basketball games, and club parties followed this class party.

Then came the State Board Examinations. We came through these with flying colors and the "Green Freshies" were now transformed into Sophomores.

G. A. A.

The aim of the Girls' Athletic Association is to encourage outdoor activities. Girls seen hiking, skating, skiing and tobogganing have been merely trying to earn points toward a chenille letter.

Eleanor Sahlin, director, is aided by: President, Muriel Marier; secretary, Aileen Kuefler; and treasurer, Evelyn Johnson.

STUDENT COUNCIL

To perpetuate a better understanding between the students and the administration, the first Student Council of Forest Lake High School was organized on February 15, 1937. A formal

constitution was drawn up and, after revision by the council members, was accepted. To insure a well-managed body of students, committees were appointed and given specific duties. This organization has to be remarkably efficient. Each following year we expect the Student Council to become a more important factor of F. L. H. S.

Council Members:

President Grace Forsberg

THE SENIOR CLASS PLAY

The Senior class presented the play, "Huckleberry Finn, Detective", in two afternoon and one evening performances at the Forest Lake High School Auditorium on April 15 and 16.

The play is a comedy taken in part from the book "Huckleberry Finn and Tom Sawyer" by Mark Twain. Huck's desire to be a detective leads him into many difficulties but finally he does something worthy of attention.

The characters were portrayed by:

Merton Melbostad as Mr. Finn, Polly's husband and Huck's father.

Leona Houle as Aunt Polly (Mrs. Finn).

Maurice Boehm as Huckleberry Finn, whose ambition is to become a detective.

Delbert Anderson as Tom Sawyer, Huck's companion since boyhood.

Catherine Engquist as Clara Woppinger, who is determined to get herself a husband.

Virginia Langdon as Amy Woppinger, Clara's irrepressible sister.

Lucille Houle as Mary Jane Watson, Aunt Polly's niece.

Ronald Hilken as Mr. Hunter, an old friend of Mr. Finn's.

Aileen Kuefler as Sunbeam Johnson, the Finns' colored maid.

Beatrice Swenson as Anne Rand, an unexpected arrival.

The play was under the direction of Miss Babcock and Miss Eng.

The following staff supervised other details of presentation: Zelda Churchward, prompter; Alan Sanstad, business manager; Harold Klees and Marvin Fuglie, property managers; Helen Landgraver, Betty McGee, Marion Shelander, Stanley Bronezyk, Irving Christenson and Theodore Heisler, ushers.

"When Forest Lake High Was Very Young"

It was mid-October in 1909 when the first classes met in the very new, four-square school house. It was October, because the workmen had not yet put away their tools, and the sounds of hammer and saw played sharp staccato as they mingled with the hum of school room activity.

They were a proud group of boys and girls. Had they not waited—marked time—for two whole years after eighth grade was completed, to begin a high school career? It meant much in those days because it had hitherto been denied them.

Prof. George Bakalyar, a young man fresh from the University of Minnesota, was the first man to head our school. He was Superintendent, Principal and teacher of high school subjects, all in one. He was also very much interested in athletics; and, after reorganizing a basketball team, added another title to his honor, that of athletic coach (incidentally the boys made a very good record, too.) He was an inspiration to the boys and girls and they readily accepted his ideals. One of these was his loyalty to the colors

of the U. of M.—and thus it has been that through the years all the "Rousers" have been a rally 'round the standard of the Maroon and Gold.

After two years Mr. Bakalyar left us and Mr. J. Frank Oliver was elected to succeed him. Under his leadership, the first class of Forest Lake High was graduated. However, the first class having pursued all four years of study at this school, was the class of '13.

And so it was a memorable October—way back in 1909, for it spoke of beginnings. It was the original link of a chain that should grow in length and size with the years. It marked the commencement of a long line of boys and girls that would go out from this training school, this community, to play their part in the affairs of men. This will become the more apparent as you peruse the lists of former classmates. Proud you must be of their achievement. Though they have scattered to the four winds—some very far indeed from the home base, they carry on nobly, and their challenge to their successors is: Succeed! Exceed! —Anonymous

THE SENIOR CLASS HISTORY

The class of '37 is the 25th in the history of F. L. H. S. It is, we hope, a finished product worthy to set a new pace along the walk of life.

Starting our Freshman year on September 6, 1923, we were of the same green hue as preceding high school entrants, but not any greener. After being humiliated by upper-classmen, finally we were accepted as part of the assemblage.

On attaining the distinction of being Sophomores, we began an era of achievements. We entertained and were entertained by the Freshman, on whom we had applied the art of initiation.

