

Forester 1965

FOREWORD

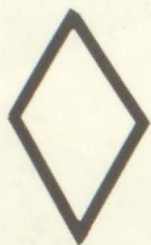

This year the world has seen a change in several of the world powers. Khrushchev was removed from power; Harold Wilson of the Labor Party became Prime Minister of England; and Johnson and Humphrey won the presidential election in the United States. Another change has seen the Red Chinese emerge as a nuclear power. In Rome, the Ecumenical Council has met with the purpose of creating friendship between world religions. This past summer has seen the World's Fair in New York City. And last fall, in Tokyo, Japan, the Olympics were held, with the United States capturing thirty-six out of a possible one hundred sixty-three gold medals.

On the national scene, the Yankees were finally defeated by the St. Louis Cardinals in the World Series. This past fall, Dora, Esther, Hilda, and Isbell, four major hurricanes, hit the southeastern part of the United States, leaving people homeless and causing severe damage along the coastal area. Martin Luther King, Jr., in his efforts to promote peace, became the first Negro in history to win a Nobel Prize.

At home, Uncle Sam called Tony Oliva, who this year took the batting crown, and became rookie of the year in the American League. Hubert Humphrey was chosen as Vice-Presidential candidate by President Johnson and later became Vice-President of the United States.

Locally, the new junior high has begun to rise from a sketch on papers to a modern school building.

Mr. Hughes, the only son of Reverend and Mrs. John A. Hughes, was born on March 8, 1898, in Newcastle-on-Tyne, England. At the age of twelve, Mr. Hughes, his sister Gwen, and his mother came to Grand Meadow, Minnesota, to meet Reverend Hughes, who had arrived a year earlier. Mr. Hughes lived in Grand Meadow until he was graduated from Grand Meadow High School in 1915. Attending Carleton College, he majored in biology, participated in debate and football, and was graduated in 1919.

His teaching positions have been many. He taught biology at Tracey, Minnesota, Carleton College, and Shattuck Military Academy in Faribault. On July 22, 1922, he married Helen Allison Hutchings. The couple moved to Willow Lake, South Dakota, where he taught, coached football, and was superintendent. In 1925, following his superintendency at Russell, Minnesota, Mr. and Mrs. Hughes moved to Red Lake Falls, Minnesota, where Mr. Hughes taught English and chemistry and was once again superintendent. His numerous activities at Red Lake Falls also included coaching football, debate, speech, and school plays. In 1929, their only child Jean was born. After attending summer classes at the University of Minnesota, Mr. Hughes received his Master of Arts degree in 1940. Ten years later, he came to Forest Lake High School as superintendent.

Mr. Hughes civic activities have been numerous: president and vice-president of the Lion's Club; Past Commander, State Orator, and Chaplain of the Masons; Past Commander of the American Legion; member of the Chamber of Commerce; member of the Washington County Draft Board; and past chairman of a committee branching from the Minnesota State Board of Education. Many people consider him to be the brightest and best informed superintendent in public education in Minnesota.

His services as teacher, administrator, and public servant have shown all of us that this is a man who has devoted a lifetime to making this a better world in which tomorrow's youth may grapple with life's incessant problems.

One of Mr. Hughes's more pleasant duties was breaking ground for the new addition to the high school in 1960.

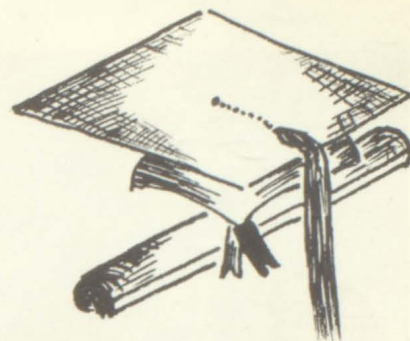

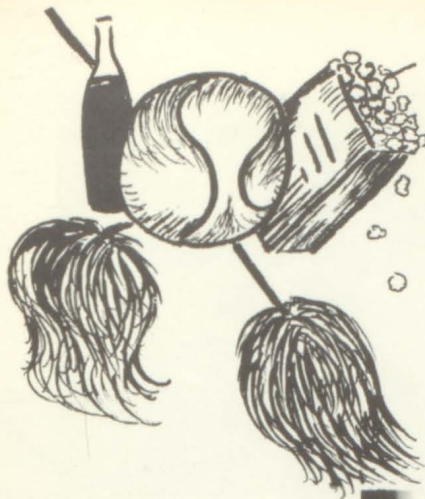

Mr. Hughes studies blueprints of the new junior high.

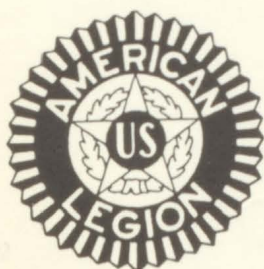

Much of Mr. Hughes's time is spent in his office coping with the problems of the school district.

Mr. Hughes presides over all board meetings.

ACADEMIC

Susan Lane studies slides of bacteria and viruses in reference to the chemistry of the cell as part of her biology course.

SCIENCE

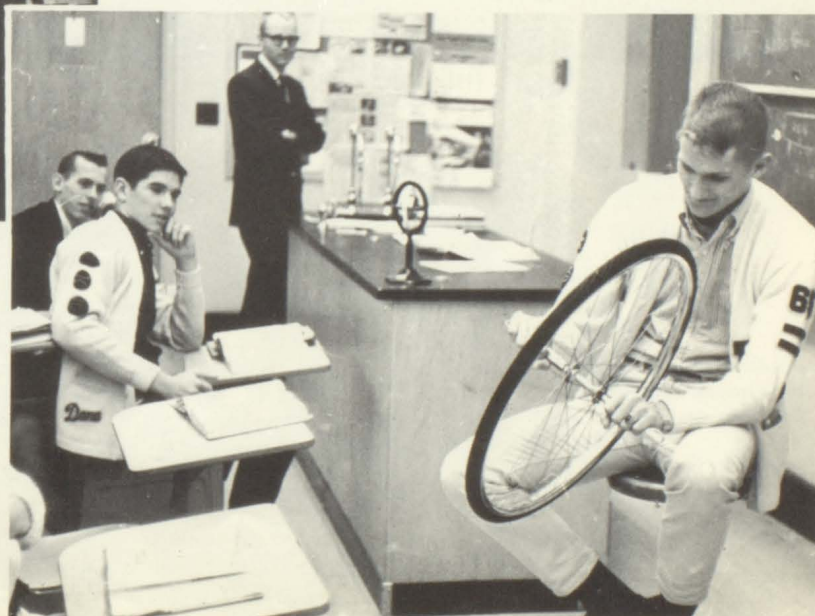

"Don't tell Mr. Nyman, Lois, but let's mix some carbon tetrachloride with sulfuric acid and see what we can come up with."

