August 1, 1951, was one of the initial dates in the construction of our new addition. On this date, the report of the University of Minnesota Bureau of Field Studies and Surveys was published. This report covered the building problem in the Forest Lake area, and strongly advised that reorganization should take place.

March 17, 1952, was another stepping stone in the reorganization program. A special election was held carrying the reorganization by a vote of 694 to 114.

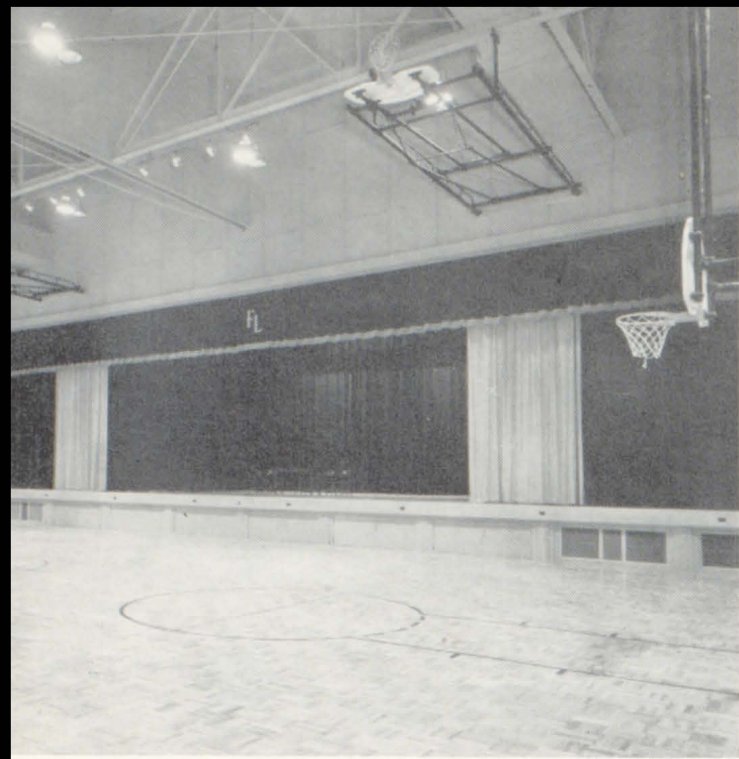

March 21, 1952, was the date the official order of reorganization was issued by the Washington County school survey committee. This order set up Joint Independent Consolidated School District No. 104.

September 15, 1952, was the official ground breaking ceremony beginning the construction of the new high school addition and elementary school. Mr. Norton Taylor, Forest Lake area school board president, took the first shovelful of dirt beginning construction.

