Foreword

The 1940 Forester has as its theme a journey through Forest Lake High School. Within these pages we have tried to portray an actual picture of the students at work and play. The past four years have been pleasant ones, and we have many memories which will follow us when we leave. But memories may fade, and so we leave this book a lasting remembrance of our classes and activities.

The Board of Education

Frank E. Anderson, Raymond J. Holl, Art C. Bergerson, James T. Elwell, Jr., president, Superintendent
B. C. Kuefler, J. August Peterson, Idor A. Pederson.

Superintendent

B. C. KUEFLER

Principal

FRANCIS PLOURDE

TO MR. KUEFLER WE GIVE OUR UTMOST THANKS for giving us many new opportunities in activities both inside the school and out. Many of the improvements in our school are due either directly or indirectly to Mr. Kuefler. In the ten years that he has been superintendent here he has continually worked doing everything possible for the well being and happiness of the student body and faculty. Some of the many things he has been instrumental in bringing about in our school are increased enrollment and faculty, improvement in conditions of the school financially. Mr. Kuefler graduated from the St. Cloud Teachers' College, receiving a Bachelor of Science degree with distinction. He also attended the University of Minnesota and there he received a Master of Arts degree.

THE STUDENTS OF FOREST LAKE HIGH SCHOOL also owe a well deserved vote of thanks to Mr. Plourde who has been very influential in democratizing our present school system. He organized the Student Council, a pupil-participating student government, and he was also active in starting the home room system. His fair reasoning, helping hand, and general frankness make him a favorite among the students. Besides being principal he teaches sciences and is indirectly responsible for guiding all student activities as well as curricular work. Mr. Plourde graduated from the Superior State Teachers' College with honors and has also attended the University of Minnesota.

THE STUDENT COUNCIL of F. L. H. S. is still quite new, being organized here only four short years ago by Mr. Plourde. But it is quite thorough in its accomplishments. This year's Student Council has been functioning under the presidency of Clarence Dahl. Other officers are Mary Hendrickson, vice-president, and Gertrude Moen, secretary. The Council consists of 15 student members, including the Breeze editor, the principal, and a faculty representative. An excellent College Day program was sponsored by the Council. A group of seven alumni of Forest Lake representing colleges of Minnesota addressed the student body, giving them a picture of college life.

Some of the other achievements of the Council are: maintaining a question box, establishing hall monitors, publishing a bi-weekly paper, answering questions from question box, and issuing charters for school clubs. The Council also sent two representatives, Mary Hendrickson and Gertrude Moen, to the Federation of Student Councils' convention at Hastings, Minnesota. It is our sincere hope that the Student Council will continue to be the fine organization it is and keep up its democratic policies.

Standing—Jeanette Slattery, Bertha Makynen, Mrs. Anderson, Erma Spotts.

AH, FOR THE JUNIORS. Meet next year's seniors. We started with 70 juniors this year. We have left our mark in '40 by contributing members to football, basketball, band, chorus and forensics. There are also many journalistic-minded juniors. We mourn the death of our classmate, Dallas Hoekstra, who died January 19, 1940. She was a very likeable girl and took part in many extra-curricular activities. We find an empty place in the classroom and in our hearts for her. Our officers, Maynard Wedell, president, Gilbert Smith, vice-president, Lois Bergerson, secretary, and David Shoquist, treasurer, deserve much of the credit for being able leaders of a progressive class. Yes, the juniors will certainly go down in history. Leave our position as juniors to the class of '42. "On to forty-one!" say the juniors now that they are nearing the homeward stretch.

Fourth Row—Fred Holmquist, Martin Leiberg, Marian Gaubbs, Doris Washburn, Warren Hallberg, Myrtle Anderson, Betty Turnvall, Joyce Richardson, Hazel Anderson, Marie Lee, Elcanore Edquist, Julia Berglund, Yvonne Heisler, Harriet Anderson, Virginia Tureen, Margaret Loken, Dorothy Leuthner, Phyllis Larson. Here Are The Sophomores

THE SOPHOMORE class this year has been under the leadership of Lorraine Spescha, president, Dorothy Leuthner, vice-president, Rollin Houle, secretary, and Robert Elmstrom, treasurer. Donna Voss was elected class reporter and George Furman represents the class in the Student Council. Over 90 per cent of the class take an active part in some extra-curricular activity, such as journalism, band, chorus, R. A. C., and M. R. The sophomore class had some active participants in football and basketball this year. Rollin Houle, Bob Holl, Robert Elmstrom and Wallace Langdon especially show promise in sports for the future. Miss Wayne and Mr. Von Wald have been the sophomore class advisers this year.