The new health science classes study the human body, hygiene, and safety.

Claudia Lee and Gerald Matheson are testing to see whether it is an acid anhydride or a basic anhydride.

"I can't wait to try this with my bicycle."

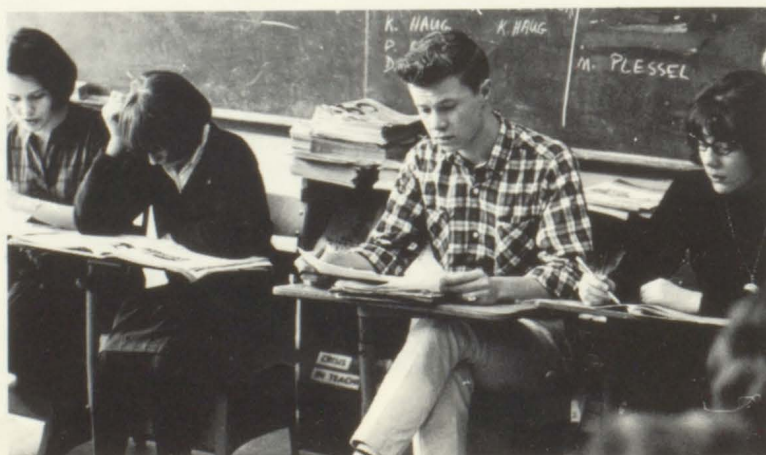

The bookmobile was a main attraction for students during American Education Week in November.

ENGLISH, LANGUAGES AND SPEECH

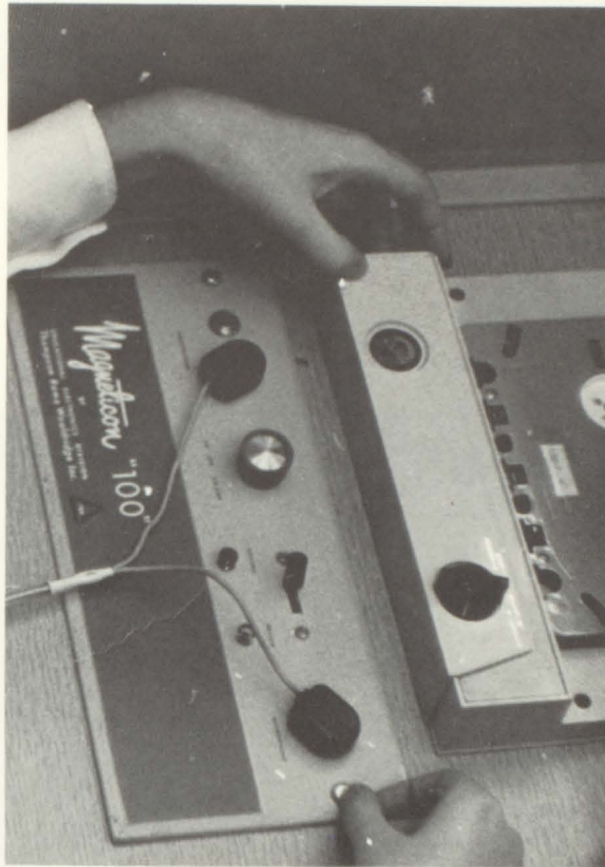

The library is frequently crowded with students doing assignments from their English, speech, and history classes.

Speech students go over last minute notes before the discussion is started.

Language lab control panel.

Brad Picotte practices the drills and dialogues during a session in the lab.

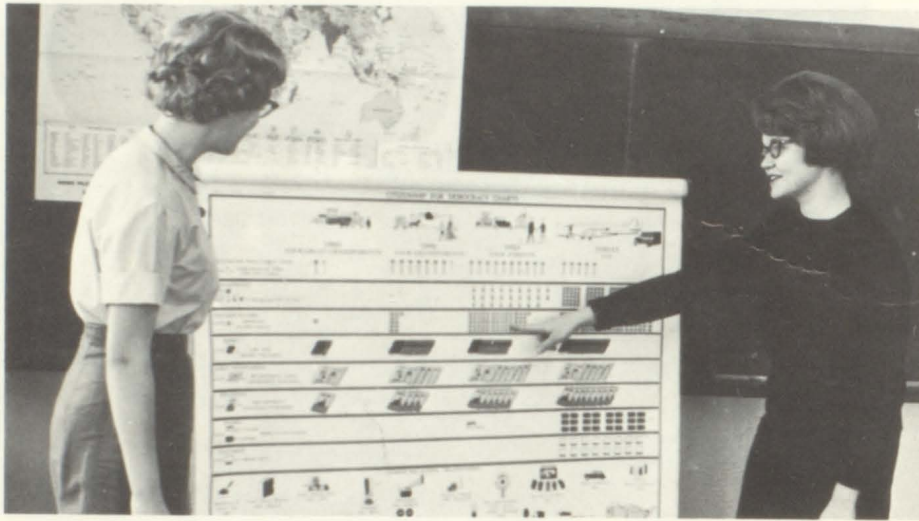

The colors blue, red, and white are proudly displayed by Lillie Hanke, Bunny Behrens, and Pat Boehm in front of the French cafe located in Mr. Welshons' room.

HISTORY AND GOVERNMENT

Kathy Pepin and Joan Hauble examine the political posters from the 1964 campaign.

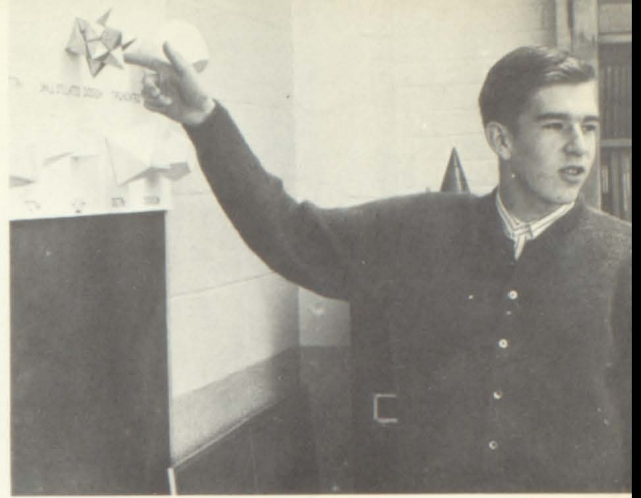

Democracy charts are studied diligently by Nancy Heller and Joan Karsky.

Mayor Jere Noreen speaks to the social science classes about the levels of government and their functions.

