FORESTER

# **1967 FORESTER**

**FOREST LAKE HIGH SCHOOL  
FOREST LAKE, MINNESOTA  
VOLUME 29**

# THEME

From the time we were small seedlings on the earth, knowledge has been a key factor in our lives. Our school has given us a great part of our education. Although it is still small, our knowledge will continue to grow — we are never too old to learn. Life for us will be what we make it. We must reach high, to the tops of the trees, and gain for ourselves a place in the world.

Mrs. B. was thrilled over HER Pepys' Family.

"Here's evidence to prove my point, people."

## DEDICATION . . .

**SHE'S A WOMAN WHO  
IS HERSELF DEDICATED**

**. . . A DEVOTED TEACHER  
. . . A LOYAL FRIEND.  
. . . A TRUSTED AND  
. . . BELOVED PERSON**

**WE DEDICATE THIS 1967  
FORESTER, TO YOU . . .  
MRS. ALICE BERVEN.**

"Now, girls . . . Why are you taking so many pictures of me?"

"I'm sure your paper is here somewhere."

Mrs. Berven listens intently to a class discussion.

Her favorite pose for a lecture.

Mrs. Berven gives extra help to Pat Webb.

A hurried note to the School Board.

What's so funny about a board meeting, anyhow?

# SUPERINTENDENT . . .

## HE HEADS THE SCHOOL SYSTEM.

Since the passing of the bond issue in the fall of 1966, Superintendent Lechner has had the building program to contend with. Added to this, he also has his duties as negotiator between the school board and the teachers, on matters such as salary. He is exofficial of the school board, which obligates him to be present at all meetings, but does not give him voting rights on board issues which may arise. As administrator he handles all school business.

A native of Fessenden, North Dakota, **Mr. Lechner** considered Forest Lake his hometown, after having lived here for only two years. He received his B.A. degree at Moorhead State, and his M.S. degree at the University of Minnesota. His spare time, of which there is little, is spent golfing and fishing.

Mr. Lechner indicates location of proposed elementary building.

The members of the School Board, from left to right, are: Ken Banta, Vern Boettcher, Michael Gay, Tyrus Jeans, Gene Hallberg, Henning Engstrom, and L. T. Lechner.

# SCHOOL BOARD . . .

## THE NUCLEUS OF THE ADMINISTRATION

The six member school Board faced a variety of problems. They selected new buses, decided on the teachers' salaries, and proposed new ideas for the school hot-lunch program. Often they worked late into the night on plans for the new elementary building. These men were elected by our community to serve the school for two year terms.

President Tyrus Jeans looks over his notes during a meeting.

Jim Broede, a local newspaper reporter, looks on as members Ken Banta and Vern Boettcher pause for a moment of study during a meeting.

Ken Hanson inspects the damage done to the field lights by the tornadoes.

Our principal and weatherman, **Mr. Floyd Cohoes**, has been at FLHS for more than twenty-four years. From his hometown, Zimmerman, he went to St. Cloud State and the University of Minnesota, where he received his B.S. degree. Working in several Minnesota High Schools, he taught a variety of subjects, including, Math, English, and History. His spare time is spent in outdoor activities.

MR. COHOES,  
Senior High Principal.

## PRINCIPALS . . . ALWAYS BUSY, ALWAYS INTERESTED

Our principals are dedicated men who face two types of problems during the year, and face them with courage and determination. They tackle the routine difficulties of discipline and the welcomed duties of coordinating special events. This year's Homecoming program, athletic events, and senior activities all benefited from their guidance. They deserve recognition for a job well done.

Bradford High School is the alma mater of assistant principal **Mr. Ken Hanson**. He earned his B.S. degree at Wisconsin State at La Crosse, and the University of Minnesota. He's made Forest Lake his home for eleven years. Canoeing, fishing, golf, and assorted outdoor sports occupy his spare time.

KENNETH HANSON,  
Assistant Senior High Principal.

Mrs. Shirley Fairbanks, our library clerk, has been at Forest Lake for two years. Previous to this she was employed at Center City and Chisago Lakes High Schools.

A graduate of FLHS, Mrs. C. Coy received her training in Minnesota and Chicago Business Schools. She has worked off and on in FL for the last twenty-seven years, and served as secretary in a New York Junior High School.

