The age of computers has arrived

Computers have touched almost all phases of our lives in one way or another. Even in Forest Lake High School one is in contact with a computer. Daily schedules are produced from the TIES computer, hand calculators are becoming more and more popular and classes in business, electronics and math all touch the computer field.

These machines have also invaded the business world. Big corporations utilize computers and even small towns like Forest Lake are experiencing the impact of the computer boom. Grocery stores are beginning to invest in electronic scanners which are not only easier to use, but faster for the customers.

These machines will change our lives forever.

Some timeless activities remain unchanged

Computers may have changed many things but there are some traditions that will remain virtually untouched by the new era. A river in the fall, a school's homecoming activities, spending a quiet moment alone with friends. These are but a few examples of personal experiences unchanged by electronics.

The process of life

Each yearbook includes a theme around which the school's story revolves. Our life is a process, much like the workings of a computer.

At Forest Lake High School teachers input information through classes to their students. Programs encompass not only classes but all extracurricular and athletic interests. The output is the complete student, each one gaining knowledge which will be applied throughout their future. Of course, information is stored in data files, which include supporting advertisers and the index of the 1980 Forester.

Homecoming: Old traditions with new people

Homecoming week, October 1st thru 6th, was a success. There were a few bugs, but they were worked out and didn't put a damper on the week's events.

A fun-filled week was planned for the student body. Each day was different such as Hat, Tie and Button day, Maroon and Gold day and Dress-up day. Not only were the days filled with activities, but the nights were pretty spirited too. Homecoming '79 included the bonfire and snake dance (which was a rather heated event) and skit night, which included wild and crazy people on the floor and in the air. There was also the parade downtown Forest Lake with a special appearance by Bob Lurtsema.

FLHS alumni and students celebrate homecoming

Those who felt the need to get up and dance were satisfied too, a sock hop was also included in our activities. With all of this night life, one could still not forget the very important activities, such as the coronation of the king and queen (Dan Veirling and Sue Burke) and that very exciting homecoming game when Ranger football players won in overtime.

What can be said after such a week? Just thanks to all the people who made it a success — our student council and the students themselves.

1. Connie Westergren puts her all into Cross Country. 2. Cheerleaders help raise spirits at the homecoming bonfire. 3. Luke Rylander participates in skit night activities by playing the Samauri Ranger. 4. Leading off the snake dance the drum section beats the path to the bonfire. 5. Queen candidate Mary Koch is escorted by king candidate Mark Kasma. 6. Forest Lake Marching Band performs their halftime show. 7. Homecoming candidates Michelle Chenoweth and Scott Kohls. 8. Rangers prepare defense at line of scrimmage against the Moundsview Mustangs.

Foot stomping fun at Sadie Hawkins

This year's Sadie Hawkins Dance was held November 2. The four member band, Tyrann, played many popular tunes by Boston, Foreigner and most of all, Styx. Their music was good to listen to, but made dancing difficult.

The junior class council coordinated the evening including decorations and the traditional marriages and divorces. Newly married couples could also have their wedding portraits taken on the bales of hay.

Thanks to the junior class council, this year's Sadie was a memorable one in many ways.

1. Kurt Nelson, Julie Heck, Jordene Johnson and Rick Schwab enjoy getting their picture taken at Sadie. 2. Paul Helin and Mary Sargeant share a dance. 3. Clyde Fulks latches onto Karen Savela. 4. Sue Delmedico "rings" Tom Ferrazzi. 5. Dancers line up for the famous Bunny Hop. 6. Greg Bower "marries" Dwight Johnson and Kim Thoeny. 7. Taking time out to relax, a couple watches the rest of the action.

Love was the theme of the day

Students could show their feelings for other classmates by sending a valentine and flower on this special Valentines Day.

The evening was filled with music and dancing with the student council sponsored valentines dance, featuring the band R & R. The group performed a variety of numbers, from polkas to blues and rock. A great way to end any day.

expressed in hearts, flowers and music

1. Laura Miller and Karen Kazmierczak of student council, prepare hearts. 2. Kathy Clendenen and Wayne Lund write valentines during lunch. 3. Sue Fedje, Jordene Johnson and Julie Heck are buying valentines. 4. Debbie Wettschreck sends a valentine to her "friend," as Chris Holt watches. 5. Ms. O'Connell, Jennifer Gubash and Cathy Davis wait patiently to purchase a valentine. 6. Hearts being cut out by Karen Kazmierczak. 7. Bob Culp is thinking about what to say. 8. Rick Waxberg talks with fellow student about writing valentines.