MATHEMATICS

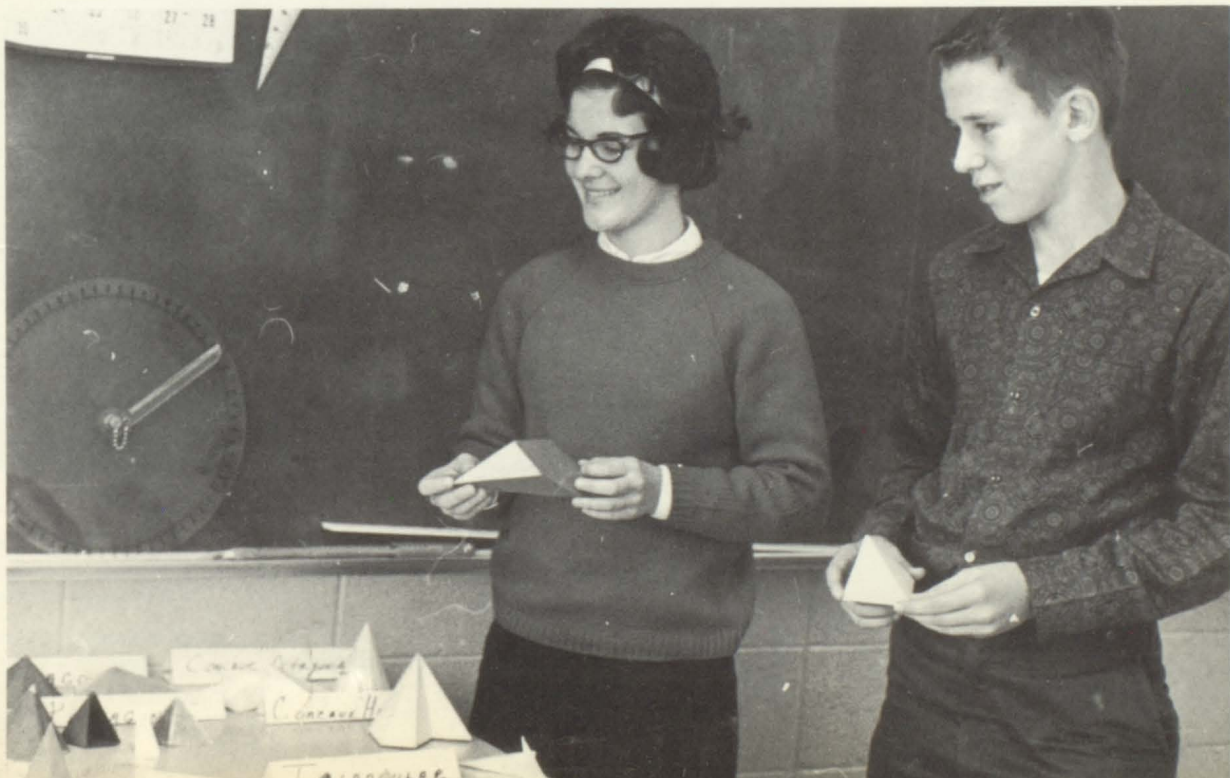

Greg Boehm looks at the small stellated dodecahedron during his solid-trigonometry class.

The algebra class studies the basic fundamentals which will help them in working out formulas and equations.

Penny Yale and Bernard Larson display the pyramid models which were made by the plane geometry classes.

HOME ECONOMICS

Accurate measurements assure good results in home ec. cooking classes.

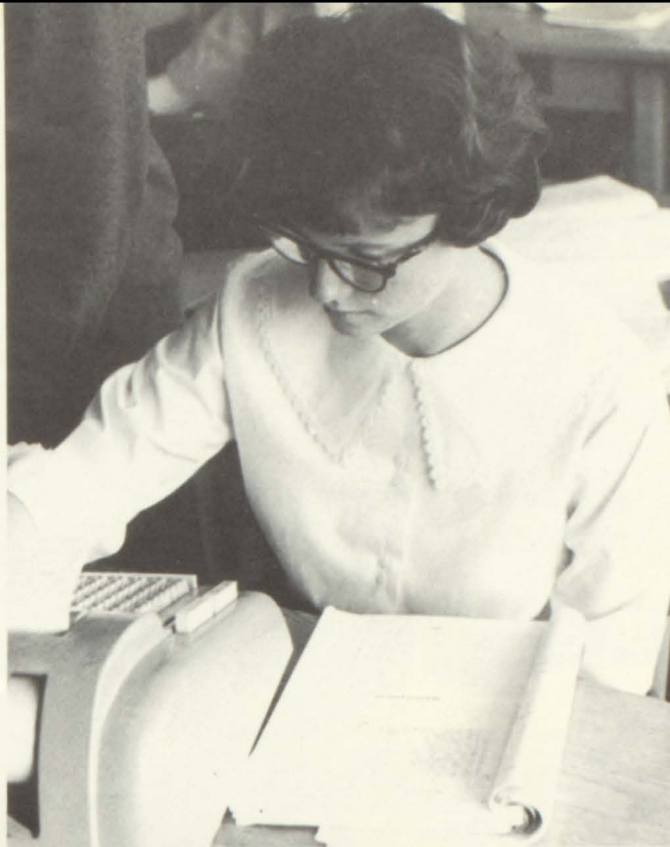

One third of the year is spent studying cleanliness and child care in discussions such as this in Mrs. Sandager's 8th grade class.

To mark a hem evenly all Sheila Johnson needs is a hem marker and a friendly hand from Suzanne Timm.

B U S I N E S S

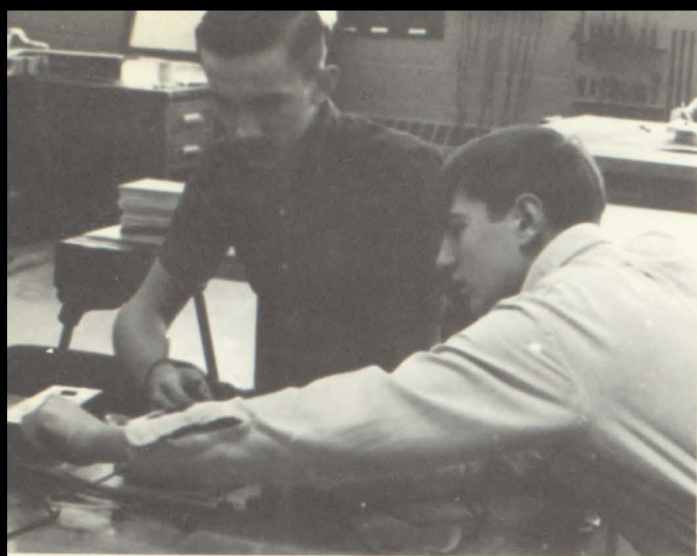

Dorace Dupont practices on the adding machine during her course in office practices.

Donna Deskins, Sandy Johnson, and John Thorp, practice the correct use of office machines.

In the beginning typing class, students are taught the typewriter keyboard and basic principles of letters and problem setup.

Boys learn the basic concepts of electricity in the electronics project. Here John Peterson and Ken Haug apply their knowledge to their project.

Perhaps Duane Faymoville is designing his "dream house."