Let's Chat With The Freshmen

HATS OFF to eighty-six snappy, alive freshmen who will carry on for Forest Lake High School in the future. In the field of extra-curricular activities you will find our 42 boys and 44 girls are well represented. Members of our class are found in declamatory contests and athletics. MIGHTY RANGERS CLUB was formed for the first time in our school by Mildred Roberts in 1932. This Home Economics Club has proved very successful since its beginning. The club was reorganized this year under the leadership of the following officers: president, Phyllis Anderson, vice-president, Margot Peterson, secretary, Lois Bergeson, and treasurer, Lorraine Ohlow. They are affiliated with the Minnesota Home Economics Association. This year Ardythe Morrison was elected president of the Minnesota Home Economics Association of School Clubs Division. The M. R. Club advisor for the year was Miss Longar.

A **DRAMATIC CLUB** was organized in 1939 by juniors and seniors interested in dramatics. A constitution was drawn, and the name Thespian was decided on because Thespis was a Greek god of actors. This year the Thespian Club was under the leadership of Alan Larson, president, and Vernon Johnson, vice-president. At each meeting programs have been given at which movies and plays have been discussed. At one of the meetings a demonstration on stage make-up was given.

BESIDES meaning Girls' Athletic Association, G.A.A. stands for Good All Americans. That's what the junior and senior girls are. We learned all about sportsmanship in the many different sports we play. The club meets every Friday during the last half of the third period. The time is spent playing games, discussing games and rules, or discussing hygiene and diseases. To earn a letter it is necessary to have a total of 120 points. These points are earned in different ways. There is a maximum and minimum amount of points for each activity. In the spring the lettermen with our adviser, Miss Wayne, elect officers for the following year. This year the officers were: Margot Peterson, president; Laura Derby, vice-president; Edna Frenning, assistant secretary, and Phyllis Anderson, treasurer.

THE SOCIETY OF SCIENCE'S objective is to discover and develop interest in scientific facts, industries, phenomena, inventions, and happenings and to discard beliefs in superstitions and magic. This year some of our meetings have consisted of trips, excursions, discussions, experiments, reports, and talks by some professional scientific men and their work. The officers of the club are: president, Richard Holl; vice-president, Jean Allenson; secretary-treasurer, Robert Derby; reporter, Clayton Westin; segeant-at-arms, Chester Sahlin.

DEADLINES! Interviews! Dummy Sheets! These words have become very familiar to Breeze members this year. Under the editorship of Netha Voss and her assistant Mary Hendrickson, the Breeze staff comprised such live-wire reporters as Irene Bates, Gertrude Moen, Joyce Birch, Joyce Carlson, Edna Frenning and Clarence Dahl. Clever columns were written by Phyllis Anderson and Clayton Westin, while Louise Crete offered original ideas in art and features. The sports editors, Allan Anderson and John Baxter, covered both the football and basketball games. Pounding out the news on the typewriter took many hours of work for the earnest typists, Florence Johnson, Melva Geslin and Jenella Thompson. These have been only a few of the personalities behind the news this year. Every staff member has worked diligently with the editors and the adviser, Miss Skog, in putting out each issue of the paper. Highlights of the year's work were the journalism banquet, and attending the Minnesota Press Association Convention on April 12-13 at the University of Minnesota.

"INFORMATION about the Forester?" Better see Irene Bates!" Publishing the Forester has been one of the most ambitious projects of the senior class this year. Let's peek in and see the staff at work. Irene Bates, editor, and Gertrude Moen, assistant, work incessantly on writeups and arrangements, while Alan Larson checks and rechecks subscription lists and advertising copy . . . Betty Banta is surrounded with snapshots . . . Phyllis Anderson and Laura Derby certainly know about the seniors after writing 77 interviews . . . The club editors, Joyce Birch and John Baxter, are working on organization writeups. "I got the best picture of Mr. Johnson!" yells Tommy Rolseth, the staff photographer, as he brandishes his camera. These enthusiastic staff members have certainly done their part in keeping their advisers, Miss Skog and Mr. Johnson, on the tips of their toes in publishing this annual.

