## FOREWORD

I

In these days, television and newspapers are constantly asking us to "live modern," through advertising and other persuasive tactics. By using geometric figures, blocks, and abstract arrangements, the '58 FORESTER is carrying out the theme of modernism, which is a keynote in secondary schools these days. Today's schools are constantly being pressured into setting the pace. Our school often sets the pace, sometimes lags behind, but there is no doubt that it has an individualness, a certain quality all its own that sets it apart for its students.

It is this personal, comfortable uniqueness that we have tried to present in the '58 FORESTER.

THE EDITORS

"Deane" wishes a lot of fun this year and a good time together. Best wishes to a real swell crew. Jim is here, be good. See you in summer.

Deane, Lots of love to you and your kid. Hope to see you this summer. Best W.

We wish to thank all those who helped make this issue of the FORESTER possible. An especial word of appreciation should go to the merchants and businessmen of Forest Lake and the surrounding area for their support, without which there would have been no book, and to the David Bank Photographic Studios in Minneapolis, who supplied us with many pictures free of charge.

Deane, a sweet girl, one who loves to read and write. You may be a great help to me. I am always there for you.

## DEDICATION

The class of 1958 humbly dedicates its FORESTER to Mr. Edmund Grund, our class advisor, who has helped us through our many "senior" problems . . . who knows every senior by name and plays no favorites . . . who never gets really mad . . . even when we're very trying . . . whose sense of humor is unsurpassed . . . who always knows when to let us "fool around" . . . and when to make us settle down.

## SUPERINTENDENT, J. A. HUGHES

These men have spent many long hours planning and working to make the Forest Lake school system a good one. Many people never stop to think just how much work goes into a job such as this. In the case of the Board of Education, these men have other jobs but serve in this capacity as an extra part of their daily work.

# FALL

A "Yea, team!" from a brightly lighted football field, farmers and merchants eating turkey on a windy day, the gymnasium open late at night while play practice goes on, the sound of a band, maroon and gold crepe paper, students gazing longingly out of windows at the last warm days for awhile.

Pictures of pumpkins and cornstalks in grade school windows, students studying hard for their first six-week's tests, classes busy decorating floats in the agriculture building, the bright gold maple trees outside the old high school building, students dancing in the cafeteria on Halloween night.

Yes—it's fall.

Don Worth "scratching the cats" on the Seniors' second-prize winning float in the Homecoming parade.

Forest Lake versus St. Michael's in the last football game of the season.

# FOOTBALL — '57

On the gloomy afternoon of November 1, Forest Lake's eleven met their match in a big, rugged Minneapolis Southwest squad. With the winning touchdown play being called back in the final seconds, down the drain went the Rangers' dreams of a high state rating and an unbeaten record of an unprecedented schedule of nine games.

With a nucleus of last year's conference champs back, Coach Hanson whipped them into shape early and they showed their promise with a 33-7 pasting of the highly-regarded St. Paul Park eleven.

Following this they nosed out a big Chisago City squad 14-7. Really knuckling down to business after this scare the Rangers started conference play. They overpowered North Branch 23-6 and delighted the old grads as they "Scratched the Cats" with a Homecoming victory over Rush City's Tigers, 20-0.

Moose Lake and Lindstrom-Center City were dashed into the turf of Ranger Field by scores of 42-6 and 47-7, setting the stage for the final battle at Pine City, at which the Dragons were crushed 42-14, giving FL another conference championship.

The next game was the fateful invasion of Southwest. Going down like champions, the Maroon and Gold fought back with 27 points featuring Evgen's 99 yard return of a kick-off in the second quarter to take the lead. But the home team pounded back and scraped by, 31-27.

In the finale, the Rangers toyed listlessly with St. Michael, winning 27-13, to put the thirty mark on a spectacular season.

Halfback Bert Evgen smashes through the towering enemy line with a block from Bob Cronk in the second period of the Southwest contest that shattered FL's 14 game win streak.

Quarterback Jim Trudeau races for a good gain in the Homecoming game.

Ignoring the gaping hole made by Ken Skoglund's (33) block, fullback Bob Cronk (with circled ball) plows three Rush City defenders over the goal line with him to score six of FL's 20 point total in the Homecoming tilt.

# HOMECOMING AT FLHS

Homecoming 1957 at FLHS had the traditionally colorful events associated with it.

The afternoon parade coupled a beautiful fall day with interesting floats to produce a very entertaining spectacle. The seventh grade captured first place in the float division with this year's Senior class (who had taken first place every year since 1953) coming in a close second.

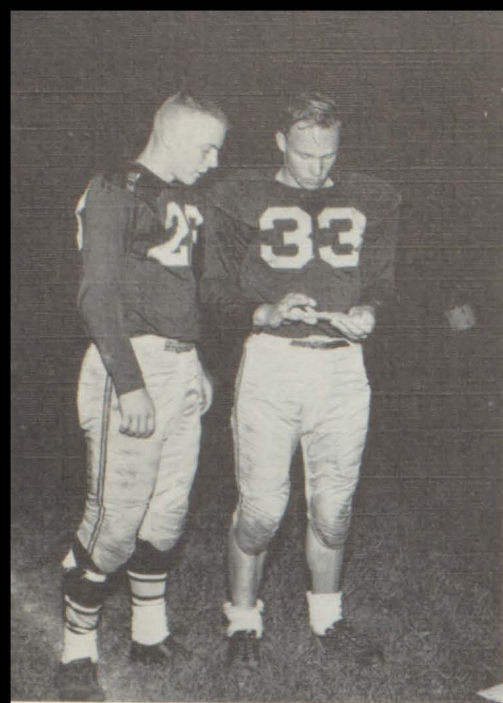

The evening's typically exciting football game found the Rangers, led by Co-captains Evgen and Skoglund, powering their way to a 20-0 victory over Rush City.