Dan Hair and Terry Husnik cut strips of sheet metal for their shop projects.

Junior high boys can make anything from a wallet to a coin purse in leather shop.

INDUSTRIAL ARTS

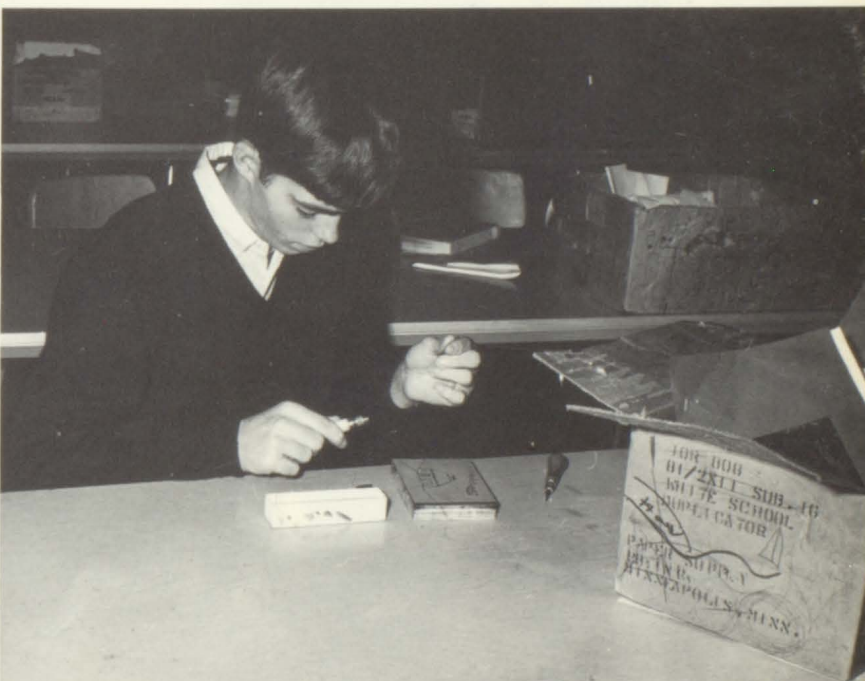

Drawing in perspective, figure drawing, and sketching are all aspects studied in art. Here Allen Shogren studies his sketching.

ART

Junior high students practice and study different types of lettering in their art class.

Below, Jenine Morstad and Linda Morrison prepare paint for their block printing.

David Spry engraves his block of wood for his block printing.

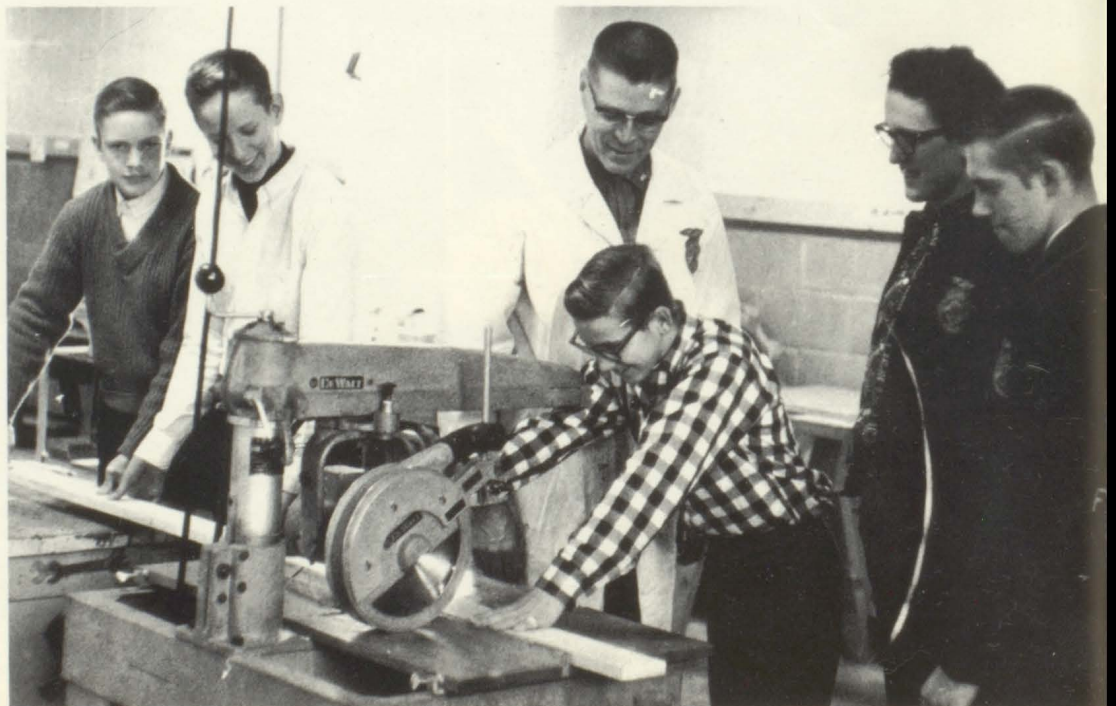

A G R I C U L T U R E

Management of farms, marketing farm commodities, livestock diseases, weed control, and soil management are just some of the aspects of farming covered in the agriculture courses. Pictured are Robert Lee Thurnbeck and Larry Palmer.

F A R M M E C H A N I C S

The care, operation, and adjustment of farm power and machinery is covered in the farm mechanics course. Demonstrating are John Nickelson, John Morrison, Mr. Kulbeck, Ray West, Dan Sullivan, Larry Palmer.

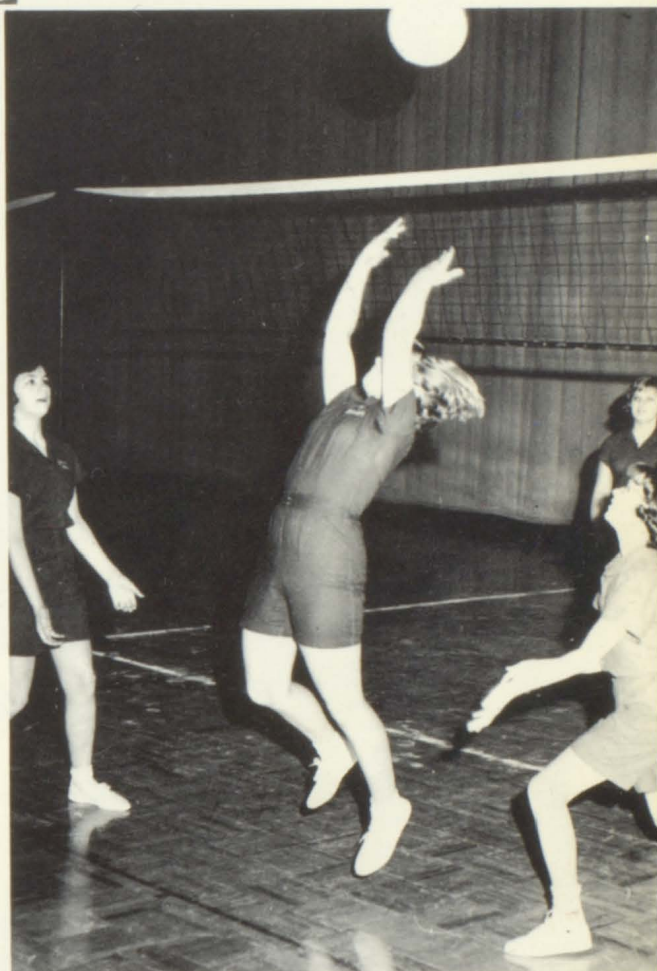

Calisthenics are a major warm-up for basketball, football, softball, and physical fitness tests in boys' physical education classes.