As Juniors, we monopolized any current-money-making schemes in our attempt to raise money to entertain the departing Seniors in splendor. A successful basket social brought the fund to an amount which made it possible to do this in grand style.

At last the ultimate goal—Seniors. Those coveted seats close to the windows were finally occupied by us who had waited patiently for three years. Seniors excused for various reasons, stamped in and out of the assembly at all hours. We knew it disturbed the study hall

and the teacher in charge, but we were Seniors—privileged Seniors.

Marion Shelander and Glenn Waller, the long and the short of it, formed logical beginning and ending in the line of Seniors. One member boasts a Ford that carried the burden of the Senior float, and rattled to and from class functions with remarkable noise and endurance. (No offense "Barney".)

What? oh what? will the athletic organization do without the husky Seniors to carry the teams on to victory or at least a gracefully accepted defeat? And what will the Juniors do without their guardian upper-classmen to tell them when it is time to vacate such premises as were inhabited after basket ball games, and such? Oh, yes, we, too, sought the bright lights! Yet our search for knowledge was, we trust, more diligent than our search for whatever-it-is you find in those places.

The year now closing is one never to be equalled by any other in our lives, or forgotten in years to come. From beginning to end it has been a banner year. We leave to the Juniors our honest endeavor to achieve our goal in an honest way.

THE SENIOR CLASS HISTORY

The class of '37 is the 25th in the history of F. L. H. S. It is, we hope, a finished product worthy to set a new pace along the walk of life.

Starting our Freshman year on September 6, 1932, we were of the same green hue as preceding high school entrants, but not any greener. After being humiliated by upper-classmen, finally we were accepted as part of the assemblage.

On attaining the distinction of being Sophomores, we began an era of achievements. We entertained and were entertained by the Freshman, on whom we had applied the art of initiation.

As Juniors, we monopolized any current-money-making schemes in our attempt to raise money to entertain the departing Seniors in splendor. A successful basket social brought the fund to an amount which made it possible to do this in grand style.

At last the ultimate goal—Seniors. Those coveted seats close to the windows were finally occupied by us who had waited patiently for three years. Seniors excused for various reasons, stamped in and out of the assembly at all hours. We knew it disturbed the study hall

and the teacher in charge, but we were Seniors—privileged Seniors.

Marion Shelander and Glenn Waller, the long and the short of it, formed logical beginning and ending in the line of Seniors. One member boasts a Ford that carried the burden of the Senior float, and rattled to and from class functions with remarkable noise and endurance. (No offense "Barney".)

What? oh what? will the athletic organization do without the husky Seniors to carry the teams on to victory or at least a gracefully accepted defeat? And what will the Juniors do without their guardian upper-classmen to tell them when it is time to vacate such premises as were inhabited after basket ball games, and such? Oh, yes, we, too, sought the bright lights! Yet our search for knowledge was, we trust, more diligent than our search for whatever-it-is you find in those places.

The year now closing is one never to be equalled by any other in our lives, or forgotten in years to come. From beginning to end it has been a banner year. We leave to the Juniors our honest endeavor to achieve our goal in an honest way.

THE SCHOOL BAND

The Kleffman Music Company formed our first band in September, 1928. This band consisted of 23 instruments which were bought by the school board at a total cost of \$1,790.00. The band instrumentation is at present well balanced and consists of the following instruments: 15 clarinets, 8 saxophones, 10 cornets, 2 mellorphones, 5 trombones, 3 basses, 3 baritones, 3 snare drums and 1 bass drum.

Last spring our band purchased attractive maroon and gold capes which improved the looks of the band a great deal.

The direction of the band has been under the following leaders: Mr. Clive Cleary, 1929-1930; Mr. Julius Bankman, 1930-1932; and Mr. Theodore Haugland, 1932-1937. Enrollments have increased as follows: 11 members in 1930; 23 in 1931; 28 in 1932; 38 in 1933; 40 in 1934; 37 in 1935; 45 in 1936 and fifty at the present time.

The band has played an important part in all school activities, besides giving concerts during the summer months. They have also participated in many events, some of which are: Memorial Day Parade; July Fourth; Baseball games at Lexington Park; Legion Convention at Stillwater; Kolacky Day at Montgomery; and a band contest at the Minnesota State Fair, at which they placed seventh in fifteen bands of various classifications.

The officers of the band are: Merton Melbostad, president; Katherine Tolzman, vice president; Marjorie Taylor, secretary and treasurer; Aileen Kuefler, custodian of the uniforms; and Ila Mac Anderson and Ronald Hilken, librarians.

These nine years of band work have been a great credit to the school and it is expected that this organization will continue to grow in size, importance and success as it has in the past.