Sewing, archery, and bridge occupy the spare time of Mrs. Marian Tuominen, who is clerk in the Senior High School Principal's Office. Her hometown was Shafer, and she attended Lindstrom Center City High School. She has worked in FL for last five years.

## SECRETARIES . . .

THE ENTIRE SCHOOL  
DEPENDS UPON  
THEM.

Melba, Sahlin, secretary to the Senior High Principals, has worked in FL for the past twenty years. She worked as secretary and bookkeeper in several schools and businesses in the St. Paul area, after her graduation from Forest Lake. What spare time she has, she spends sewing.

Since 1951, Mrs. Muriel Alcock has served as a secretary in the superintendents office. A graduate of Edison High School, she worked for several industries, before coming to FL.

A graduate of Monroe High, Mrs. Randall worked for Hershey Chocolate before coming to FL. In her spare time, she is active in church activities.

May Damsgaard was employed by the emporium and Brown and Bigelow before returning to Forest Lake, her hometown, where she has worked for the last thirteen years. Her spare time activities include knitting.

## OPENING . . .

Faces reflect joy, depression,  
anxiety, hope. These are the  
faces of F.L.H.S.

This is not the end.  
It is not even the  
beginning of the end.  
It is rather the end  
of the beginning.

WINSTON CHURCHILL

## NATIONAL HONOR SOCIETY

Leadership, character, scholarship, and service to the school are considered in the selections of National Honor Society members. They are chosen by a com-

mittee from the faculty. No honor bestowed by the school excels that of membership in this organization.

# SENIOR WEEK . . .

## JAN. 16-20

Senior Week began Monday, Jan. 16, with class color day. All the seniors arrived in navy and light blue. That night it snowed, school was called off and Senior Week was postponed.

The next week we tried again. Seniors wore their class colors on Monday, Jan. 23, and went tobogganing at Ekobacken that night. Tuesday, the stiff and sore seniors wore old sweatshirts and had them autographed by classmates. Again, it snowed, and the day was cut short. This time, however, the events continued. Wednesday after school the juniors were auctioned off to the blood-thirsty seniors. Proceeds from the auction went

to the junior class.

The slaves labored for their senior masters all day Thursday. Because of conflicts, the talent show scheduled for Thursday was postponed. Friday afternoon the senior boys defeated the faculty in a basketball game refereed by the seniors. The second Senior Week ended with a sock-hop Friday night. The Yunger Set played.

February 2, the talent show concluded Senior Week activities. The senior class exhibited for the public their long-hidden talents. Although the public may not have appreciated all the humor, the seniors had a good time.

Pat Moen's last supper.

The seniors thanked Neal Nelson for his help with the talent show.

"Hey, hey, We're the Seniors!"

**JAN. 23-27**

"Needless to say, the school kitchen is still burning."

Don't let these happy faces fool you! School wasn't always this good. **Kathy Erickson**, **Randy Sovia**.

# MAINTENANCE

## THEY KEEP UP OUR SCHOOL

In a school of this size the cooks and janitors have a big job on their hands.

The kitchen staff consists of four full time and three part time cooks, who prepare food for approximately 750 students each day. The cooks agree that chicken days are their busiest.

The janitors find fixing lockers and opening classroom doors a constant request, while their jobs of maintenance occupy the rest of their time.

Our four full time cooks and kitchen manager, Aggie Patrin, emerge from the freezer, where they were in hopes of finding something for lunch.

"One picture is worth a thousand words."

How would you like to have nearly 700 kids to clean up after? Janitor John Dalin.

It's a rare moment when you find all the janitors together and sitting down.

"But we need the bread by lunch time!" Aggie Patrin.

# SPECIAL SERVICES

## WORKING FOR THE BENEFIT OF THE STUDENTS.

Mr. Richard Moskop enjoys hunting and camping in his spare time. It is his first year at F.L.H.S. where he is Senior High Librarian. He received his B.S. degree at Mankato State College.

Things are being done in this school which very few are aware of. These are Special Services!

Mr. Moskop, senior high librarian, makes research easier for students by having the most up-to-date materials and keeping them in good condition.

Audio Visual is always coming up with some new time-saving device which makes learning easier and more fun.

Mrs. Volkman helps the exceptional students to face and solve their problems, by giving each the extra attention he needs.