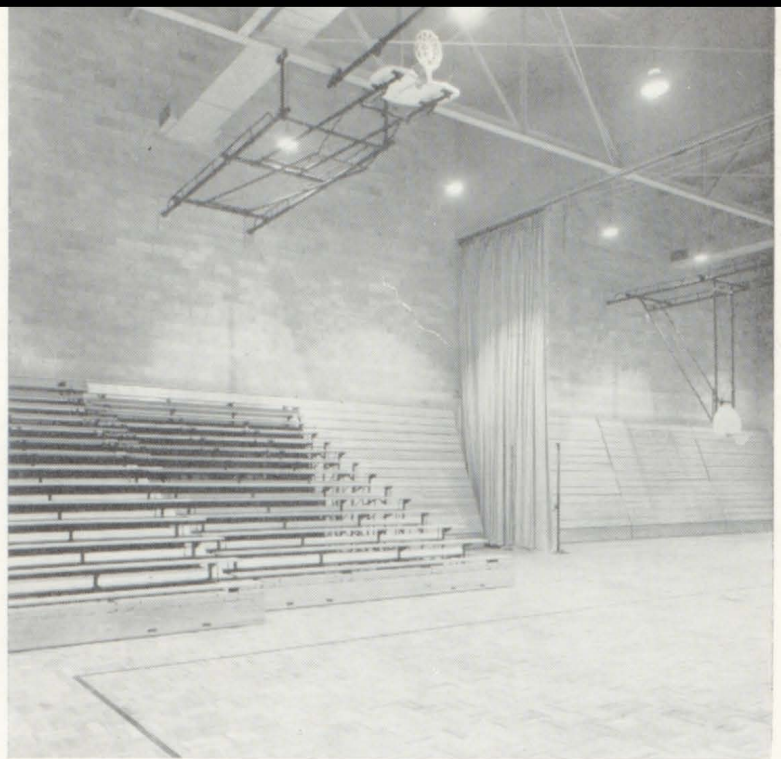

September 8, 1953, began the schedule of classes for students in the new school addition. The new gymnasium-auditorium was open to physical education classes and stage productions.

November 10, 1953, dated the formal dedication of the new school addition. Dr. Dean M. Schweickhard, Commissioner of Education, gave the address, "Building For Tomorrow." An impressive dedication ceremony was one of the highlights of the night's program.

Each **Forester** is a chapter in the history of Forest Lake High School. It records the significant events of the very recent past in an attempt to preserve and perpetuate school life as we have known it. As the future becomes the present and the present the past, as time takes its inexorable toll, as memories dim and recollections fade, such a record as this will help us go back in fancy to the time "when all the world was young, lad, and all the trees were green, and every goose a swan, lad, and every lass a queen."

Perhaps it will help us recapture the uncertainty of the days when talk of a new building seemed just another round of wishful thinking, the pride we felt when the community faced up to its problems and took determined steps to solve them, the excitement and the confusion of digging and building, tearing down and revamping, and the thrill of getting lost in a building which seemed to have changed as drastically and as suddenly as Cinderella's pumpkin.

I hope that it will do more than jog our memories. Experiences like these should make us think. For our school is a great deal more than an impressive mass of masonry. It is a tribute to youth and to faith in the future. Don't let the older folks kid you. They talk a lot about juvenile delinquency, about how much worse kids are these days than they used to be. And then they spend a million dollars to show what they **really** believe. The Good Book says that where your treasure is, there shall your heart be also.

Make no mistake about it: this schoolhouse was built for **you**. A lot of people thought you were worth it. They wanted you to have a chance to become a full-fledged member of the well-known human race, with some appreciation of the age-old pageant of man, some knowledge of yourself and of the incredibly complicated world you have inherited. This building shouts, "Kids are important. Young folks are the future. Give them opportunities and they will use them." Use yours.

In time to come, as you leaf through this book, chuckling here, shaking your head sadly there, may you recall best of all a community's faith in its young people, remember gratefully what it meant to you and to many others you have known, and resolve to bet your million as wisely when the occasion calls for it.

J. A. Hughes, Superintendent

Floyd W. Cohoes—Our high school principal — he is known to all as a fair-minded friend to students and teachers alike. He received his Bachelor of Arts degree at St. Cloud Teachers College and spent one year doing graduate work at the University of Minnesota.

Erwin L. Davis— Acting as assistant high school principal — he can be found listening sympathetically to students' guidance and personal problems. He received his Bachelor of Science degree at St. Cloud Teachers College and later went on to receive his Master of Arts degree from the University of Minnesota.

administration

George J. Sedlacek—As elementary school principal — he is found solving administrative problems connected with the grade school system in this district. He received his Bachelor of Science degree at the University of Minnesota and then went on to secure his Master of Arts degree there.

1953-1954 has once again been a busy time for the Forest Lake High School Band. Some of the highlights of their marching season are remembered at the Minneapolis Aquatennial, St. Cloud's Centennial Celebration, the Halloween Parade at Anoka, 1953 Homecoming, and of course the annual Fourth of July Parade at Forest Lake.

Shortly after the marching season is over the Forest Lake High School concert band is underway. Also under the direction of Rollin Nelson, its performances are numerous. A half hour radio show on WSHB was given, along with concerts given at the Dedication Service, Christmas Program, and Student Council Convention. The band also played all football and basketball games and pepfests. In 1953 an "A" rating was given the band at the district and state music contests.