Following the game, the annual Homecoming dance took place in the FLHS cafeteria with music supplied by the Tom Lynch Combo.

With the band assembled and ready to provide background music, Sue Pepin leads cheers at the pepfest following the annual Homecoming parade.

## REWARD!

# "OUR TOWN"

"A very impressive and thought-provoking presentation" well describes Thornton Wilder's "Our Town" staged by the senior class on November 6, 7, and 8.

Using an almost bare stage, the audience was led through the lives of two families, witnessing the hopes and dreams of all of them, the young love of two of them, and of some of them, death.

In some ways they were shown the frustration and futility of life, but in the third act the audience saw the things that have real value in life. They observed the eternal understanding and sense of fulfillment which the dead awaited.

The Stage Manager, taking the part of the town's preacher, watches solemnly during Emily and George's marriage as he foresees its sorrowful end with the death of Emily in a few years.

# ACTIVITIES

Outside activities interest many students and help make school more enjoyable. There are organizations that should interest every student, whether he enjoys blowing a horn, or singing, selling popcorn, setting up a PA system, learning better home and farm methods, writing, acting, bowling after school, or cheering for the home team.

## CONCERT

One of the most energetic organizations at Forest Lake High School is the Forest Lake High School Band under the direction of Mr. Rollin Nelson. Their maroon and gold uniforms have been a familiar and enjoyable sight at programs and festivities during the year. Whether it be basketball or football games, homecoming or graduation, they always have a part in it. Besides concerts during the year, the band played for the ceremonies at the opening of Highway 67. Even during the summer they are busy playing concerts and marching in the Fourth of July and Memorial Day parades.

First row, left to right: Mary Ellen Hapka, Pat Schatz, Joanne Stanek, Nancy Nygren. The Fall Festival, the joint F.F.A.-F.H.A. parties, the trip to Kansas City, lending a hand to a member in need, the public speaking contest and parliamentary procedure competition, the annual F.F.A. banquet where yearly awards are given, and the state F.F.A. convention in May.

Perhaps the busiest organization in school is the Forest Lake Future Farmers of America. Their activities run throughout the year, helping mold the farmers of tomorrow. The local chapter has received both state and national recognition during its twenty-two years of existence.

Forest Lake High's rather large F.H.A. chapter, under the supervision of home economics teachers, Mrs. Klinkerfues and Mrs. Gerths, has undertaken such projects as serving a foreign foods dinner and sewing red F.H.A. jackets for each member.

Meetings are held after school, after which dinner is served in the home ec kitchen.

Highlight of the year is their annual banquet held in the spring.

# F.H.A.

# BREEZE

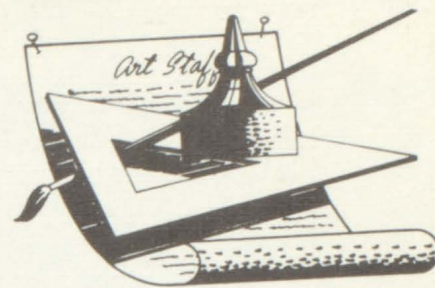

Last year's BREEZE editors, Janice Sahlin and Rick Pepin, head the paper again this year with the help of Mary Lynn Martz, who fills the new post of Assistant Editor. Lay-out, headline writing, story assignments and rewriting are the jobs of the editors, with the help of Advisor Mr. Rafferty.

Popular portion of the weekly paper are the "Rustling Leaves" column and Mary Lynn's cartoons and drawings.

Included in the picture are: Darlene Simmons, Alice Sandberg, Carol Anderson, Kay Fuglie, Kay Hallberg, Judy Brine, Janice Sahlin, Mary Lynn Martz, Bonnie Sovia, Marlys Marier, Gail Anderson, Karen Stokes, Judy Houle, Marilee Cohoes, Ginny Dupont, Mary Lou Dupre, Jim Stanek, John Smith, Rick Pepin, and Sharon Anderson.

# FORESTER

Working hard to meet publishing deadlines, this year's editors Judy Houle, Marilee Cohoes, and John Smith spent long hours laying out pages, writing and typing copy, selecting pictures to be used, and copy reading.

With a new type of lay-out and a different type of cover, this year's book made a departure from former FLHS annuals. The staff hopes that you enjoy the 1958 FORESTER.

## STUDENT COUNCIL

The Student Council of FLHS, under the direction of Mr. Manley, is a governing body which provides a forum for the expression of student opinion. It is represented by 13 students from grades 7-12, who are elected by their fellow-students, to participate in all matters which are of concern to our entire school. Some of their activities are: assisting with homecoming festivities, acting as guides for social functions, promoting general charity fund drives, coat-checking at home basketball games, showing of the movie "The Living Desert" for the student body. Probably their biggest project of the year is the presenting of the "Minnesota Teenage Code" to the student body and the P.T.A.