Woodworking and photography are the hobbies of Mr. Marvin Fuhrman, Audio Visual advisor. A graduate of Stout College he has received his M.A. in Audio Visual. He has been in Forest Lake for nine years.

A Clintonville, Wisconsin graduate, Mrs. Ramona Volkmann attended Wisconsin State at Oshkosh and the University of Minnesota, where she received her B.E. and M.S. degrees. She has taught the special class in Forest Lake for twenty-one years. She supervises the Association for Retarded Children. Her spare time is spent golfing, sewing, reading and playing bridge.

# SPECIAL SERVICES . . .

## NEW COUNSELORS FIND FOREST LAKE A CHALLENGE.

The Guidance Department faces enough problems in a normal school year, but for two new counselors there were also new faces and methods to adjust to. From separate parts of the country these men were brought together to solve the educational and psychological problems of our students. Work is one thing they found waiting for them in abundance; teachers and administration had to be faced, probation officers and welfare departments had to be dealt with, assorted tests had to be given and results deciphered, and there was also the muddled scholarship and college files to be torn apart, reconstructed, and revised.

Golfing, traveling and photography occupy the spare time of **Mr. Virgil Grove**, one of Forest Lake's new Guidance Counselors. A graduate of Minneapolis Vocational High School, he received his further education at St. Cloud State, Western Maryland College, Towson State College, and Johns Hopkins University. Before coming to Forest Lake, he taught for five years in Baltimore County, Maryland.

**Mr. Stanley Motschenbacher** is also a new member of the Guidance Department. After his graduation from Moorhead High School, he attended Moorhead State College and Michigan State University, after which he worked in the Romeo Michigan Senior High School. His spare time is spent hunting, fishing, camping, and with his family of seven.

## BASEBALL . . . THEY ROUND THE BASES

The 1966 Forest Lake High School Baseball team under the coaching of Mr. Leroy Stang finished 6th in the conference. The team, composed mainly of Juniors and underclassmen made a favorable showing with a record of 7 wins and 7 losses.

The team was defeated in the first game of District 25 Tournament by Taylor's Falls in a close 4-3 decision. Next year promises to be a successful year for the team with many Lettermen returning.

# GOLF . . .

## THE TEAM SWINGS INTO ACTION

The 1965 golf team finished second in the Skyline Conference boasting a record of four wins and only one loss. The overall record was seven wins and three losses.

In District 25 Competition Tom and Pat Morley placed seventh and eighth respectively while the team took second place. Placing in the district enabled Tom and Pat to compete in Region 7. Pat qualified for regionals for the second year.

Mr. Nyman commented about returning Juniors, John Heuckendorff, Tom Morley, and Mark Wegleitner: "They constitute a fine nucleus for the contending conference championship for 1967 and/or 1968."

Surrounding Captain Pat Morley from left to right are: Greig Tennis, Bruce Saxe, Tom Morley, Coach George Nyman, Mark Wegleitner, Jim Severson, and John Heuckendorff.

# TENNIS. . .

## IT'S THE SPORT OF LOVE.

A sport isn't all winning; the losing is just as much a part of the game. The Tennis team didn't conquer all their opponents by overwhelming margins, but we're all proud of them for trying and doing their best.

Since they are the only school in District 25 with a tennis team, four of the players went directly to Regions at Hibbing. They were Dan Conner, who played number one singles, Jari Wyandt, number two singles, and Doug Hegler and Fred Gould, who played doubles.

Tryouts for a girl's Tennis team were held early in the Fall. After many nights of eliminations, a team consisting of the best players remained.

Due to the lack of opposing teams in our areas, they were only able to compete in several tournaments.

## TRACK . . . THE BOYS GRIND THE CINDERS

The Forest Lake track team went all out in producing one of the best squads ever to assemble in our school. The F.L. hustlers took second in conference and won the District 25 tournament. Their relay team won second place honors and they took second at the North Branch Invitational.

In the eyes of the coach, John Schumacher, Mike Loren and Wayne Skoglund were the outstanding squad members. Skog-

lund won the 100 and 220 yard runs in conference and district, and Loren won the district and conference mile.

"This past year has been a great one for track in both Forest Lake Junior and Senior High," said Schumacher, "and because of the extensive program throughout the system I look forward to a greater season next year."