It's indeed been a busy time, but the success has compensated for all the hard work.

Rollin Nelson, our able director.

The success of the FLHS Band is due to sectionals such as the brass sectional pictured to the right. Here we see Mr. Nelson assisting Bob Johnson, Jim Lundquist, Herb Anderson, Larry Johnson, Tom Dorn and Jerry Parenteau.

Above we have Donna Christianson, popular FLHS majorette exhibitionist, who has followed the band on its various appearances. She has placed in numerous twirling contests.

To the right is a candid shot of drum majorette Connie Ostrom and bass horn player Bill Moorhouse.

Under the capable direction of Mrs. Joan Dick, the choir has made a lot of progress in the past year and is one of the busiest activities in school. The first big performance of this group was singing for the Dedication and Open House in November. The choir also performed for the Student Council District Convention, which was held here February 25. As in previous years the choir presented an operetta, and this year's production, "The Mikado," by Gilbert and Sullivan, was performed the first week in April. The members of the choir also participate in the District Music contest. Last year the choir, triple trio, men's quartet, two piano soloists, and one vocal soloist received "A" ratings at the District contest, and then went on to the State competition to receive the same high ratings.

Triple - Trio

The Girls Triple Trio, which was organized last year, has in this short time become a popular vocal group around Forest Lake. From left to right, they are: Yvonne Carlson, Gloria Erickson, Barbara Fors, Sharon Natt, Maureen Morley, Marcia Emmert, Audrey Matheson, Glenna Case and Judy Salie.

Men's Quartet

The Men's Quartet, also organized last year, has been an active group since its organization. They have sung at school functions, women's clubs and churches. At the State Contest last year both the Quartet and the Triple Trio received "A" ratings. From left to right they are: Herb Anderson, Burton Wahlquist, Dave Haynes, Jerry Parenteau.

Men's Glee Club

Another recently organized vocal group is the Men's Glee Club. Although they are a new group they have made many school appearances, among these being the Fall Open House and School Dedication.

Women's Chorus

The newest of the vocal groups is the Women's Chorus, which was organized just this year. The chorus is sure to be a popular vocal group in the future years.

The Future Farmers of America is one of the most active organizations in the school, having 90 members in grades 9-12. The boys are studying vocational agriculture with future plans for a career in farming.

A big project this year has been the operation of the Chapter Farm, where boys assume responsibilities in the management of a farm. Test plots and demonstrations enable the chapter members to get a true picture of intelligent farming.

The Fall Festival, co-sponsored by the Commercial Club, proved to be very worthwhile as members had an opportunity to show the products of their farming program in competition with other members of the chapter.

The Forest Lake Chapter has been active in District and State FFA contests, entering the parliamentary procedure, soil judging, horticulture, general livestock and dairy judging teams in these contests. The public speaking entries from Forest Lake have been entered in the State Contest from District VII during the past two years. The contour plowing team placed first in the State Contest at Buffalo last fall.

Five outstanding members each year are awarded trips to Kansas City for the National FFA Convention, in October. State FFA Camp, held at Virginia, Minnesota, during the summer, is well attended by members of the Forest Lake Chapter.

The Student Council is an important part of the student government at Forest Lake High School. Members are elected by their fellow classmates and meet to discuss problems concerning relations between the student body and the school administration. One of the main projects the Forest Lake Student Council undertook was being host to the St. Paul Area Division of Student Councils at their annual convention. Supervision of the concession stand is another one of their varied activities. This year for the first time, the Student Council sponsored a Korean School Relief Drive, providing school supplies and needed food and clothing for underprivileged children in Korea. Another important project which the Student Council participated in concerned the promoting of the 1952-53 reorganization and bond issue program.

Sitting: Shelbe Sahlin, secretary; Gretchen Olson, senior representative; and Marlene Palmer, vice president.