Under the instruction of its new director, Mr. Russell Rose, the choir this year learned breathing techniques and spent part of each rehearsal on developing breath support and resonance.

One of the high spots of the choir's year was their concert as part of Wilson High School's Christmas program at Wilson just before the holiday season began. After being treated to a lunch by their hosts, the choir returned to Forest Lake in time to participate in our own Christmas program that afternoon.

The girls in this organization, along with the cheerleaders, help to keep school enthusiasm high when the going gets rough for the football and basketball teams.

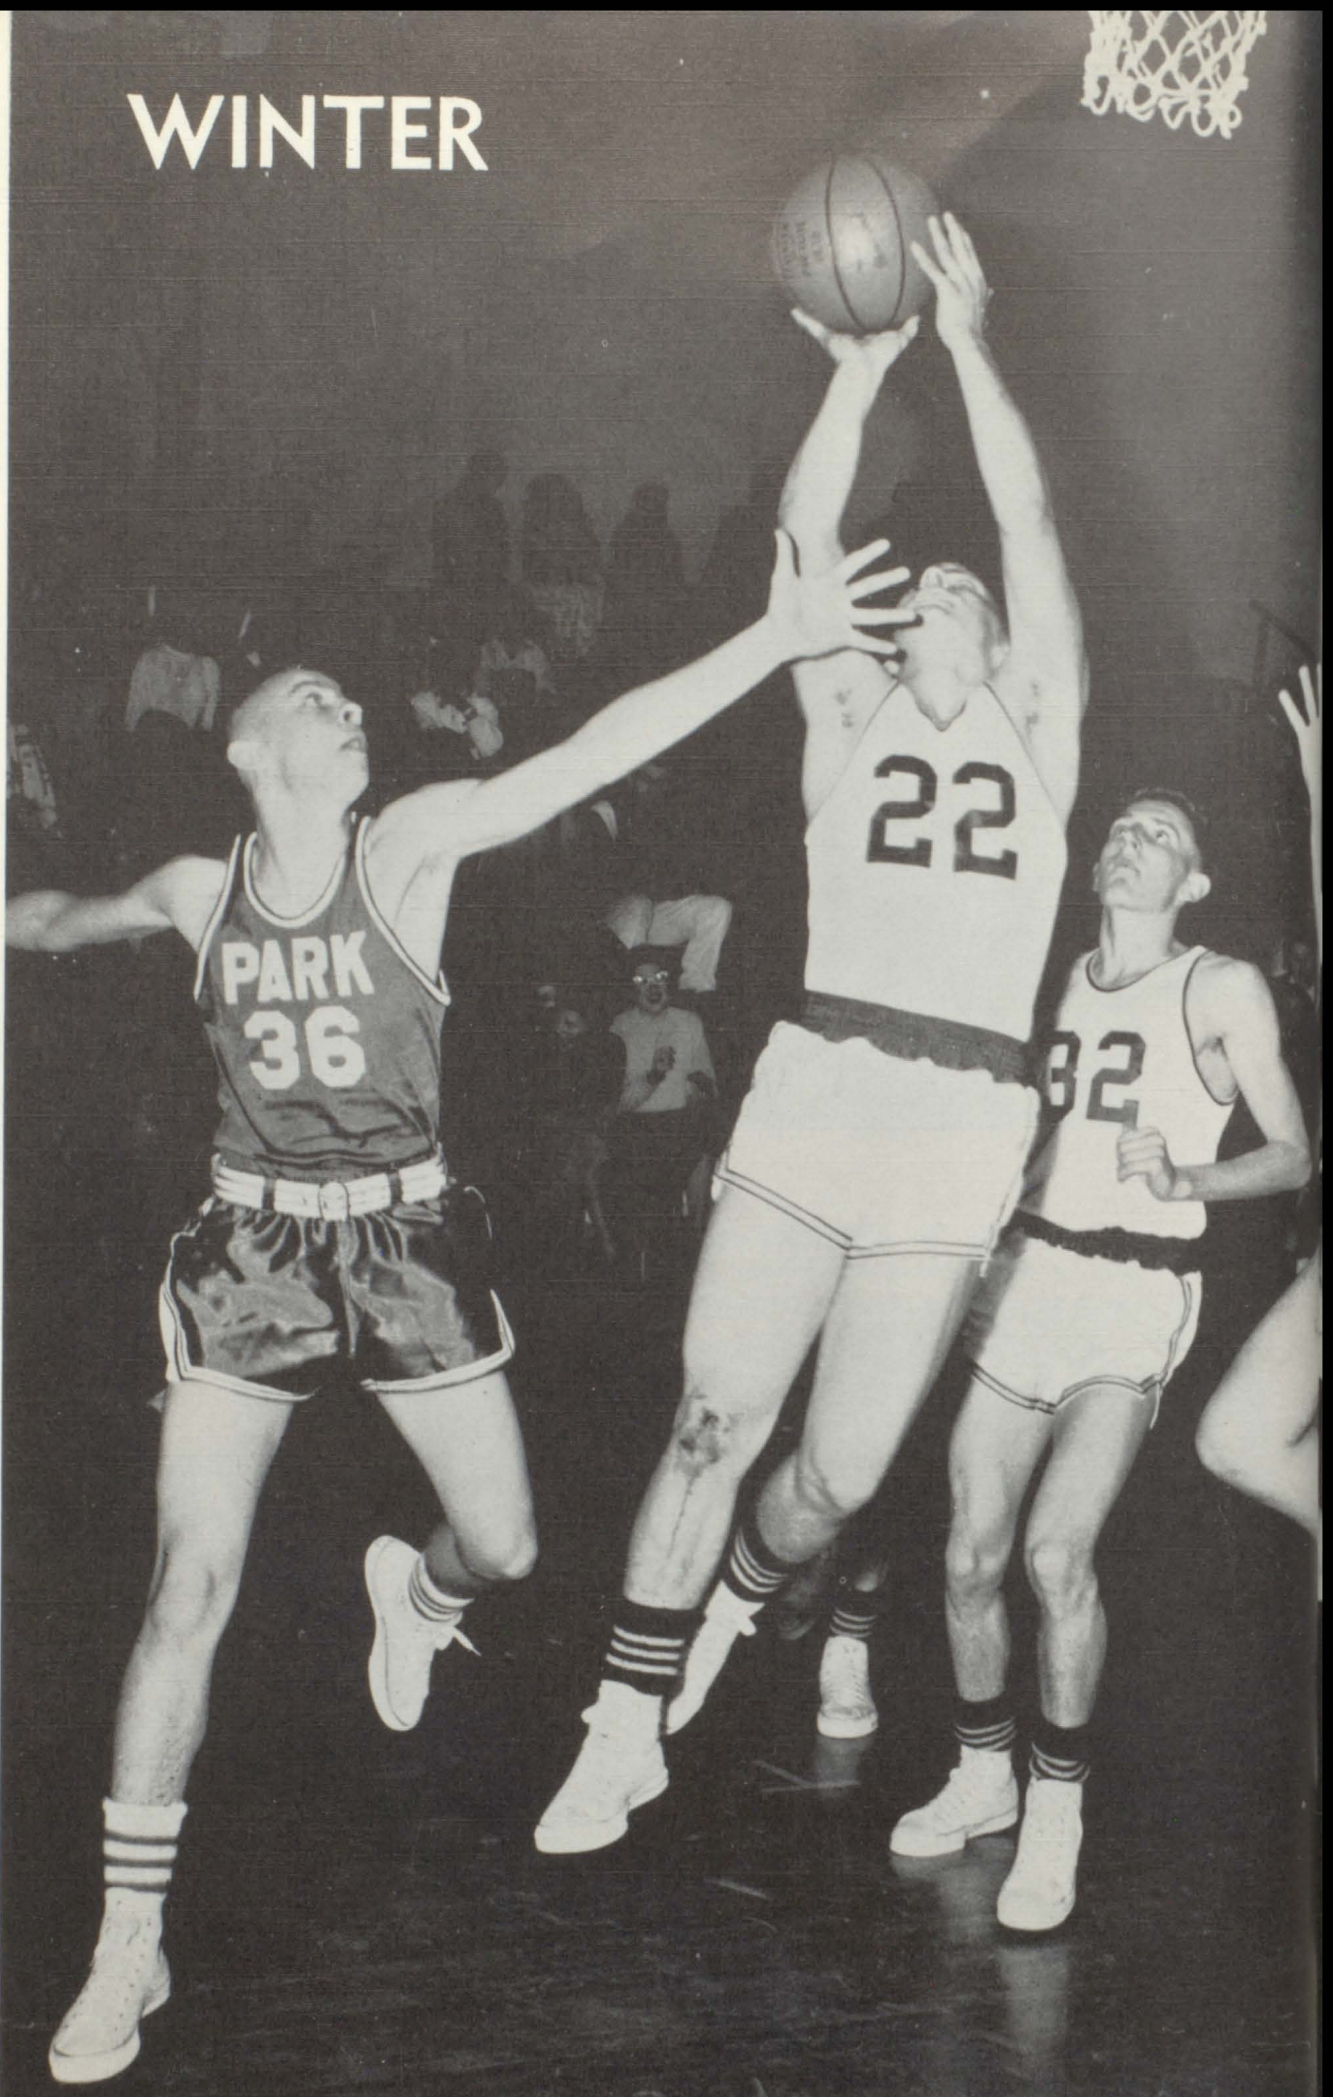

They meet on Wednesdays to learn new cheers and work out the rough spots on the old ones. This year the club has an official emblem. Besides letting the team members know that they are behind them 100 per cent, the emblem also distinguishes the Pep Club for the other fans.

# WINTER

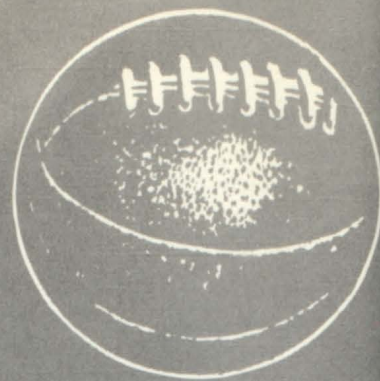

# BASKETBALL, '57-'58

Forest Lake's young basketball squad, with only three seniors in the top twelve, could not find the consistency they needed and were beaten in the semi-finals of the sub-district tourney.

