School Life . . .

Homecoming princesses Beverly Anderson, Becky Arundel, and Mary Ekblad come out to the field before the half-time ceremonies.

Mr. Markuson, driver training instructor shows Helen Arundel and Eileen Ott the fundamentals of being behind the wheel driving as they look over the newly-received training car, a 1956 Pontiac.

Dick Shogren, an FLHS senior, and a participant in the Farmer-Merchant Festival, demonstrates his ability to drive a tractor.

Administration

Faculty

Responsibility for the effective management of an entire school system encompassing nearly 200 square miles, and providing facilities, teachers, supplies, and policy for some 1800 students falls squarely on the shoulders of the Board of Education of the Forest Lake Area Schools and its executive, J. A. Hughes, superintendent of schools.

The present sprawling network has been the result of years of planning, and now, as new horizons open, additional changes being brought about by the student "bulge" are in the planning stage.

Without Their Services, FLHS Couldn't Operate

There are many facets to the operation of a school. Among these are the services required to make it function. Often unnoticed and unthanked are the bus drivers and the members of the kitchen and custodial staffs.

Special Events

1956 Homecoming royalty are: princesses Bev Anderson, Becky Arundel, Mary Ekblad, Queen Bernice White and princess Charlene Tolzmann.

1956 Home-coming

First, There Were the Queens . . .

"Gag the Dragons" was the cry as Forrest Lake went on to a Homecoming victory against Pine City with a score of 28-6.

Bernice White was crowned Homecoming Queen during the half by Bill Volkmann and John Skoglund. (Because of a tie in voting between co-captains Bill Volkmann and John Skoglund, both were "Mr. Football.")

All the students had the school spirit long before Homecoming. Teachers and students worked hard to get the school spirit back to the Alumni.

Pine City's Defeat, . . . and the Band Played on

After defeating Pine City, the team and spectators danced to the music of the "Fifth Hour Five" to put a climax to a beautiful day, a day never to be forgotten by the seniors of '57.

Halfback Bert Eugen demonstrates the winning ways which spurred the Rangers on to victory against Pine City's Dragons.

*"Why the
Chimes
Rang"*

*... We
Sang Carols
Too!*

Christmas festivities at FLHS began with caroling in the gym three days preceding Christmas vacation. The whole student body, with Mr. Hebl directing and Miss Beulke at the Hammond organ rented by the school for the Christmas activities, sang all the favorite carols such as "Silent Night" and "Joy to the World." The choir also went caroling through the main streets of Forest Lake.

Christmas at FLHS

"Why the Chimes Rang" was the play chosen for this year's traditional pageant which was presented to the PTA on December 20 and to the students on December 21. The pageant was directed by Mrs. Boben and Mr. Hebl.

This is the story of the cathedral's chimes that hadn't rung for many years. All the kings and wealthy people offered their riches to the Christchild hoping to make the chimes ring, but they rang only when a small boy offered his pennies, an act of true love and self sacrifice.

"Ramshackle Inn"

Highlight of their junior year for the class of '57 was the production of 'Ramshackle Inn', a three-act mystery-farce by George Batson.

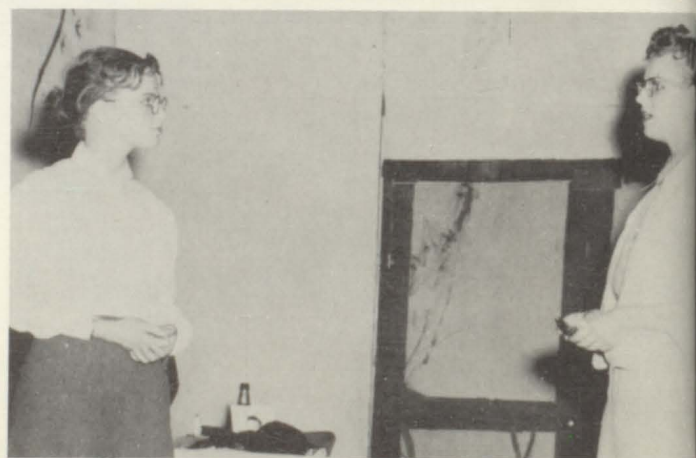

'Ramshackle Inn' was a tumble-down hotel with a still in the basement when Belinda Pryde, an ex-librarian from East Ipswich, and Commodore Towser, her boy friend of 20 years arrived to assume ownership.