Back Row—Miss Skog, Marvin Weber, Ruth Bergeron, Alice Jeanne McGee, Donna Voss, Dolores Valenty, Patricia Tricola, Lorraine Elwell, Mary Hendrickson, Florence Lindgren, Joyce Birch, Billy Engler, Allan Anderson, Irene Bates, Renee Spangenberg. Front Row—Elaine Patrin, Rosanne Smith, Edna Frenning, Jenella Thompson, Netha Voss, Florence Johnson, Gertrude Moen, Phyllis Anderson, Joyce Carlson, John Baxter, Ethel Kuhnly, Clayton Westin, Clarence Dahl.

ON April 23 the seniors presented the comedy play "Tish" by Alice Chadwicke. The main character in the play was "Tish" (Ellen Morrissey), who was an old spinster who loved adventure. Her two girl friends were Aggie (Evelyn Arth) and Lizzie (Irene Bates). Gene Foster played the part of the troublesome old sheriff, Lem Pike. Ellen (Netha Voss), the young lady owning the hotel, and Charlie Sands (Richard Holl), Tish's nephew, furnished the romantic angle for the play. Bettina Trent (Phyllis Anderson) and Wesley Andrews (Allan Anderson) got involved over a novel they were writing. Callie Hopkins (Betty Banta) and her father Luther (Clayton Westin) got involved in an argument over Ellen's hotel. Denby Grimes (John Baxter) and Dorice Gaylord (Mary Ann Shoberg) were a movie producer and actress from Hollywood. The play was produced under the direction of Miss Cole and Miss Hildahl.

"ALMOST EIGHTEEN," which provided fun, drama, romance and domestic problems, was presented on November 28 by the Junior class. The cast had twelve members and was coached by Miss Skog and Mr. Evans. Eddie Barry was played by Elwood Johnson, Lois Bergerson took the part of Ann Sherman. Mrs. Barry, Eddie's mother, was Rozanne Smith, while Mr. Barry was portrayed by Donald Larson. Gilbert Smith as Tommy Granville, Mae Swenson as Beatrice Barry, Ella Whitman as Sally, Mary Hendrickson as Mrs. Granville, Ruth Houle as Mabel Warren, Clyde Ramsden as Uncle George, Doris Solem as Miss Dalrymple, and Daniel Waldoek as Professor Merritt completed the cast.

Eugene Taylor, Betty Banta, Irene Bates, Netha Voss.

WHAT'S THIS? Why it's to be the best band in the state. Under the leadership of Mr. Phelps, the Forest Lake band has had a very successful year—playing for pep fests, assemblies, basketball and football games, music festivals at Chisago City and Anoka, and of course the annual spring concert. There are sixty actual members of the band and about twenty-five beginners. The school has bought many fine new instruments, and there is enough ability to produce one of the finest bands in the state. The president is Wallace Langdon; vice-president, Mae Swenson, and Mary Hendrickson is custodian of capes and caps. Well, here's hoping we'll see you at the national music contest next year.

IT'S 11:05 and from the music room we hear the voices of the Senior High Mixed Chorus. Let's go in and join them. We find seats and Mr. Phelps, the director, hands us the music so we may follow along. He explains to us that this is the "Pilgrims' Chorus" by Wagner which the chorus sang at Chisago City in the Fall Music Festival. The group has been very active in taking part in school programs and outside functions for the past two years. Oh, a different selection is being given out. Let's see what this one is. We are told this number is the one chosen for the District Contest held at Anoka in April. The name of it is "Peasant and his Oxen." Just time for one more number before the bell so we listen with pleasure to "O Blest Are They" and then prepare to leave for lunch. All members of the chorus seem to be trying hard to make their chorus one of the outstanding musical organizations of the school.