# CROSS COUNTRY . . .

## THE ROADRUNNERS WEAR THEIR PATH ACROSS THE FIELDS

"The Forest Lake Cross Country team of 1966 was composed of a cooperative, enthusiastic group of athletes. It was a pleasure for me to coach this group of fine young men." These are the words of Cross Country coach Neal Nelson. The team finished 5th in the con-

ference and 3rd in the District. Kevin Nickelson and Jim Schlaeger finished 13th and 16th respectively in the Region VII Tournament at Hibbing. With four of seven lettermen returning, the team will have a solid nucleus for the 1967 year.

## FOOTBALL . . .

### A TOUGH SPORT REQUIRES DETERMINED MEN.

Led by coaches Stan Peterson and John Reiman, and captain, Bob Carlisle, Forest Lake's luckless Rangers compiled a 4-5 record during the 1966 season. Forest Lake's hardrunning halfback, Joe Moore, gained All-Conference honors along with Honorable Mention picks Tim Casey, Mike O'Donnell, and Bob Carlisle.

Forest Lake opened the year with a 25-13 win over District 25 rival, Chisago City. In their next contest the Rangers met highly rated Mahtomedi. Playing one of their best games, they lost a close decision, which was the only shut out registered against them all year. Plagued by injuries and bad breaks, Forest Lake went on to win three more games, beating St. Francis, Centennial, and St. Paul Park.

This year's H.C. game will long be remembered by all Ranger fans. The game typified the hard luck season as the team lost a 30-28 heart breaker to Fridley in the closing seconds of the game.

With 13 returning lettermen and Captain Jari Wittwer, coach Peterson hopes to improve on the season's record. Gone from the squad will be 15 graduating seniors.

Tim Casey leads the interference for halfback Joe Moore.

Coach Reiman, Captain Bob Carlisle, and Coach Petersen.

"Get away from me you big brute."

## WRESTLING . . . MATMEN HAVE OUTSTANDING YEAR.

Under the capable leadership of coaches Tom Matteson and John Reiman and co-captains Jim Schlaeger and Joe Moore, the 1967 Ranger matmen finished third in the Skyline Conference with a record of five wins, one tie, and two losses. Bruce and Pete Saxe and Joe Moore made the All Conference team.

The Rangers took first place honors at the third annual Forest Lake Invitational on Jan. 4.

The District 25 title was captured by Forest Lake on Saturday, February 25, with a team score of 128 points. The individual district champs were: Arnie Dunn, 95 lb., Bob Oletzke, 112 lb., Pete Saxe, 120 lb., Gordy LaCasse, 127 lb., Jim Schlaeger, 133 lb.; Joe Moore, 145 lb.; Bruce Saxe, 154 lb.; Rick Rodrigue, 165 lb.; and Jim Robinson, heavyweight.

The Region VII Tournaments held at Forest Lake on March 3 and 4 highlights the year. The Rangers finished first with 112 points, followed by Grand Rapids with 95 points. Arnie Dunn, Pete Saxe, Jim Schlaeger, Joe Moore, and Bruce Saxe won first place honors in Region Competition and advanced to the State Tournaments.

Teamwork is the key to victory.

## THEY PLAYED THEIR BEST, WIN OR LOSE.

The Ranger basketball team began the 1967 season with 8 seniors, 3 juniors, and 3 sophomores. The team opened the season with two losses but climaxed the conference play by knocking off Mahtomedi, St. Paul Park, and Centennial.

One of the most exciting games was played against St. Francis. At the end of four quarters, the score was tied. The game went into overtime but the Saints won

67 to 64.

In District 25 play, Forest Lake defeated Chisago City 66 to 44 at North Branch. In the second game of district play, at North Branch, Lindstrom scored a basket with 6 seconds left and defeated F.L. 61 to 59.

The loss of 8 seniors will require rebuilding but the underclassmen are looking forward to next year when they will prove their skill.

### THE GIRLS SPARK ENTHUSIASM

Football was a rough game for cheerleaders too. They cheered the teams on in their culottes, sweaters, swamp coats, parkas, ear muffs, mittens . . . They brainwashed the teams with the new chants: "Succeed" and "Champs".