One of the most important activities undertaken by the FLHS Student Council was acting as host to the St. Paul Area Division of Student Councils at their district convention held here at Forest Lake, February 25, 1954. The day's activities began with a business meeting in the morning followed by an address from Dr. Brouhard of the University of Minnesota. At noon there was a banquet for all the delegates and their advisors. The afternoon session was divided into several discussion periods taking up problems related to student council work in the different schools around the district. An evaluation period at the end of the day was highlighted by a summary address by Mr. Laurence Thompson, one of the executive directors of the Minnesota Association of Student Councils.

These are the busy bees that work late on Monday night to get the Breeze off to "press."

Where's that story? Who's in charge of that? Write that editorial! Where's some paper? Where's Mr. Rafferty? Oh, we'll never get this finished. These are some of the questions that are thrown at each other on Monday night with the Breeze staff working hard to meet the deadline. Editors Jackie Rosengren and Gretchen Olson, as well as the rest of the staff, will never forget their experience in trying to meet deadlines for the Breeze.

Initial work was started early in the fall of 1953 when the FORESTER staff began by having a magazine drive which was a big success. The staff then continued progress at all school activities — you could find FORESTER staff members taking pictures and madly dashing off to write copy and lay out pages. You'd never know there were so many students in the high school unless you were trying to find their names. Probably every annual staff goes through this last-minute rush the day before the publisher's deadline. The staff sincerely hopes that this annual will be one enjoyed and treasured by everyone.

Queen Shelbe Sahlin and Mr. Touchdown, Dick Volkmann.

Sunshine, wind and rain, with much happiness, was the setting for Homecoming at Forest Lake on October 16, 1953. The weatherman tried his best and almost succeeded in giving Forest Lake students just the kind of day they had ordered but finally had to succumb as the rains came down just at the crowning of Shelbe Sahlin as queen of Homecoming festivities for 1953. Many long hours of hard work went into the planning of the 1953 Homecoming. Teachers as well as students worked untiringly in an effort to bring back the old school spirit to graduates and to make this Homecoming one that will never be forgotten by the seniors of '54.

reign

Excitement and curiosity were aroused during the week when pepfests were held each day at noon hour, queen candidates were introduced, and clues were given as to the identity of Mr. Touchdown. The excitement reached fever pitch as Homecoming day came, climaxing two weeks of careful planning by the students of Forest Lake.

The rain obviously did not dampen the spirits of the Ranger football team as they toppled North Branch, 14-13, in a hard-fought battle that was close up until the final gun. The Homecoming dance was held in the gym with Les Swan's orchestra providing the background music. It was well attended and everyone enjoyed the entire evening of fun. From the parade in the afternoon to the pepfest after the parade and then the evening highlights starting with the big Homecoming game, the crowning of the queen, with the Homecoming dance following the game, the day was packed with excitement and happiness.

The Forest Lake Choir in their annual spring operetta presented this year "The Mikado," by Gilbert and Sullivan, under co-directors Mrs. Joan Dick and Miss Lois Hanley. This is a comedy which takes place in Japan, based on government and all its troubles. With a combination of beautiful backgrounds and authentic costumes, the cast presented the operetta in such a way that it would have done justice to many professional groups. Taking the leads in this presentation were: Jerry Parenteau as the Mikado, Jerry Carlson as Nanki-Poo, Herb Anderson as Ko-Ko, Jim Lundquist as Pooh-Bah, David Haynes as Pish-Tush, Audrey Matheson as Yum-Yum, Cynthia Crohn as Pitti-Sing, and Maureen Morley as Peep-Bo.

For the first play to be given on the new stage, the senior class of Forest Lake High School chose the ever-popular "I Remember Mama," by John Van Druten. This play used the new and modern facilities of the new stage, since it called for many scene changes. The play itself was presented with simplicity which brought tears to the eyes of many of the audience as they were reminded of their early childhood. The leading parts were played by the following: Cora Edgell as Katrin, Gloria Erickson as Mama, Bill Moorhouse as Papa, Audrey Matheson as Dagmar, Yvonne Carlson as Christine, Jim Lundquist as Nels; Carolyn Anderson, Marjy Berglund, and Judy Salie as the three aunts; and Paul Wahlquist as Uncle Chris. The production was directed by Mr. Wallace Kennedy, speech instructor.

the christmas program

Forest Lake High School gave its annual Christmas program Friday, December 18, 1953. Hard work and practice resulted in a fine production, given for the high school students and later for the Parent-Teacher Association. "A Christmas Dream" is the story of a little girl who has fallen asleep waiting for Santa Claus and was awakened when he came. Santa then tells her the Christmas story, dramatized by students with the background of the choir singing.