Agriculture Classes Make Many Trips

A feature of the New Agriculture Classes which appeals to all of the students is the provision for making trips by school busses to places of interest. Many local trips are made during regular class periods to judge livestock, identify weeds, select seed corn, dig seed potatoes and prune orchards. The three outstanding trips of the year are: to the Junior Livestock Show at South St. Paul, where outstanding 4-H Club members show their livestock and poultry and where a trip is made through the Swift packing plant; to Farm and Home Week at the University Farm; and to the annual High

School Agricultural Congress at the University Farm where high school judging teams compete in judging livestock, poultry and crops. Last June our livestock judges placed as follows: Ray Tolzman, Theodore Heisler and Gail Burbeck, ninth place for livestock teams in judging beef-cattle, with Ray Tolzman placing second among individual judges; Theodore Heisler, third place individual swine judge; Maurice Boehm, Kermit Carlson, George Johnson and Paul Shelander, tenth place, dairy teams; Kermit Granberg, tenth place in judging Holsteins. Eighty-one high schools competed in this contest.

Troop is Sponsored by American Legion

Troop 137 of the Boy Scouts of America is sponsored in Forest Lake by the American Legion. The work is in active charge of a troop committee of three men—Ray Holl, chairman; Al Langdon and Harry Houle. It is the duty of this committee to see that the troop has proper leadership, to arrange for financing the program and to assist the Scoutmaster in carrying out the scout program. Henry M. Wilson of the high school faculty is Scout Master and he is ably assisted in putting over a good program of scouting by Herbert Graves, newly appointed Assistant Scout Master, and Clinton Fladland, Senior Patrol Leader. Other members of the troop are:

John Israelson, Eric Berg, Verne Marier, Robert Kunshier, Richard Holl, Robert Holl, Jean Bernier, Elwood Johnson, William Lake, Rollin Houle, Norman Johnson, Herbert Lourentz, Richard McGee, Robert Elmstrom, Fred Holmquist, George Koester, Charles Levine, Thomas Rolseth, Wallace Langdon, Raymond Earhart, Richard Kunshier and Joe Peloquin.

It is of historical interest to know that Scouting was first started in Forest Lake by

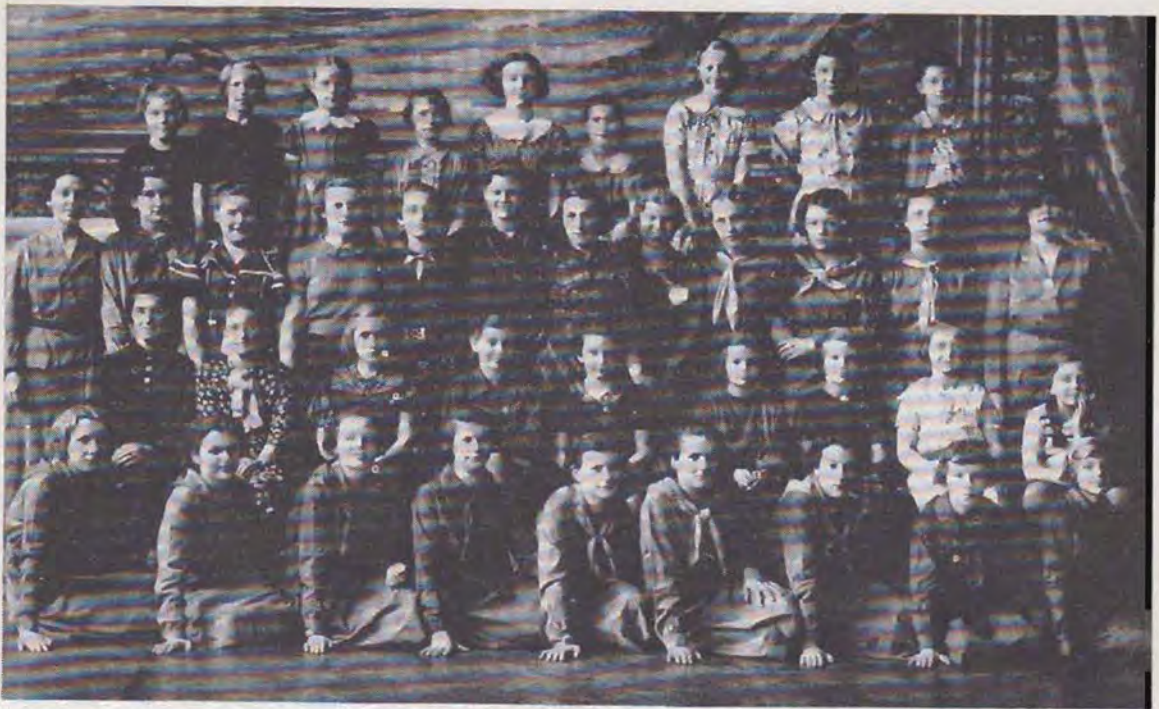

Reverend Fisher of the Presbyterian church way back in 1910 and, from the information now available, it seems that his troop was the first troop in Minnesota.