Between seasons the girls sponsored a sock hop to raise money. They also helped the GAA sell F.L. sweatshirts for the girls' activity fund.

The football squads split up for winter sports. They formed a wrestling squad and A and B basketball squads.

The cheerleaders made posters for games and matches, planned pepfests to motivate school spirit, and yelled for their team through victory and defeat.

### THE NIGHT THAT CUPID MADE HIS ROUNDS.

A group of hard-working sophomores spent the entire Saturday morning decorating the all-purpose room for the theme, "Cupid's Carousel." The dance began with the music of The Volume VI. The candidates, chosen by the sophomore class, were Rose Balzart, Pam Benson, Sheila Carrell, Joyce Jeans, Mary Lou Stuard, Dan Booren, Bill Lawler, Richard Lehmann, Jim O'Donnell, and Mark Veddar.

The dance was climaxed with the crowning of Queen Rose Balzart and King Mark Vedder.

The Volume VI provided the music for "Cupid's Carousel."

Congressmen Karth invited the entire Forest Lake High School Band to tour the Capitol Building, in Washington D.C., after the band placed third in the Lions International Parade, held in New York.

Homecoming gave the band a chance to show their originality in a skit which they all participated in.

## BAND . . . THEY MARCHED INTO GLORY.

In the summer of 1966, the Forest Lake High School Band, under the direction of Rollie Nelson, marched in the International Lions Convention Parade in New York city. The band captured third place, following only the New York and Kansas all-state all-star bands. They used this occasion to tour the Eastern Seaboard, sightseeing in such places as New York, Washington D.C., and Gettysburg, Pennsylvania. The band then arrived home to a jubilant welcome-home gathering, five days after their departure.

In addition to the New York trip, the band participated in the Homecoming show, the Christmas and Spring Concerts, and home basketball and football games.

The band's summer schedule gave Barb Bowers and Cris Hult many opportunities to lead the band into victory.

# CHOIR . . .

## "THE SOUND OF MUSIC."

Changes were occurring last fall, and some revolutionary ones were taking place in choir.

Rehearsals were changed from fourth to second hour, and sectionals after school began. Triple Trio tryouts showed more people than ever interested, so two groups were formed.

They had the initial candy sale of the year, from which they raised approximately four hundred dollars. The money was used to make the final payment on their stereo tape recorder and to finance an excursion to the musical, *Funny Girl*.

Their hard work was evident in their performance at the Christmas and Spring Concerts and the District Music Contest on April 14.

# STUDENT COUNCIL . . . WHERE IS OUR QUORUM?

When school began in the fall, Council members were in for a surprise; the history classes had taken over their meeting room. President, Brad Picotte, and new advisor, Mrs. Gwen Hanson, made the best of this situation by moving the files to her back office, and beginning the year's business as if nothing had happened.

First of the Council's duties was the Homecoming Program, which lasted a week and produced a great display of school spirit. Christmas brought the decorating of the halls by the classes, spurred on by the promise of a prize for the best job. The Big Thaw was a week of winter fun, quite ironically interrupted by snow days, and postponed until after Easter.

Members also attended conventions in Bemidji and St. Paul Park, which gave them the opportunity to discuss common problems with other schools. They brought back the idea of a student judicial system which was adopted on a probationary level until the fall of 1967.

Within the council there were problems of attendance due to the meetings after school, but those members who did come worked hard to give the students of FLHS the type of government they deserve.

The right forms aren't always easy to find when they're all shoved in the same drawer, but Mrs. Hanson, Sue, Linda, Anita, and Mary are doing their best to find them anyway.

## THEY HAVE HIGH IDEALS AND ARE PLANNING NOW FOR THE FUTURE.

The Future Homemakers of America had many activities this year. They began by entering a booth in the State Fair, which won third place. An exciting event and experience for both Senior and Junior chapters, was the District VII meeting. Forest Lake was especially honored at this meeting when one of its members, Connie Videen, was elected District Vice President. The girls also attended the state meeting at the Conrad Hilton Hotel. Holiday parties, initiations (the initiates won't forget the tri-cycle races,) and exchange dinners with other chapters were held. The final event of the year was the annual Mother Daughter Banquet, where the officials for next year were announced.

### THEY ANTICIPATE TOMORROW'S FOOD PROBLEM.

Every tie had to be just so.