PHYSICAL EDUCATION

The eighth-grade girls are a little more perfected in the art of volleying the ball.

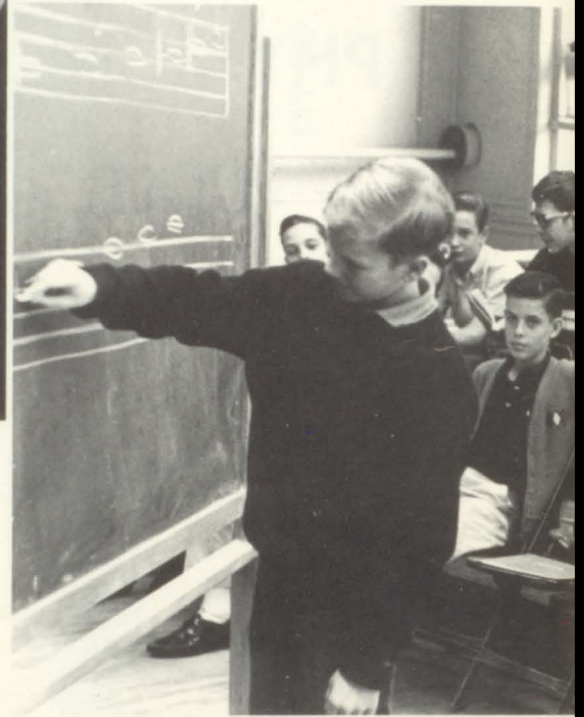

Seventh-grade girls practice to the "Chicken Fat" record before the class begins a round of volleyball.

These "B" Band trumpeters demonstrate their ability to fellow students in their music class.