In her efforts to uncover the liquor smuggling gang using her basement as headquarters she encounters considerable trouble. Mr. Patton, the smuggling janitor, doesn't like her and tries to "do her in."

Belinda isn't as dumb as she looks and acts, however, and at the end of the play she succeeds in capturing the whole gang and receives a \$5,000 reward for her trouble.

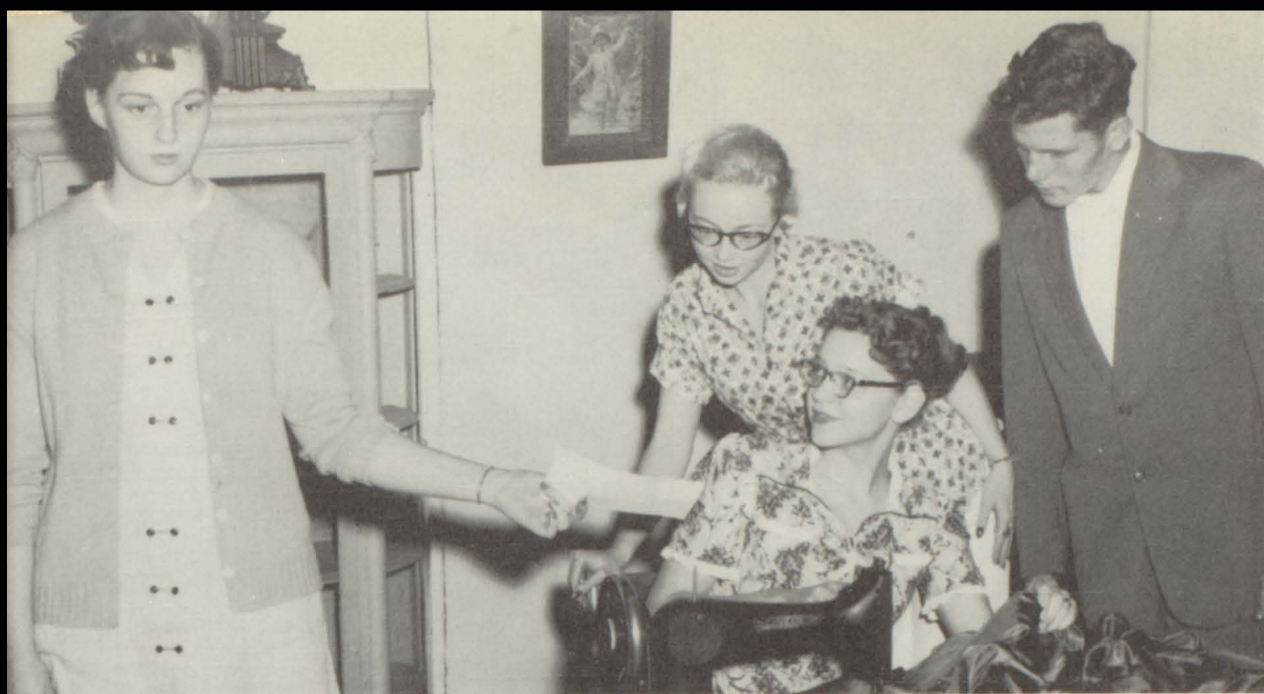

All in all, the play provided a lot of fun and laughs for everyone, audience, cast, and crew.

Yes and No

How many plays have you seen that have started the same way in all three acts? Unusual as it may seem, it was true of "Yes and No," the play presented by the Senior Class on November 9.