Tree planting, cattle judging, a barrow show, and parties kept the Future Farmers of America and their advisors, Mr. Kulbeck and Mr. Sandager, busy this year. Besides their yearly projects, the chapter raised two hundred dollars and donated it to a Catholic mission in South America.

The 1967 Chapter Sweetheart is Mary San Cartier, and officers are, Mike Heath, Bob Carlisle, Dan Sandager, Irvin Stolp, Glen Brown, and Carl Taylor.

## GAA . . . EXCITEMENT, EXASPERATION, AND EXHAUSTION WERE SHARED BY THE GIRLS.

G.A.A. was active this year, beginning early with a Play Day to which they invited Lindstrom, Chisago City, and North Branch. Winter brought basketball and badminton tournaments followed by spring's bowling tournament. February 2-4, Kathy Berg and Kathy Erickson attended a convention at Camp Courage and brought back many ideas for possible improvements. In March they rented a pool from a nearby motel and they also held a volleyball game between their members and the women's faculty. Last was their annual trip to a Twins game; a perfect way to end a busy year.

Getting a few minutes of needed rest between games, the girls listen to pointers on better tennis playing.

"Alley Opp!"

# LETTERMEN

## THE HONORED ATHLETES

Lettermen are athletes who have earned letters in their various sports events. The club is organized as a service and social organization of Forest Lake High School. Members usher at basketball games and wrestling matches. To become Lettermen candidates must wear suits and ties to school for 2 days and be humble slaves of club members. They must make a plaque and secure all Lettermen's and coaches' signatures by initiation time. These requirements must be carried out exactly or the initiates suffer the consequences! Lettermen and parents are honored at the Spring Athletic Banquet. Members of each team are introduced and outstanding senior athletes for each sport are named.

# THESPIANS . . .

## THEIR WORLD IS A STAGE

Thespians is an organization that gives students an opportunity to learn more about the theatre and show a little of their talent.

The first play, presented last fall, was *A Fate Worse Than Death or Adrift on Life's Sea*, by Dun Stan Weed. It was a melodrama and like all melodramas, the hero triumphed in the end.

Three People was the one act play entered into competition in February. Only two people acted in this play; Jack Werner and Cindy Stanley. Clarence Johnson was stage manager. Three People was a very serious play which attacked today's society.

This is also the Thespians fourth year supporting Luis Gavilanes, their Foster child from Equador. They receive letters from him at least twice a month, and all enjoy hearing of his progress.

Heading the troupe this year were, Miss Karen Burkhard, their new advisor, Leslie Carvell, president, Earl Buys, vice-president, Karen Berger, secretary, and Bruce Miller, treasurer.

In a scene from the one-act play, *Three People*, the enraged Cindy Stanley slaps her husband, played by Jack Werner.

President Leslie conducts an informal meeting in Miss Burkhard's room, to discuss plans for a fall play.

Advisor Streater often becomes very emphatic in his own classroom debates.

The Debate Squad demonstrated the best ways to prepare Fridley Tiger at the Homecoming Skit Show.

## DEBATE . . .

### TALK, TALK, TALK!!

After long hours of study and research, the four debaters and their new advisor, Mr. Streater, began their busy 1967 schedule.

This year's resolution was; That the United States limit Foreign Aid to non-totalitarian countries. Terry Osterbauer and Kathy Berg debated affirmative, while John Waller and Granton Larson took the negative standpoint.

Tournaments were held at colleges such as Macalester and St. Cloud and throughout the suburban and Skyline Conference schools.

All their hard work was rewarded when they took first place in the conference, earning them the privilege to debate in the Region VII tournament at Duluth.

Kathy Berg, Granton Larson, Terry Osterbauer, and John Waller can often be found in the library doing research.

Mr. Fuhrman and the Audio Visual crew provide the teachers with educational aids.

## AUDIO VISUAL . . . THEY PROJECT IN ALL BRANCHES OF EDUCATION

The Audio Visual Department, headed by Mr. Fuhrman, does an excellent job supplying teachers with the classroom aids that will make their task easier.

Participating students work during their study halls, keeping records of each piece of equipment, and repairing those which are damaged.

Good records are just as important as good equipment.