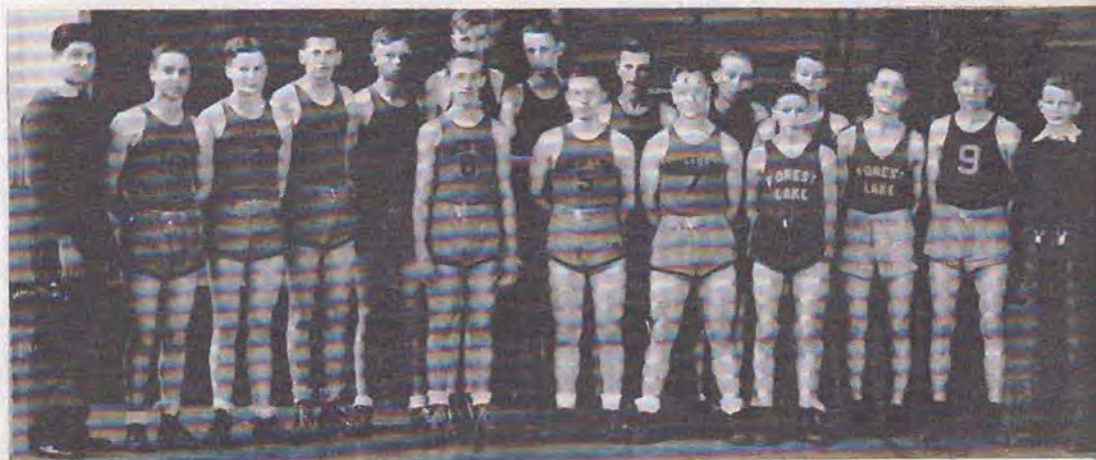

The First Team

Back Row—Eugene Taylor, Chester Sahlin, Wallace Langdon, Lloyd Peterson, Clyde Lindahl, Ralph Melford.
Kneeling—Richard Holl, Joseph Sahlin, Rollin Houle, Coach Von Wald.

STARTING THE 1939-40 basketball season, found the Forest Lake five on the Chi Hi floor. After a thrilling battle, the Rangers bowed to a 25-19 defeat. The boys came back by defeating Mahtomedi 32-17. One of the outstanding battles of the year came when the North St. Paul quintet handed the Rangers a defeat of 33-31, in an overtime period. White Bear overpowered us on our own floor to chalk up another defeat for the valiant Rangers. Again the Rangers, bolstered by their undying courage, made a desperate attempt to regain their winning streak, but again they were overcome by the mighty Columbia Heights team. After vacation and a victory over the alumni, the boys lost to the Stillwater Ponies by a margin of 10 points. Though the season had not been too successful the boys never gave up hope. They proved this by handing Chi Hi a defeat of 29-23. Again the boys showed their strength by whipping the Zephyrs 43-17. The boys were handed a smear, when the undefeated Lakeside proved stronger by ending up 11 points ahead of us. Columbia Heights and White Bear again kept us trailing. The Rangers caught the Bears' offnight and tripped them 25-23. This caused another game to be played between the two teams. Evening the score with Chisago the boys defeated them 26-22. Losing to North Branch the boys ended a hard fight with North St. Paul by losing in a close battle. This ended our chances for the tournament and also closed the season.

Left to Right—Coach Von Wald, Eugene Taylor, Chester Sahlin, Lloyd Peterson, Clyde Lindahl, Wallace Langdon, Richard Holl, Joseph Sahlin, Fred Holmquist, Mayo Kramer, Clyde Ramsden, Gordon Palmer, student manager.
Back Row—Morris Anderson, Ralph Melford, Rollin Houle, Eldon Larson, Frederick Waltz.

First Row—Richard McGee, Robert Derby, Ralph Melford, Gordon Palmer, Arnold Carlson, Bud Huber, Norman Tolzmann.

CREDIT for our successful football season goes to Coach Von Wald, who this year completed his first year at Forest Lake. He hurled our mighty Rangers against the North Branch Vikings, to start our season with a 6 to 6 tie. Our next foe was Murray who gave us a defeat of 6-0. After a week of hard practice, the Rangers journeyed up to Pine City, where with the loss of our fullbacks, we held the Pine City eleven to a 0-0 tie. The Rangers again assumed their hard work on the practice field and arrived in White Bear, ready to give them a defeat on their Homecoming. However the tables were reversed, and Forest Lake went home after being defeated 13-0. The boys came back by defeating the Mahtomedi Zephyrs with a 26-6 score. Our most important game, and the one most enjoyed by all the team, was the Homecoming game with the Hinckley Polars. The undefeated Polars came down with the knowledge of our not so successful season stowed in their heads. After a bruising battle, the toughest of the season, the boys walked off the field with a 9-0 victory. The Rangers also took the cake which was given to the winner by the bakery. Due to bad breaks during the game, the North St. Paul eleven defeated F. L. by a score of 14-0. The season, however, is one that never will be forgotten.

NOW WITH CLASSES AND ACTIVITIES over for the day, the students leave the school, and our journey is over. Soon 75 seniors will leave that student door and venture out upon the road of life. We broaden out in new activities, new interests, and new work. May that journey be as pleasant as the one that has past. So now farewell!