The action starts when the Jarrow family is paid a visit by Adrian Marsh who, they assume, is coming to propose to Jo.

In the first act he proposes to her and she says yes. In the second act he proposes to her and she says no. In the third act is told what really happened; Adrian proposed to Sally, Jo's sister, and the curtain came down on a love scene between Jo and Bags, who has been engaged to Sally throughout the play.

Children's Play

Under the direction of Mrs. Boben an all girl cast of Thespians presented "The Emperor's New Clothes" to Forest Lake youngsters.

Three performances were given; one on Thursday, March 7, and two on Friday, March 8, for the pre-schoolers and their parents.

Crowned King and Queen of Hearts at the 1957 Sweetheart Swirl were Ziggy Kauls and Marlys Marier.

Baseball

The Rangers ended a very successful season this year as District 25 champions. Much of the credit for this successful season can be given to pitcher Jerry Pepin, who hurled five one-hit games.

In the District finale Forest Lake took Hinckley 14-1 and in the final game of play beat Lindstrom 8-0. This entitled the Ranger team to travel to Hinckley where they participated in the Regional meet.

In the first game Forest Lake edged out Eveleth with a 1-0 score. In the final game they were beaten by Hibbing 7-1. The leading hitters of the season were Ron Dupre and Dean Weiss.

Trackman Gary Houle hurls the discus in a practice session.

The Ranger track squad, under the able coaching of Vic Hubal and Ken Hanson, won the first Region 7 title for a Ranger squad in twenty years. After being edged out in District 25 by one point the four qualifiers for the region tournament went to Colerane and pulled the Ranger sport surprise of the year as they walked away with the crown. The four-man relay team consisted of Ivars Kauls, John Skoglund, Bob Cronk, and Norm Grubbs. From there, Ivars Kauls went on to the state tournament and came out fourth in the 220 yard dash.

Fourth row: Mr. Paine, John Smith, Hermann Kauls, Cecil Rogers, Zig Kauls, Gale Berggren, Bob Cronk, Mr. Hanson.

Football

With comparatively few returning lettermen, the '56 Ranger football squad, headed by co-captains Bill Volkmann and John Skoglund, took on and were nipped 13-7 in the season's opener by the powerful St. Paul Park team that was destined to shut out every other team in the Little Six Conference.

For their second non-con tilt, the local eleven traveled to Chisago City and emerged on the long end of a 21-14 score.

The Homecoming contest found the team delighting all the students and grads as they overpowered Pine City 28-6.

A string of three away games was next for the Rangers and they lengthened their winning streak to four with victories over North Branch (26-6),

Rush City (31-7), and Moose Lake (25-6).

On October 22, Lindstrom-Center City and Forest Lake, both undefeated in conference play, met for the championship. The Bulldogs tallied early in the first quarter, but the Rangers were scoreless until the fourth when Trudeau threw a touchdown pass to Dean Weiss and tied the score. With about two minutes remaining, Trudeau again passed, this time to John Skoglund who made a left handed catch and sprinted over for the score, giving Forest Lake a 13-7 win and the East Central Conference crown.

As the finish to an almost perfect season, the Rangers routed Mahtomedi, 25-0, the following week.

Ranger Bert Evgen (23) scrambles with two Mahtomedi players for a loose ball as Ken Skoglund (33) races to his assistance.

Basketball

After losing last year's entire starting five, Coach Hal Haskins was faced with what seemed to be prospects of a rather bleak season.

The team immediately started developing its superior speed and displayed it prominently by winning its first three non-conference games.

As conference games began, the Rangers' inexperience started to show up when they were defeated by Rush City, Lindstrom, and Chisago City.

Twice Pine City, North Branch and Taylors fell victim to the Rangers, and the close of the regular season found Forest Lake with a 6-6 conference record.

In their first sub-district contest, the Rangers easily downed Taylors Falls, 73-59. The Bluejays led twice in the opening minutes, but the Rangers pulled away and held the lead to the final gun.