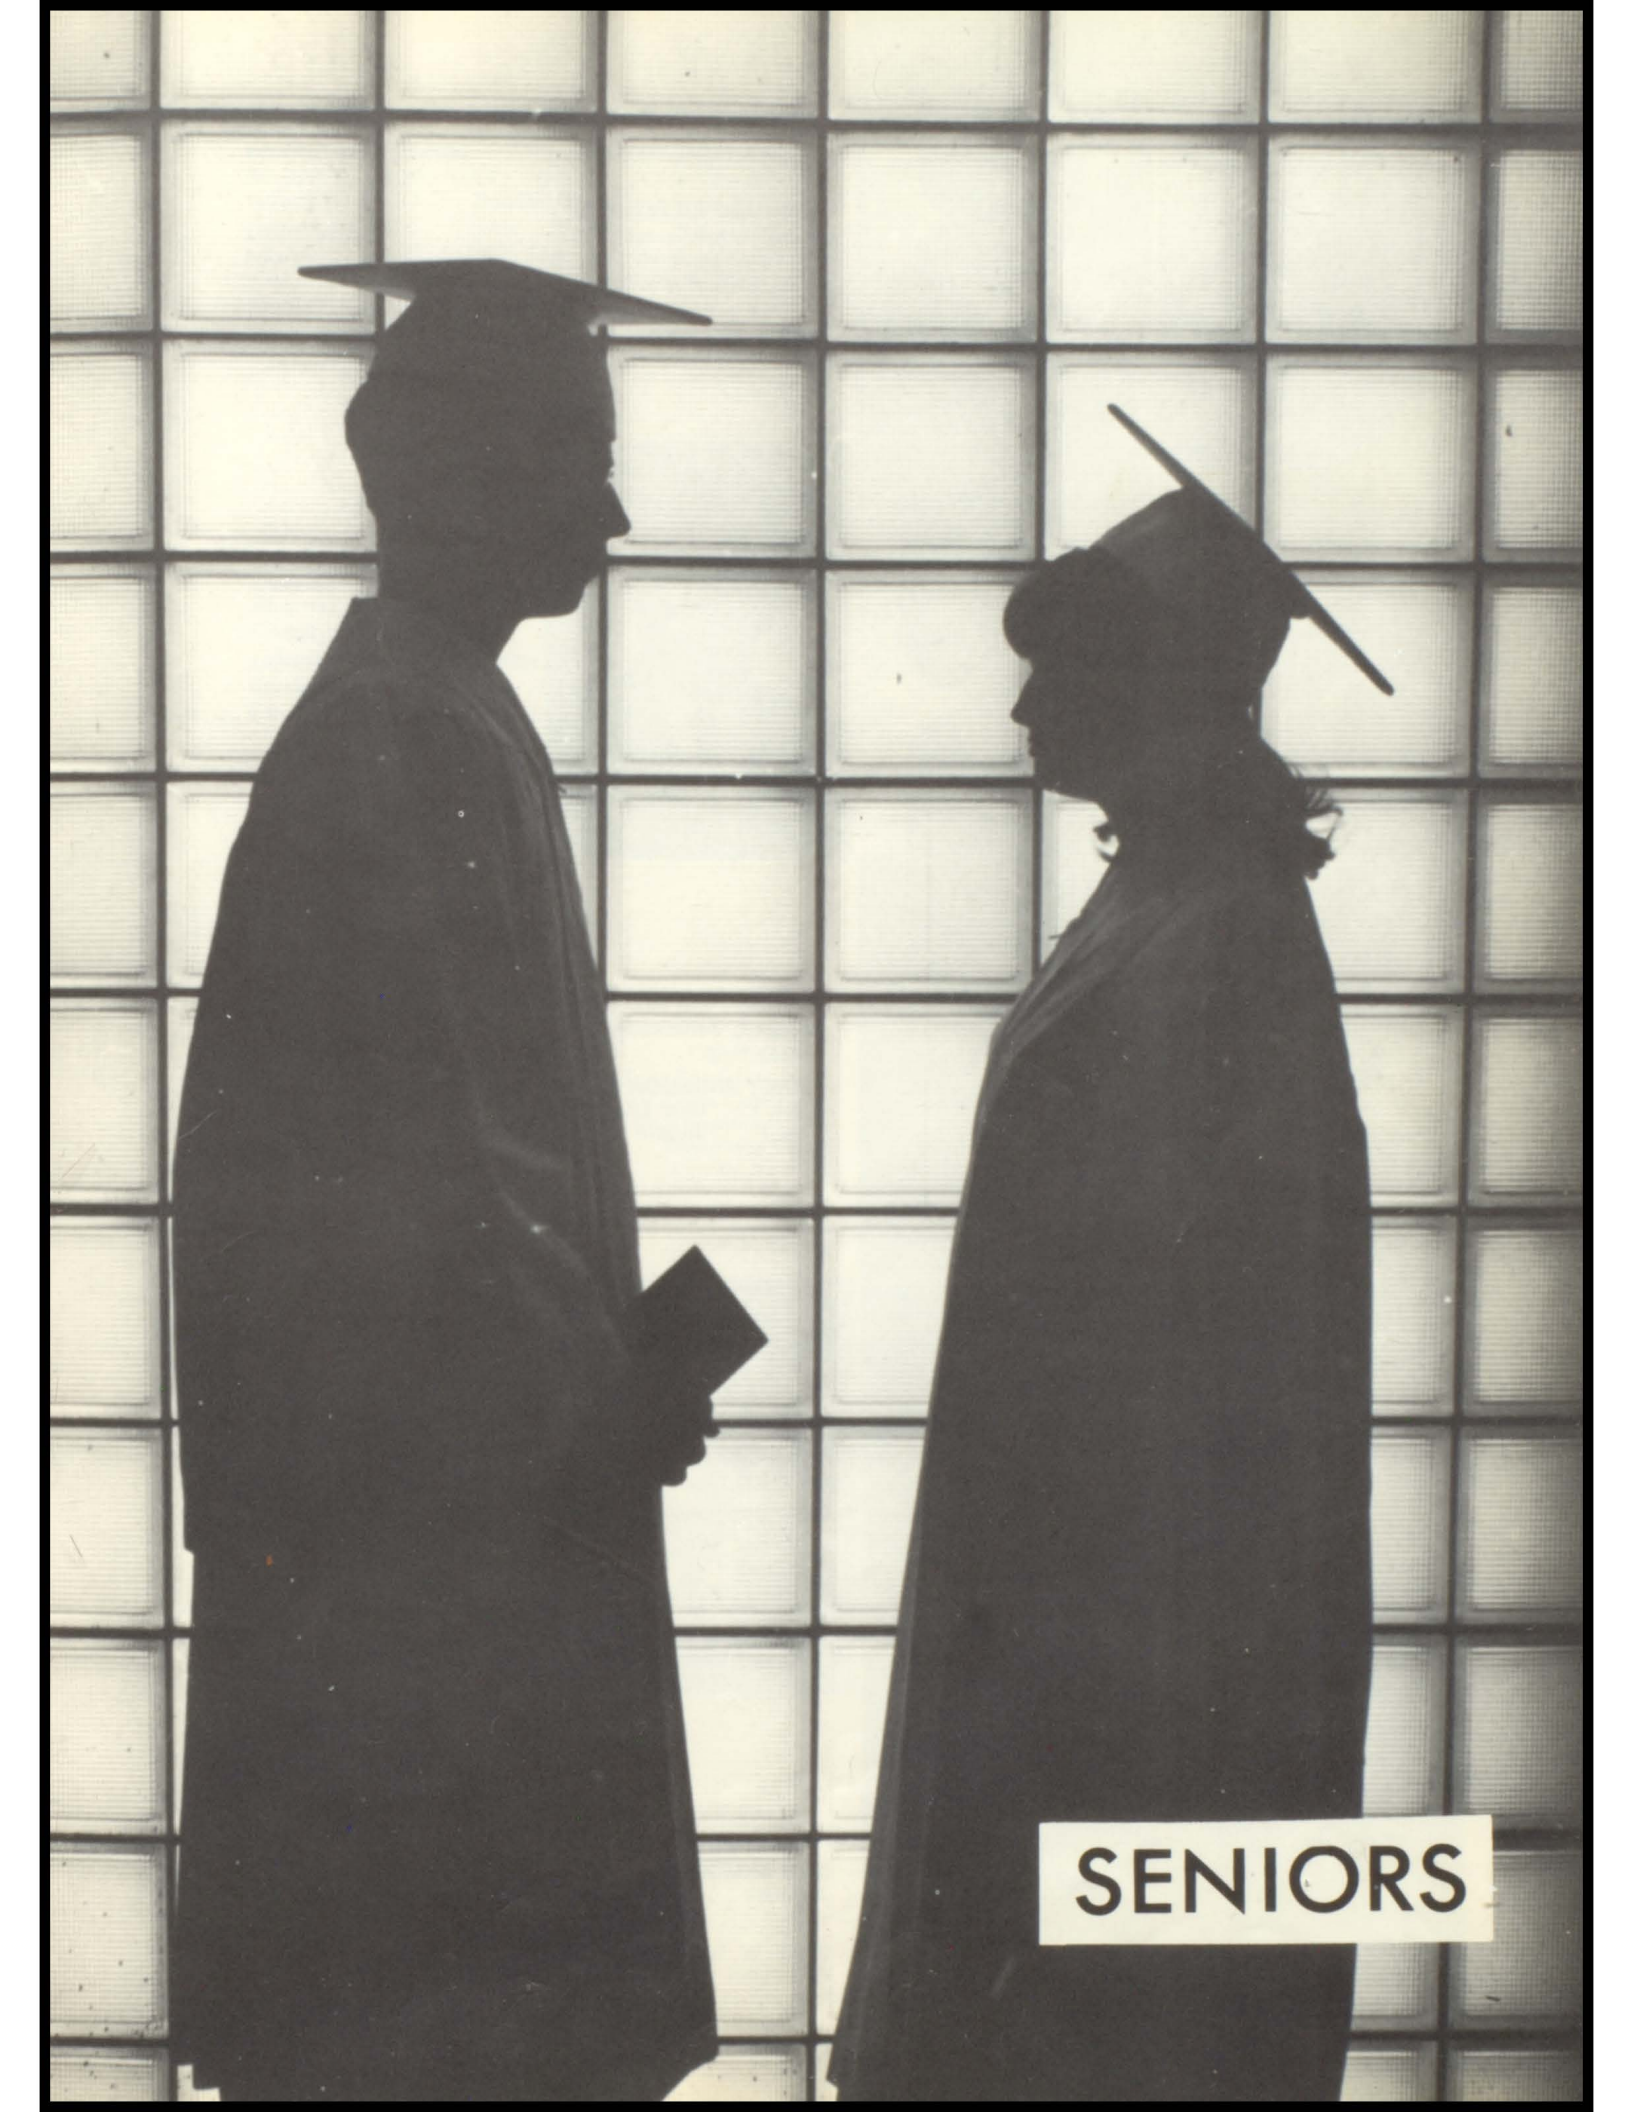

MUSIC

Writing scales and triads are a daily practice in the 8th grade boys' general music class.