Losing five games by a total of only 10 points, the Rangers finished with a 12-7 season's record. Their record of 8-4 was good enough to give them third place in the South Conference of District 25 standings.

They opened the season with two impressive wins and a rough loss to St. Paul Wilson, 54-52. In the first conference game, the locals romped over a highly regarded Rush City quint 75-50.

Unable to get a streak rolling, the Maroon and Gold dropped one over Christmas, won two, were upset by Chicago, won two, lost two, won four, and lost the conference finale to North Branch, conference champs, 67-64.

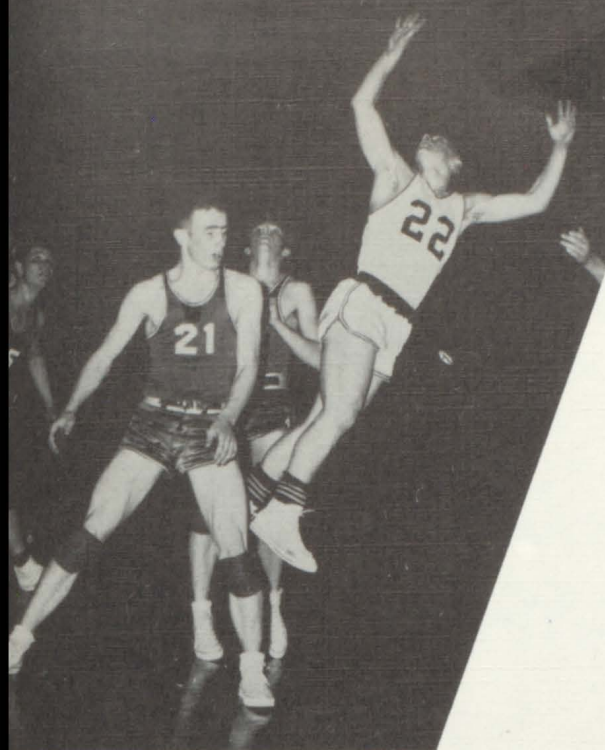

In the opening round of the sub-district, the Rangers drew a bye and got Taylors Falls, who they had beaten soundly twice before, in the semi-finals. As was the case many times throughout the state, the underdogs rising to the occasion coupled with the favorites playing poorly resulted in the Rangers being unceremoniously dumped 58-57.

Front row, left to right: Paul Rassmussen, Zig Kauls, Gene Case, Bert Evgen, Gale Berggren, Greg Pepin, Back row: Coach Engelhart, Don Zak, Juris Kauls, Art Berglund, Bob Jasinski, Gerry Karl, Ken Skoglund, Gerry Hasselbauer, Dave Ekblad. (Not pictured are Rick Pepin and Herm Kauls.)

## ... ACTION

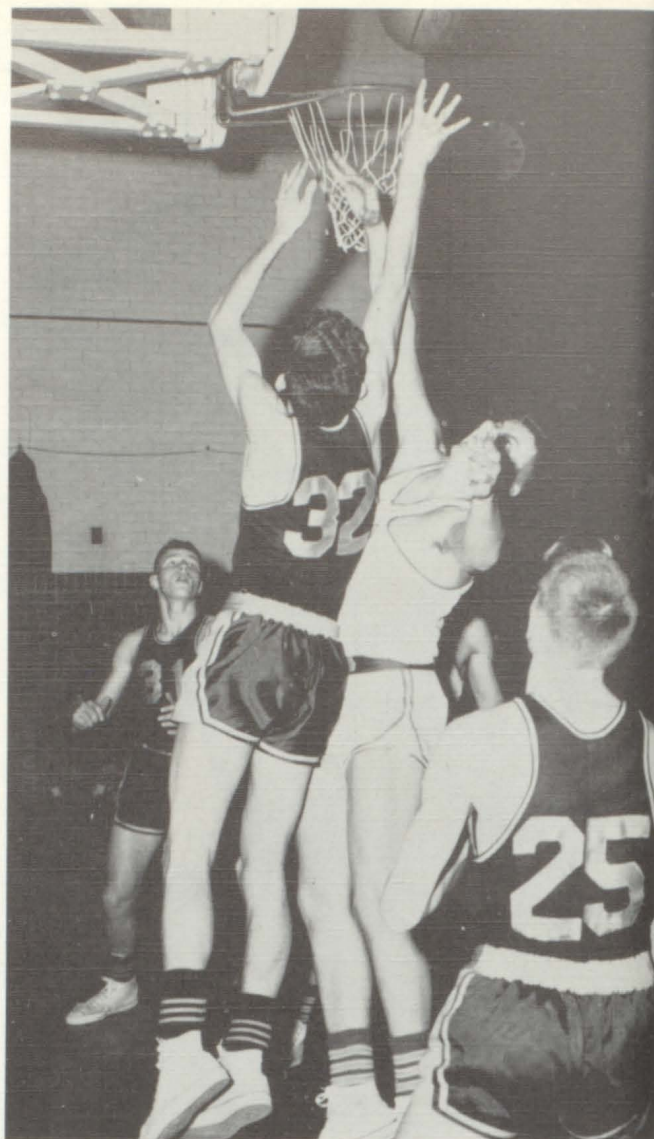

Zig Kauls seems to be hanging in mid-air as he puts in a back-handed layup against Mechanic Arts. The Saint Paul team edged the Rangers 65-60 in this early season thriller.