COACH HASKINS

The sub-district championship found Forest Lake meeting Chisago City. Although the Indians had defeated the Rangers twice in conference play, the local five went into the game to win and after Soderlind's opening set shot gave Chisago the first lead, the Haskinsmen literally ran away with the game to lead by 17 points at the first quarter. In spite of the Indians' fighting spirit, they could never get closer than seven points, and the Rangers triumphed, 59-45. The following week they took part in the district tourney at Pine City.

Co-captains John Skoglund and Butch Van Elsberg receive the Sub-District trophy from superintendent J. A. Hughes.

Representing Forest Lake on the All-Conference basketball team are Gary Van Elsberg and Bert Evgen.

"Hark, the Herald Angels Sing" came from the throats of nearly ninety choir students caroling in the main street of Forest Lake. Led by Mr. Harold Hebl, the choir has participated in many events this past year. Mr. Hebl directed a production of "Off the Records" for a festival of "pop" songs. The choir has also been represented at All-State Choir and MEA in the fall. Last year the choir received an "A" at District contest and went on to sing at the state. It again took part in District contest this spring. To end the year with solemnity, the choir sang at the baccalaureate and graduation exercises.

Busy days are spent by members of the FLHS BREEZE staff.

Janice Sahlin and Rick Pepin have done a very able job as this year's editors. The "Rustling Leaves" column, written each week by Judy Houle, is being done in a different way this year and has proved quite effective.

With Mr. Rafferty as advisor, the BREEZE again was rated by the National Scholastic Press Association.

Although it is a great deal of work getting the BREEZE off on time every week, the staff agrees it is very worthwhile, and they won't ever forget their experiences in it.

Work for the 1956-57 edition of the FORESTER began as soon as school did this fall with the appointing of committees for picture taking and subscription selling.

Every Wednesday and Thursday after school and many Saturdays you could find the editors and Mr. Rafferty (our guiding light) hard at work, taking or developing pictures, counting sales, writing copy, setting up dummy pages, preparing copy for print, and hoping to meet the publisher's deadlines. The staff truly hopes you will enjoy and treasure this, your 1956-57 FORESTER.

Concert

MR. NELSON, *band director*

Under the wise, constructive leadership and direction of Mr. Rollin Nelson, our band is a very active school organization.

We need not worry about not having the band at pepfests, programs, games, and parades—for “Que Sera, Sera, Whatever Will Be Will Be.” And the band will be where it is needed. Whether the weather is cold or hot, icy, rainy, or fair the band is present to add their touch to the festivities.

During summer months the band marches in parades on the Fourth of July and Memorial Day and in many other parades in neighboring towns. Summer concerts are also given. While school is in session, the band plays for all pepfests, basketball and football games, the Christmas program, and finally Graduation.

A big project of the entire seventy piece band is the contest number. Last year our band received “A” at state, which served as a pleasant reward for the months of practice put in by the band members.

Scholarship

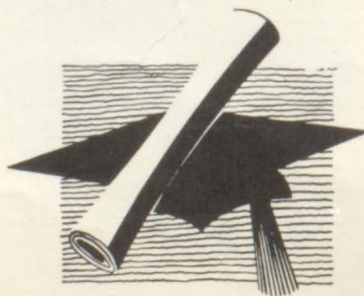

Scholarship is an important part of school life at FLHS. Each year, when senior class standings have been tallied, a list of the top ten is published. This year's list was headed by Anne Goiffon as valedictorian and Joan Schatz as salutatorian.

Placement on the top ten is figured from the student's grades for the sophomore, junior and first half of the senior year.

Summary of '56-'57

Swan-
berg,
ndrey
quist,
Case,

Surprised by the band members on his tenth anniversary at FLHS, Mr. Nelson expertly slices the cake.

School Life . . .

A big send-off pepfest must have been effective, for the team went on to overpower Moose Lake, 25-6.

"May I see your pass," says Judy Reiter to Connie Frandle.