Pictured above is the family in the Christmas program. From left to right they are Janet Anderson as mother, James Lundquist as the father, and Judy Sundquist as the little girl. The story of the birth of Jesus was presented in pageant form.

Forest Lake's 1953 Rangers, under the direction of Coach Dick Furey, assisted by James Boyd and Larry Corrigan, began the season with few returning lettermen. But experience is not the only thing that makes a game. Spirit and teamwork are just as important. This year's record does not give a picture of potential ability. Breaks in either team playing could turn the game to their favor. The Rangers used the straight "T" formation to capitalize on quickness and smallness. Passing was one of the strong points in the Rangers' playing. Lindstrom became the first opponent, riding over the Rangers in a well-played game, 12-0. In the second game of the season, the Rangers matched Moose Lake, defending champions of the district, in a 12-12 tie. The Rangers probably played their best game of the season against the experienced Moose Lakers. The Rangers then went into somewhat of a tailspin, losing three in a row, the first to the champions, Pine City, in a drenching rain, which hampered the Forest Lake aerial attack. Next, a speedy St. Paul Park crew rolled over the Rangers 20-0, and then Barnum eked out a 14-7 victory over the Rangers, who were held back by injuries to key men. Homecoming, as always, was the big game of the season with the Rangers meeting a squad similar in talents, weights and experience. The spirited Rangers won the game with a score of 13-12. Defensive play was very important in holding back the North Branch Vikings. The Rangers finished the season losing to Alexander Ramsey 25-12, and coming back to nose out highly-rated Mahtomedi 7-6. All-Conference ratings were awarded to the passing combination of Quarterback Dick Volkmann and Left End Jack Trudeau. Dick Konobeck, hard-running halfback, was also named to the All-Conference team. Graduation takes six men: Eddie Engquist, Gene Brine, Gerry Parenteau, Dick Olson, Jack Trudeau, and Dick Volkmann. With a large group of returning lettermen, the Rangers are looking forward to a good season in 1954.

"b" team

Due to the large turnout for football, it was possible for Forest Lake for the first time to have a "B" team. They practiced every night under Coach Larry Corrigan, and scrimmaged many times against the "A" team which gained for the "B" team valuable experience which will make them battle-wise by the time they are varsity members.

Ranger cagers opened the 1953-54 season with one letterman and a group of untested, inexperienced, potentially fine basketball players. The general outlook at the beginning of the year was that if they would develop, they would, by the end of the year, be a team to be reckoned with. Before Christmas, the Rangers had a series of games with a tough group of non-conference foes, some of which gave the inexperienced Rangers some sound lessons in basketball, the foremost of these teams being North St. Paul, Cambridge, and a good Alumni outfit. But the Rangers pulled their share of upsets, too. They nosed out a good Elk River team 49-43 in one of the

better games of the year and defeated a better-than-average Willow River squad 66-38. After Christmas vacation they began to show the makings of a spoiler, the kind of team that on a given night could give one of the top teams a battle. The biggest upset in conference play was the knocking off of a sound Rush City team. Though behind most of the way, a third-quarter spurt moved the Rangers ahead to stay, finally winning 55-51. They ended the season in a tie for third place with Taylors Falls. The Rangers went into sub-district play drawing a weak Pine City squad in the first game. Easing out a victory 63-55, the next game was against a good Taylors Falls squad which had beaten them twice during the season. A determined team, going into it with high spirits, they edged out a 53-45 score, thus receiving the sub-district championship. Forest Lake's Rangers next faced a fine Barnum squad. After taking a quick lead, they fell behind by two points at the end of the half. Starting the second half, they again took the lead and held it until the final seconds of the game when Nummela of Barnum dropped a long shot from the middle of the floor to win 60-58. Jack Trudeau and Tom Zak led the team in scoring, with Trudeau making both All-Conference and All-District.