Gale Berggren scrambles with four Lindstrom Bulldogs for possession of the ball.

Way up goes Ranger center Gene Case as he dunks one against Rush City.

Under the guidance of John Schumacher, the '57-'58 "B" squad had one of its most successful seasons as it romped to a 17-1 record.

Completely dominating all conference competition, the team ran up a 12-0 slate. Their only non-conference defeat was a 35-33 overtime decision to St. Paul Wilson in the third game of the season.

Leading scorers for the season were Juris Kauls (who was brought up to the "A" squad the last part of the season and started the last game) and Billy Morehead. Other starters were Jack Lightfoot, Ken Anderson, and Mike Trepanier.

## "B" TEAM

Completing the roster were Dave Stankiewicz, Mike Casey, Dick Kunshier, Warren Kunshier, Gary Zak, Chris Matlon, Dick Cohoes, Milo Shoberg, Bob Schlaeger, Rudy Olson, and Bernie Preiher.

# UNDERCLASSMEN

Underclassmen are the most important part of the student body, and are responsible for keeping the school functioning, sometimes smoothly, sometimes otherwise. On these students rests the responsibility for establishing a class reputation, breaking records established by former classes, and forming new policies which will smooth things for up-coming classes.

Pitcher Jim Trudeau warms up before the game.

Definitely the school's busiest time of year, spring brings the prom, baseball, music contests, Junior Class Play, speech contests, Career Day, elections, banquets, final exams, the awards program, and sun-filled days.

Spring fever, the bane of teachers, mounts steadily until Commencement, the climax of the school year, brings summer and three long months of work and/or rest for students and faculty.

# SPRING

A typical April day in mid-February brings Evelyn Olson, Diane Thurnbeck, Mark Swenson, and Inez Morehead out to enjoy the sun.

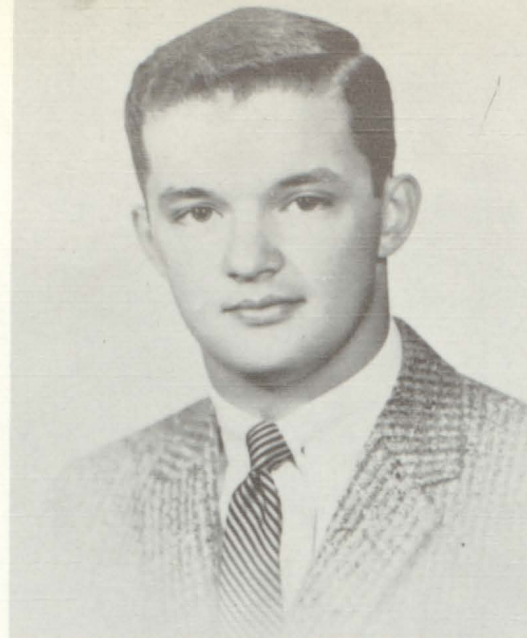

Breeze editor Janice Sahlin interviews recently chosen Boys' and Girls' State representatives Ziggy Kauls and Darline Simmons. Standing behind them are alternates Dick Rudin and Mavis Steltzner.

## BASEBALL — '57

Coach Hal Haskins' baseball Rangers finished their conference slate with a 5-1 record. This put them in a three way tie for first place and the two berths in the District 25 tourney at Hinckley.

Lindstrom, Center City won their first with a flip of the coin and Pine City grabbed the other spot by sneaking past the Rangers 3-2 in 10 innings.

With eight lettermen returning, the squad's chances for this season look pretty bright. These returning are: Bert Evgen, Greg Pepin, Terry Heim, Zig Kauls, Dave Ekblad, Jim Heisler, Gene Sternberg and Jim Trudeau.

Terry Heim tags Jim Trudeau as he slides in, while Bert Evgen looks on.

*Front row: Gregg Pepin, John Skoglund, Joe Trepanier, Dean Weiss, Jerry Solem, Terry Heim, Jim Heisler, Ted Olson.  
Second row: Coach Hal Haskins, Leon Erickson, Bert Evgen, Jim Trudeau, Dave Ekblad, Gene Sternberg, Glenn Larson, Zigg Kauls, Bob Moorhead.*

## ... ANOTHER SPRING SPORT

Forest Lake's relay team, Region VII champions crouch at the starting line while coach Vic Hubal looks on. From left to right, the boys are: Ken Skoglund, Bob Cronk, Norm Grubbs, and John Skoglund.