## DRIVERS EDUCATION . . . STOP! STOP!!!!

Drivers Education has as its objective good, safe drivers. Thirty hours of classroom instruction acquaint the students with signs, rules, and the car itself, before Mr. Scofield takes them behind the wheel, where they gain six hours of valuable experience on the roads, coping with other drivers.

Under this program, Forest Lake students are becoming more considerate drivers.

Mr. Scofield appears fairly calm, considering his nerve-shattering task of teaching students to drive.

During her second hour study hall, Nancy Valenty works in the Principal's Office, where she is seen here correcting the attendance list.

## OFFICE HELP . . . THE ASSISTANTS

Each year students volunteer to work as assistants in the administration offices, during their study halls. The most important requirement is that the student have a good attendance record.

Their duties are running errands, recording attendance, typing, and other jobs which relieve more of the secretaries' time to attend to more important matters.

These various tasks give the student experience in the secretarial field.

Office help, such as Mary Cournoyer, can often be seen running errands around the school.

## DEADLINES WERE MET, AMID MASS CONFUSION

Although the 1967 Forester Staff was forced to work in less than half of a room, their assignments were completed on schedule. They broke in a new advisor, who was in the midst of her wedding, and from then on things went rather smoothly.

The editors took charge of the page layouts, scheduled pictures, and assigned copy for the staff members. The staff also took subscriptions and solicited advertisements. They had charge of the concessions for all home athletic activities and they had the chance to earn extra money when F.L. hosted the Region 7 Wres-

ting Tourney.

An added enticement for some of the staff, was the N.S.P.A. Convention held in Chicago during the Thanksgiving holiday. They attended meetings and banquets. In their spare time, they explored the city and gained friends from across the nation.

The Staff sincerely hopes that your yearbook will bring you infinite memories.

**WHERE THERE ARE STUDENTS,  
THERE IS NEWS.**

"Harumph! Liver again!" Mr. Cathcart, Breeze advisor en route to Chicago's NSPA Convention.

With the special guidance of Mr. Robert Cathcart, the Breeze staff produces the school's bi-weekly newspaper.

The Breeze has a large staff of forty-one to cover every possible story. The amateur journalists are reporters, typists, cartoonists and photographers.

Wayne Alfveby, Mary Berven, Earl Buys, Mark Lellman, and Carol Marier attended the National Scholastic Press Association Convention in Chicago during Thanksgiving vacation. They toured the city and attended meetings and a banquet for all the delegates.

The FLHS students look forward to Friday afternoons when the Breeze is passed out. They eagerly read the articles which are serious, humorous, and witty. Although the Breeze staff strives for perfection in journalism and high literary quality, their primary purpose is to produce a newspaper that can be enjoyed by teachers and students.

# FADS . . .

## EVERYBODY DID IT!

For some the Paul Revere and for some the mini-cut were the "in" hairstyles. The boys went wild for pants . . . from stripes and plaids to paisley prints. Although there were crazes for the western and the military styled jackets, the old standby hero jacket remained

the favorite style. The girls still went in for the original shoes, tent dresses, and for the extra large earrings. Approving gazes followed the girls in their furs . . . whether fake or real.

Mary Ersfeld's hair might look like Paul Revere's, but she doesn't.

Join the pants rebellion! Steve Knutson, Scott Alvin, and Craig Messner.

Button up your furry coat, it's cold outside! Sue Mackey.

-It isn't a lifesaver . . . it's Linda Swanson's earring.

"No, I did not get my foot caught in the paper cutter!"

"Do you think this tent is big enough for the six of us?" Linda Simmons.

Mike O'Donnell and Linda Boehm chose the vogue dress coat for special occasions.

## THE FACES

Miss Lois Hanley

**JUNIOR  
HIGH**

Mrs. Kay Banish serves as secretary to our principal. She also serves as the book-keeper.

Always busy, Mr. Manley runs our school smoothly and efficiently, but he always has time to talk and discuss things with the students.

Mrs. Reiman, the guidance secretary, has a big job keeping up with the counselors many appointments.

Mr. Hollander, the eighth and ninth grade counselor helps the students plan their futures. His many suggestions are helpful to students.

The sixth and seventh grade counselor, Mr. Ratzlaff, helps the younger students adjust to the ways of the Junior High. Here he helps a student by explaining her classes for next year.