Rangers	58	Barnum	60

Jumping high on the tip-off is Jack Trudeau, forward on the FLHS team, in a game against Chisago City's Indians on Forest Lake's floor.

Two more points are chalked up for the Rangers by Bob Johnson in an upset victory over Elk River.

Front row, left to right: Donny Ekblad, Bob Morehead, Mickey Corbeit, Butch Van Elsberg, Bob Taylor, Jerry Brine, Dick Peterson, Jerry Pepin, Joey Brown.
Back row: Dave Hermes, Joe Trepanier, Bernie Daninger, Ronnie Dupre, DuWayne Kasma, Burt Evgen, Jack Mortenson with Coach Dick Furey.

The "B" team, under the training of Dick Furey, finished a very good season, winning twelve and losing seven games. Although they started out with no returning players from '53, Coach Furey molded a team that by the end of the year had become very successful. They owned one or more victories over every other conference team, a record envied by the "A" squad.

Front row, left to right: Marlin Thompson, Daryl Krenn, Ronnie Dupre, Jerry Pepin, Tom Heisler.
Back row: Jack Trudeau, Jack McGrath, Dick Volkmann, Herb Anderson.

The Rangers ended a very successful 1953 season as Conference Co-Champions with Rush City. The record was 4 wins, 1 loss for conference play; and 4 wins, 5 losses for the complete season. In their first game with a veteran White Bear team the Rangers were defeated, 13-12. But from that time on the records show a continual improvement on the Rangers' part, right up to the big showdown game with Lindstrom for the championship. Forest Lake upset the previously unbeaten Chi-Hi outfit 8-7 in eight thrill-packed innings, scoring the winning run with two out in the last half of the eighth. In the first round of District 25 play the Rangers met a seasoned squad from Hinckley and went down to defeat, 9-6.

The Rangers are looking forward to another good season this year headed by letterman Dick Volkmann on the mound; Jack Trudeau, Jack McGrath, Daryl Krenn, Ronnie Dupre and Marlin Thompson in the infield; Herb Anderson in the outfield, and Tom Heisler behind the plate. The 1954 schedule already shows 9 games with the following teams: Rush City, Pine City, Chisago City, North Branch, Mahtomedi, North St. Paul (2 games), and Lindstrom (2 games).

Lefty Jerry Pepin and Dick Volkmann, mainstays of this year's pitching staff.

Second Baseman Ronnie Dupre and Shortstop Daryl Krenn, two returning veterans at the keystone sack.

district 25 track champions

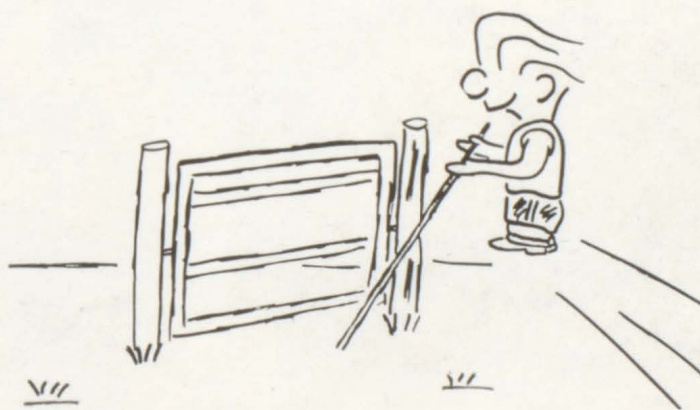

Bottom row, left to right: Gerry Alcock, Larry Johnson, Ivars Kauls.
Top row: Gerry Muller, Joe DaHinden, Jerry Carlson, and Coach Boyd.