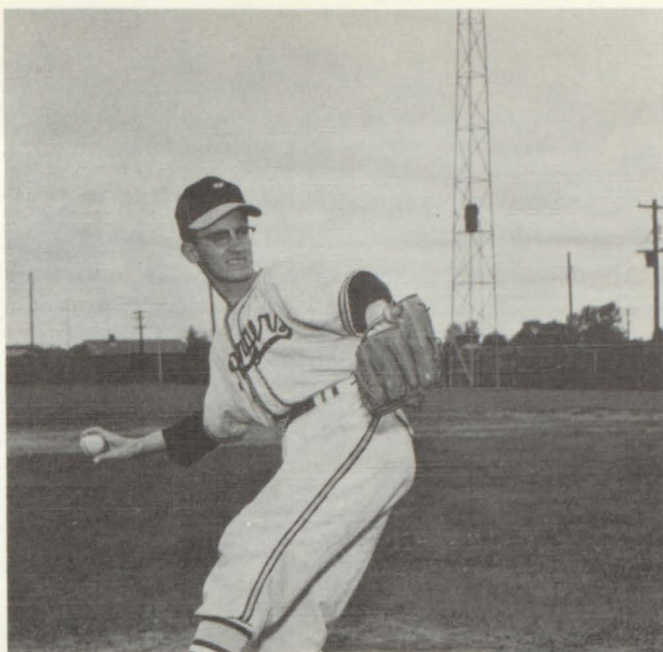

The FLHS thinclads had a case of "second place-itis" last spring in the big year-end meet after compiling a final record on the season.

In the District 25 meet the Rangers were edged by Pine City by one-half point, but they qualified six members for the Region VII meet in Hibbing. They were: Gary Houle, discus; Gale Berggren, hurdles; John Skoglund, 220 and 100 yard dashes; Ken Skoglund, 440 yard dash; and Bob Cronk and Norm Grubbs, who with the latter two made up the 880 yard relay team. Although losing again to Hibbing by one and one-half points, John Skoglund and the relay team qualified for the state by virtue of first-place finishes.

*First row, left to right: John Skoglund, Harold Carr, Bob Morehouse, Dave LeVesseur, LeRoy Osterbauer, David Stankiewicz, Juris Kauls, Second row: Cecil Rogers, Gordy Schmuck, Norm Laschinger, Gene Leroux, Norm Grubbs, Hugh Hehner, and Ken Skoglund, Third row: Coach Vic Hubal, Gary Houle, Gale Berggren, Herman Kauls, Mark Swenson, Bob Cronk, and Zig Kauls.*

## ... SPRING CANDIDS

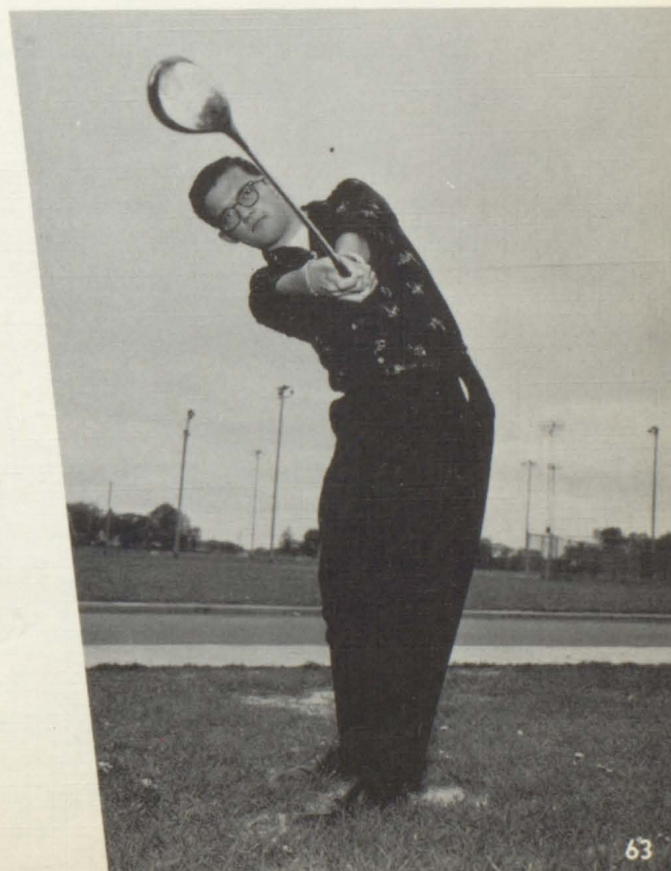

Jim Trudeau leers toward the plate as he fires his fast ball.

Rick Pepin, Regional qualifier from Forest Lake, loosens up prior to his forth-coming match.

Gale Berggren, one of Forest Lake's hurdlers, clears a high hurdle with ease during practice.