Students in Mr. Partington's general music class learn to play the piano plus studying rudiments and folk music.

ATHLETICS

CROSS

First row, from left to right: Kevin Nickelson, Mark Gaetz, Tom Anderson, Gordon LaCasse, Bob Westby, Ron Belshaw, Dave DeLong, Gary Carlson, Wes Spence, Tom Wonick, David Nelson. **Second row**: Coach Lahti, Clifford Crowley, Ronald Gilbertson, Steve Tornell, Tim Sullivan, Walter Stoltzman.

Gary Carlson receives his third-place ticket in the District 25 meet.

Howard Lahti, coach for cross country, had reason to be proud of the team this year. They had a near perfect record of six wins and one loss.

In the conference meet Forest Lake placed second out of eight teams. Wes Spence was 6th in crossing the line.

Forest Lake secured first place in the district meet with a near perfect score of 16.

Dave DeLong, who was the outstanding runner of the team, came in first in the district meet.

COUNTRY

It's been a long, hard practice.

"A" SQUAD

First row, from left to right: Layton Cohoes, Jack Sivigny, Willy Paul, Art Schneider, Wayne Skoglund, Pat Morley, John Moxness, Jim Robinson, Rick Lundberg, Jerry Larson. **Second row**: Buster Lind, Bob Carlisle, David Benson, Bob Pepin, Tim

FOOTBALL

The 1964 football squad racked up only 3 wins, while losing 6. After losing the season's opener to Brooklyn Center because of "fumbleitis," the Rangers were still optimistic about their forthcoming games after trouncing Chisago City 47-0. Their hopes were short-lived, however, for Coach Stan Peterson's gridders were plagued with injuries. One of the biggest losses was lineman Jim Sederholm.

Although it tallied as a loss, one of the highlights of the season was Forest Lake's performance against the Osseo Orioles. Coach Peterson's superb engineering, coupled with his boys' great determination, made this one of the finest games of the season.

To reward his hard-nose, football-bulldozing, Pat Casey was selected as an All-Conference defensive end, while a trio of players, Dana Johnson, Bill Franta, and Darrel Severson, received All-Conference Honorable Mentions.

Pat Morley, next year's captain, will be minus the efforts of nine graduating seniors.

"A" SQUAD **First row**, from left to right: Gerald Larson, Steve Tornell, Mike O'Donnell, Tim Casey, Pat Morley, Ron Belshaw, Bob Elsenpeter, Layton Cohoes. **Second row**: Dave Conley, Dana Johnson, Darrel Severson, Dave Sandberg, Tom Gay, Greg Benson, Pat Casey, Bill Franta, Coach Conley.

BASKETBALL

An elbow here, an elbow there . . .

Under the leadership of capable Coach Conley, the FL cagers came through the season with an 18-4 record. Going 11 for 3 in the Skyline Conference, Conley's cagers took second place to Spring Lake Park. Darrel Severson, top scorer for the Rangers, ranked fourth in the conference. Co-captains Dave Conley and Darrel Severson were both voted All-Conference players, with Dave Sandberg and Greg Benson receiving honorable mentions.

On March 12, at North Branch, the Rangers won their second consecutive District 25 title by "bombing the Barnum Bombers" 75-50. Earlier the Rangers catapulted Pine City, squeaked by the ever-dangerous Chisago City Indians, and outlasted undefeated Moose Lake.

Darrel Severson, Tom Gay and Greg Benson were named to the All-District squad after the Barnum game at Cambridge.

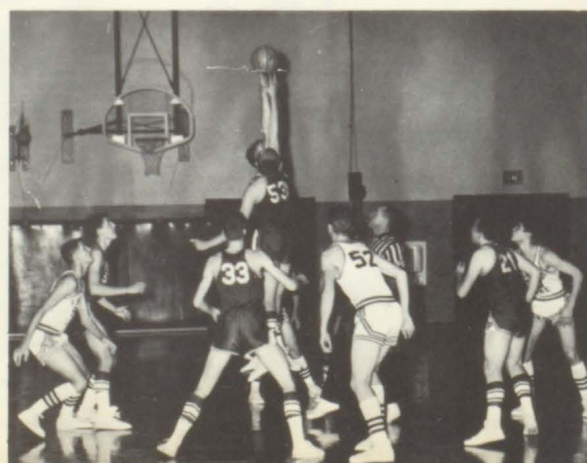

This year's Rangers performed the spectacular by spilling the proverbial apples from the carts of four supposedly undefeated teams: Faribault, North Branch, Spring Lake Park, and Moose Lake. The highlight of the season was probably felt by players and fans alike when the mighty Rangers vexed (and hexed?) the North Branch Vikings before a standing-room-only crowd.

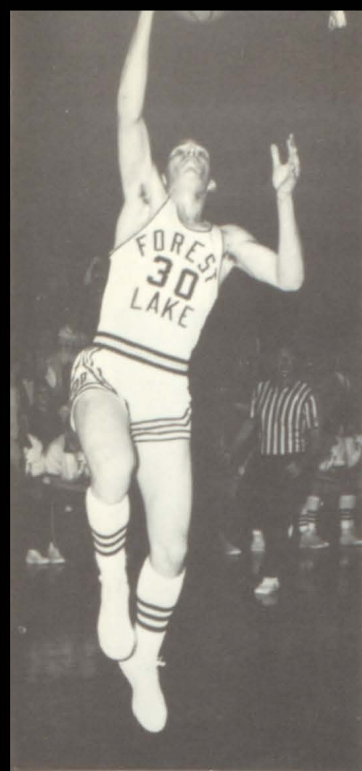

Friday, March 19, Forest Lake met the powerful Virginia team at the University of Duluth fieldhouse.

Virginia defeated Forest Lake 47-45. A 25-foot desperation shot with only 2 seconds remaining ended the Ranger's state bid, and left one half of the stadium stunned, sulky, and sad.

"Oh! Gosh!

Down the floor, raise the score! Dana Johnson

"1-2-3-4 . . . What do you think we're looking for?"

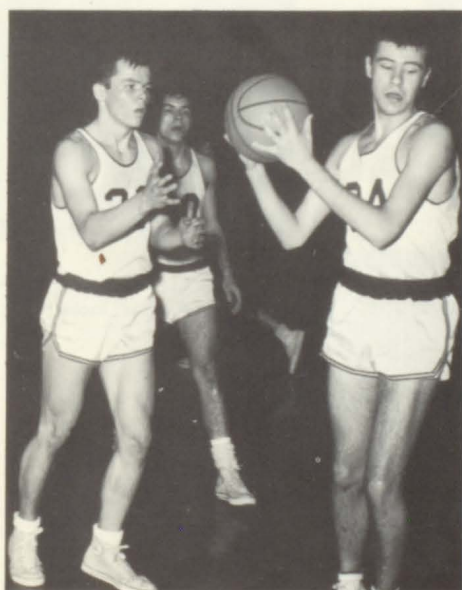

Anything that goes up must come down.