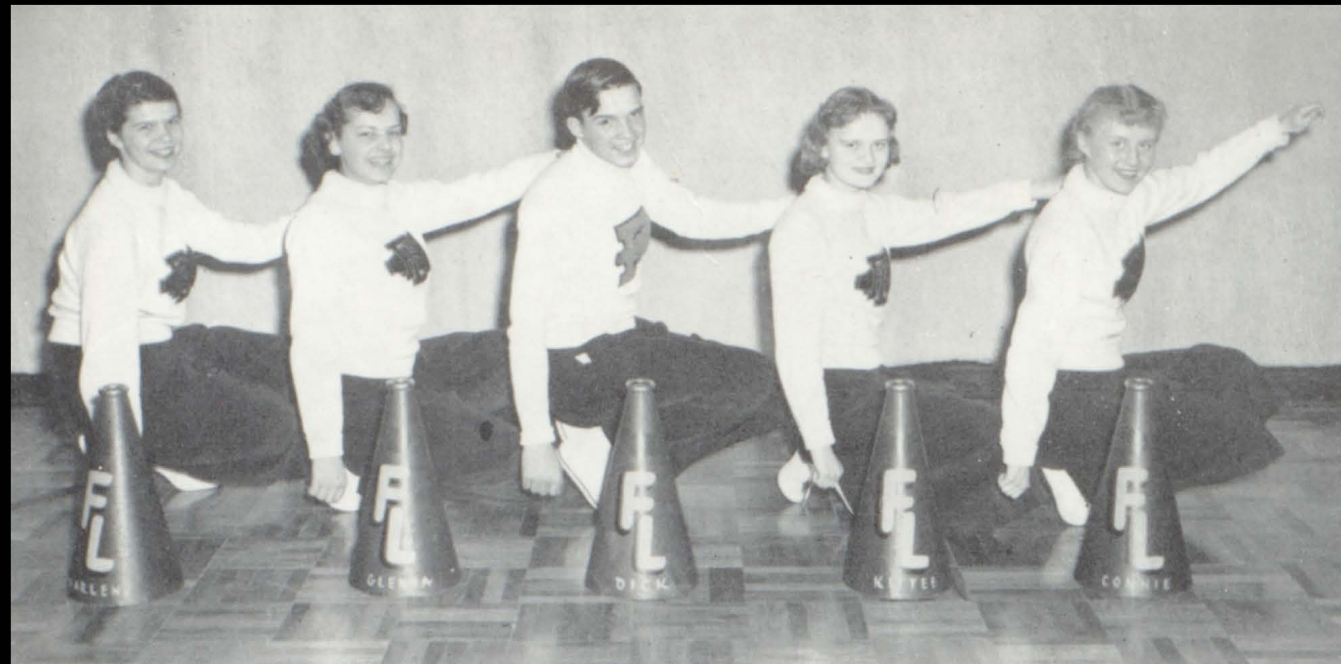

The track team closed their 1953 season by capturing the District 25 Track Championship. This was one of the most successful seasons any track team at Forest Lake has ever had. Under the direction of Coach Boyd they surprised just about everybody by stealing the crown from strong North Branch and Pine City teams. The team was hurt by graduation in key positions but returning lettermen include Ivars Kauls, Larry Johnson, Jerry Carlson, Gerry Muller and Gerry Alcock. The team, with the help from some prospective underclassmen, is looking forward to another good year this spring.

Dash men Larry Johnson and Ivars Kauls.

Faithful followers of the Rangers—whether in victory or defeat—were the Forest Lake peppy cheerleaders. The ever-active five (left to right: Marlene Palmer, Glenna Case, Dick Tyler, Kittee Berfelz, and Connie Ostrom) followed the team wherever the team was playing, regardless of weather or means of transportation. Their eye-catching uniforms consisted of white sweaters and maroon coulottes, and as an added attraction, each of them had megaphones with their names on them. The Pep Club, shown below, followed the team to every game as avidly as the cheerleaders, lending their voices in support of the team.