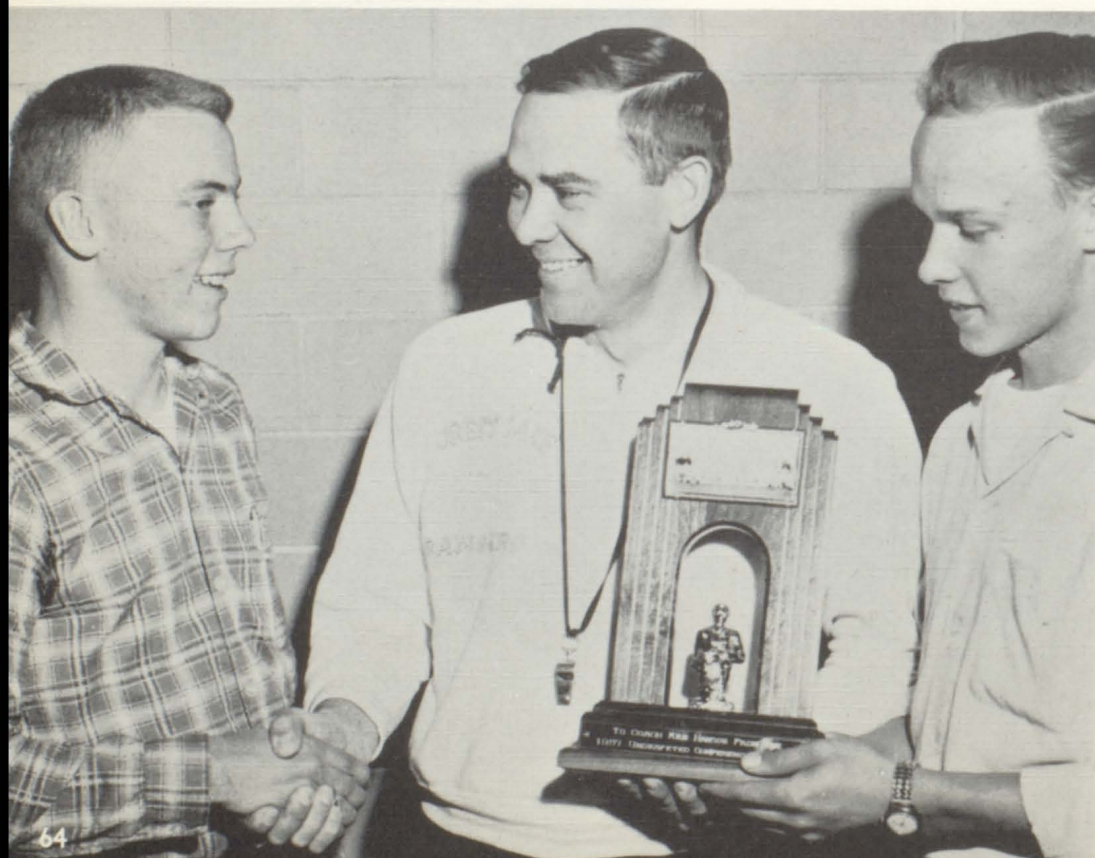

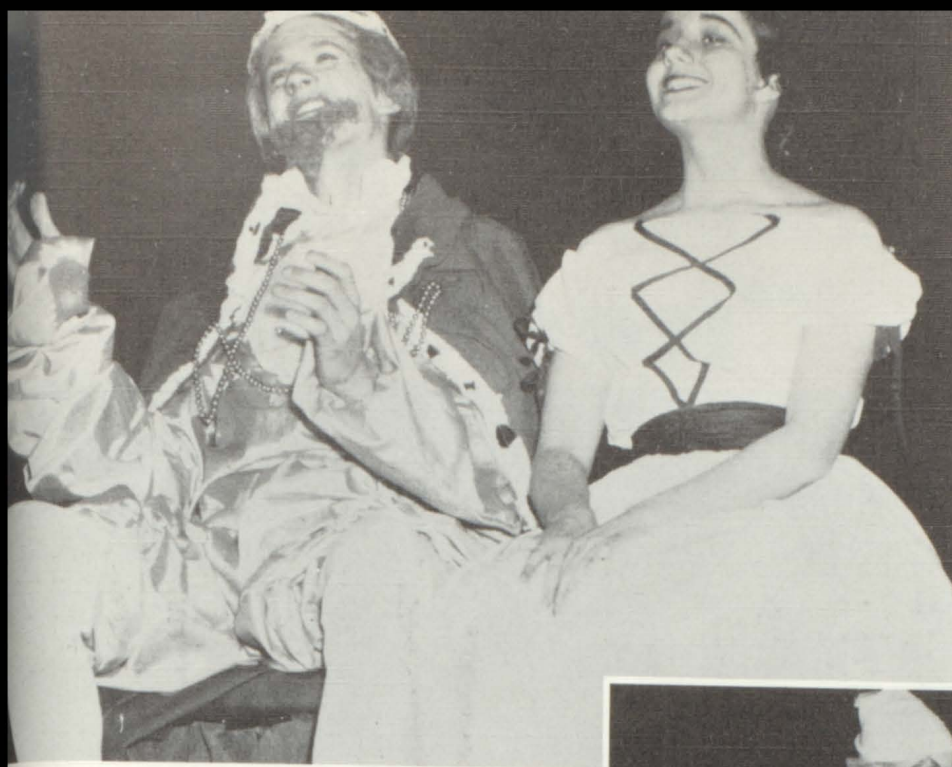

Attention is focused on President John Smith as a meeting is called to order.

## LETTERMEN

Coach Ken Hanson proudly receives a trophy presented him by the '57 football squad in appreciation of his leading the Rangers to their second straight East Central Conference title. Making the presentation are co-captains Bert Evgen and Ken Skoglund.

## SENIORS

One of the nicest things about being a senior is the feeling of excitement and wonder inside him as he tries to guess what the future holds. The high school senior enjoys a peculiar and enviable position all his own . . . one in which he is not yet dependent upon himself for support, he has a wide circle of acquaintances, few regrets, and everything to look forward to.

## ADVERTISING

The following places of business are well known in Forest Lake. Their great variety serves most of our needs. No longer are they the general stores of bygone days, but modern businesses offering name brand products and skilled services to an ever-expanding community. These are the same businessmen who have given very tangible support to your FORESTER.