The Starting Line-up—Dana Johnson, Darrel Severson, Greg Benson, Dave Sandberg, Dave Conley.

WRESTLING

1965 was a remarkable year for wrestling at F.L.H.S. It marked the first time that a regional tournament was ever held at Forest Lake. On Saturday, February 27, wrestlers unveiled the colors of their respective schools, and fans crowded the doors long before they were scheduled to open. The tournament began at 11:00 a.m. and, except for a brief break for meals, continued with an enthusiastic crowd until 10:30 p.m. Although Grand Rapids won the tournament, Forest Lake capped third place and did very well for itself by placing Bob Westby and Bruce Saxe into state competition, with Mike Niemczyk narrowly missing the chance to make it a threesome. In the State Tournament Bruce Saxe was defeated in the first round, but co-captain Westby placed fifth.

Although the Rangers placed second to North Branch, Coaches Matteson and Reiman boasted four district champions in Arnie Dunn (95#), Gordy LaCasse (103#), Bob Westby (112#), and Mike Niemczyk (120#). Conference champions this year were co-captains Westby (103#). and Niemczyk (120#).

Junior high boys practice long and hard.

Ranger Bob Westby grapples with his Brooklyn Center opponent. Bob took the Conference championship in the 103# class.

Arnie Dunn was the Forest Lake Invitational champion in the 95# class. He had a record of 4-3.

GOLF

F. L. GOLF TEAM

From left to right: Jim Sederholm, Pat Morley, Jeff Houle, Barton Johnson, Greg Linnell, Tom Wegleitner.

Medalist Jim Sederholm receives commendation from Coach Nyman.

This season the golf team, coached by George Nyman, had an outstanding record of seven wins, one loss and one tie. In the Skyline Conference Tournament they placed second to Mahtomedi. Jim Sederholm was the medalist with a score of 78.

Forest Lake also placed second in the District 25 Tournament. North Branch, who placed first, went on to win the state championship.

Pat Morley and Jeff Houle qualified for the Regional Tournament at Virginia, but were defeated.

Pat Morley and Mr. Nyman discuss Pat's possibilities of a win at the Region Tournament.

F. L. TENNIS TEAM

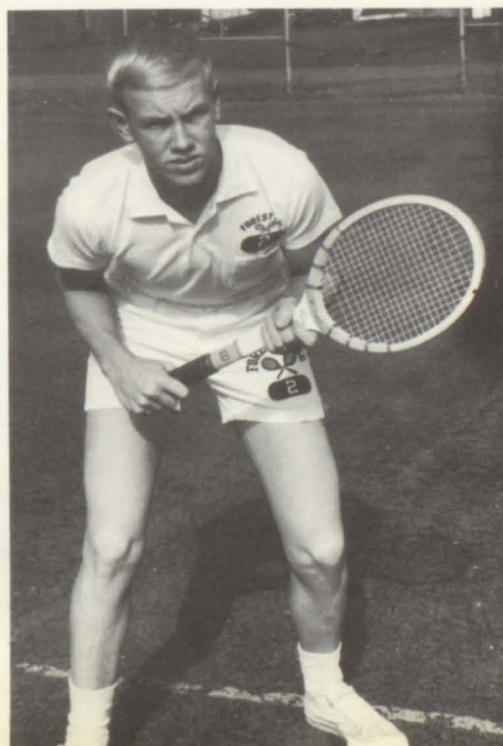

First row, from left to right: Rick Lundberg, Don Hair, John Sullivan, Don Peterson, Mike Johnson, Bob Elsenpeter, Ken Quigley, Phil Isaacson, Fred Gould, David Zak. **Second row**: Coach Johnson, John Preiner, Rick Sandstrom, Bob Thurnbeck, Bill Fenton, Myron Fladland, Bob Anderson, Phil Edstrom, Jerry Larson.

The FL tennis team had a very successful year, going undefeated in conference play. Coach Johnson and his seven netters added two trophies to the trophy case by winning the conference title and by narrowly edging out St. Paul Park 26-25 in the Skyline Conference Tennis Tournament at Brooklyn Center.

In the Skyline Conference Tournament, Myron Fladland easily fought his way to winning the singles title, a title which he has now earned for three consecutive years. Phil Edstrom placed third in singles play, and his great second effort gave Forest Lake the one necessary point to win the tournament. Also doing a splendid job for Forest Lake were the doubles teams of Fenton-Anderson, Thurnbeck-Preiner, whose stamina in long games got them to the semi-finals, both losing to St. Paul Park in three sets.

The tennis team failed to win a match in Region VII play, with Dennis Chez of Hibbing winning the singles event and placing second in the State.

T E N N I S

"Aren't you glad you got over the mumps in time?"

"If he leans over the net once more, I'll hit him with my racket."

Anxious minutes before the big run.

"May I come down now, Mr. Schumacher?"

Coached by John Schumacher, Forest Lake's thinclads finished the 1964 season by placing fifth in the district competitions, fifth in the conference meet, and fifth in the conference relay meet.

Darrel Severson had his second triumphant season as a high jumper. Darrel placed first in the three conference meets and in the non-conference meet with St. Croix Falls. He set a new high jumping record of 5'11 1/2" in the Skyline Conference meet.

Dave DeLong, Jim Osland, Wayne Skoglund, and Tim Glenn, members of the half mile relay team, also did a creditable job — winning in two of the conference meets.

Our 1964 baseball team coached by Mr. Stang proved to be "batting a thousand." After winning eight games, losing four, and tying one, they went on to submerge the teams in the district tournaments. In the region, they were defeated by Ely, who went on to the finals and placed fifth in the state.

Dave Conley, outstanding pitcher for the Rangers, hurled one hundred eleven strike-outs to win eight games, while losing only three.

EDITORS' NOTES

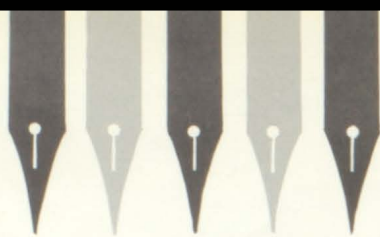

Many "thank yous" are in order to all the cooperative people who have made our job as editors such an enjoyable and rewarding one. Special thanks go to Mr. Jay Johnson, our advisor, and Mr. George Johnson, our photographer, for the many hours they have spent working with us.

The yearbook has been ours for the past school year and now it is yours. In it we have tried to depict what life has been like in these, our hallowed halls. We only hope that the pleasure you get from the Forester will be as great as the pleasure we have had in editing it for you.