Scouting means fun, adventure and comradeship for boys in a great game that builds character and trains for citizenship through experience in the out-of doors.

The big events in the troop's program this year were the summer camp at Square Lake where the troop camped out for nearly a week with other troops from nearby towns and the over-night camp last fall at the beautiful Scout camp on the St. Croix river a few miles above Stillwater. The boys are now looking forward to new camping experiences at the new St. Paul Area camp at Balsam Lake, Wisconsin.

Another event which should not be overlooked is the annual round-up at the State Fair grounds, which is held the later part of May. Last year our chariot racers, Stubby Graves, Joe Peloquin and Richard Kunshier pulled Verne Marier around the Hippodrome arena to take second place, repeating their performance of the year before.

THE GIRL SCOUTS

Top row: Shirley Arndt, Roberta Johnson, Betty Swenson, Alice Jean McGee, Jean Turgeon, Lois Jean Arndt, Gladys Engquist, Patricia Tricola, Delores Valenty. Second row: Mrs. Fredrickson, Elaine Patrin, Mary Hendrickson, Marie Johnson, Aileen Kuefler, Lucille Fuglie, Marion Landgraver, Beatrice Diekman, Margaret Johnson, Sylvia Hou'e, Phyllis Hoekstra, Mrs. Larson. Third row: Leslie Nickelson, Jenella Thompson, Joyce Dyson, Betty Lou Weisser, Joyce McGowan, Gertrude Ann Waldo, Mary Holl, Myrtle Anderson, Betty Anderson. Front row: Shirley Diekman, La Vonne Morley, Gertrude Moen, Delores Bernier, Mary Jane Weisser, May Swenson, Anne Tricola, Delores Kuefler, Iris Houle.

Local Troop Has 39 Members

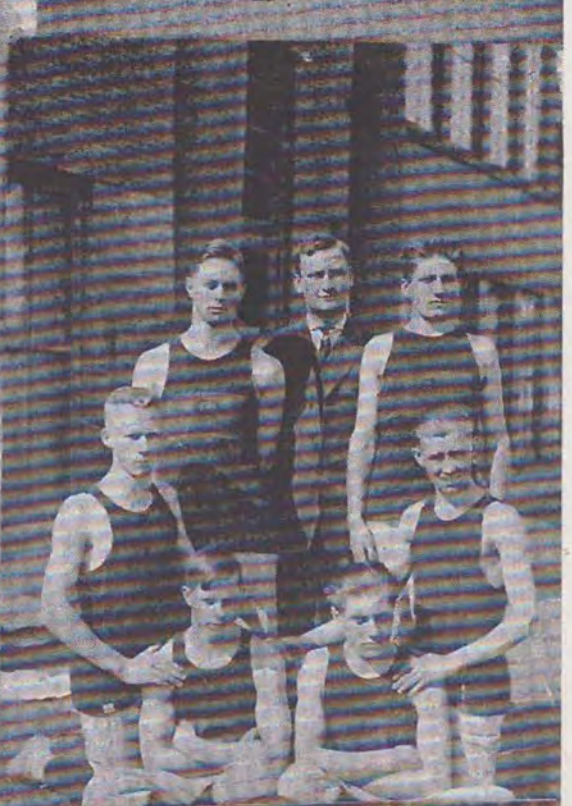

Pine Tree troop number one is sponsored by the American Legion Auxiliary in Forest Lake, and is affiliated with the National Girl Scout organization located in New York City.

Membership in the troop for 1937 totals 39 girls and is divided into five patrols named as follows: Oak, Cardinal, Forget-Me-Not, Humming Bird and Violet.

Meetings are held the first and third Thursdays in the month in the school Library at 4 o'clock. Leaders are Mrs. C. D. Larson, captain, and Mrs. Wally Fredrickson, Lieutenant.

Troop committee members are Mrs. Fred Diekman, Mrs. Adolph Kemper, Mrs. Rollin G. Johnson, Mrs. A. R. Lake and Mrs. Frank Weisser.

The Alumni Association

Salutes You!

Ellen Lundeen, '17

The Alumni Association salutes its future members, the class of 1937. Graduation is not a severance of your connections with this institution which has been your second home for four years, but rather a membership in another group. which—far as you may wander—is a bond with your present affiliations. May you accept its responsibilities with its beneficence!