Politics, pageants and presentations

In this year of 1979-1980 the world scene has changed drastically. The mid-east was in a turmoil with fifty of our people caught in the middle of Iranian politics. The Olympics in Moscow and the threat of a U.S. boycott. On top of all of this inflation sent gasoline prices well over a dollar a gallon. Long gas lines were a common sight in '79 with customers who hoped for at least ten gallons before the station ran out. What will the remainder of 1980 hold for us? A presidential election this year may change the course of affairs for the future, hopefully for the better. On the local front one of our own Forest Lake Senior High students, Regina Laroche, won the title of Junior Miss, representing Minnesota.

1. Bannering a school board meeting with negotiation issues is Loyal Hyatt. 2. The golden arches of McDonald's gives Forest Lake a new look. 3. The successes of the Olympics was a great highlight of 1980. 4. The familiar FLHS face of Melba Sehlin won the honor of being the Outstanding Secretary of the Year. 5. Minnesota's Junior Miss 1980 — Regina Laroche. 6. These popular magazines kept everyone up on all the current issues. 7. Concerns are taken in by many familiar faces at a school board meeting.

Students enter the job market

Today most high school students find it necessary to have a part time job. Most take a job for extra money to buy things their parents couldn't or wouldn't buy for them. Along with the money they are also taking a step ahead of most by gaining experience in the future job market.

There are also courses and work release programs within our school which help a person find a job and get school credit for working experience.

Most students spend about twenty hours a week at their job. This has had an effect on after school activities. Many students who may want to participate in after school activities cannot because of a job.

The working high school student appears to be here to stay. Because of job commitments students must establish priorities of job and school; sometimes a difficult choice to make.

1. Working with precision at Hardware Hank is Tom Ruggles. 2. Penny Carlson works with concentration at the Professors. 3. Tom Pepin rearranges and straightens shelves at Rolseths. 4. One of many Forest Lake High School students work at bagging groceries. 5. Rosemarie Morley will take your order, that's her job at Sears. 6. Employed by our Public Library is Lynn Koch. 7. Students have a variety of job opportunities such as washing dishes. 8. Rachel Schleising rings up your purchase at Hardware Hank.

Dollars disappear as fast as they're earned

Inflation, a major concern during the 1979 school year thanks to the oil crisis, is the pinch felt all over the world and here in Forest Lake. Gasoline has surpassed the dollar per gallon barrier with the cost of clothing, food and entertainment increasing at astounding rates.

Guys and gals come to school almost daily with freshly permed hair, from frizzy to curly. Today's clothes are a flashback to the 40's rage, spike heels and padded shoulders, slim legged pants and tight slit skirts. Last but not least there are the ever present tennis shoes; Adidas, Pumas, and Nike.

There are many ways for students to spend their hard earned cash and the prices appear to be increasing with no bounds in sight.

1. Joe Finger shows off his car. 2. The price of gas is no secret, it is over a dollar a gallon. 3. Forest Lake has grown in the last few years. 4. Fashions have influenced high school students such as the thin collars. 5. We spend much of our money on food and gasoline. 6. A popular student spot, Burger Chef. 7. The renovated Forest Theatre attracts student dollars. 8. Dan Vierling enjoys a most prized student possession.

School councils aid communication

This year's student council, under the leadership of Rosemarie Morley, has promoted school spirit and the feeling of unity among the student body.

Throughout the year the student council has been the sponsors of many spirit filled activities. Some of these activities include the blood drive, college fair, elf-o-grams, Santa pictures, dances, valentines and flowers. They also have a concession stand that is open after school for snacks.

The class councils are also a very important part of the representation for the student body. The councils work on fund raising projects for their class. The juniors are in charge of getting the junior-senior prom in order and the senior class council is responsible for senior week.

A study of practical skills

Office Education Association is an important part of learning about the business world. Students who have an interest in the office skills are placed in jobs to further increase their knowledge of an organized and working office situation.

This year's OEA week included a teacher's tea and a Mr. Legs contest where male teachers had pictures of their legs and faces on display in the show case. Students were then to match the face to the legs for prizes and vote for the best looking pair of legs. This year's winner was Mr. Rowbotham. There was also a balloon popping contest for prizes and a guess the number of candy hearts in a jar.

Future Homemakers of America are a group of students planning for the modern home of tomorrow. What will be required of the future family and homemaker and what challenges and changes are ahead? These students participate in bake sales and other activities which not only benefit the group but the person participating. They know they are preparing to tackle the future.

Band, learning and entertaining

The musical beat can be heard all over FLHS, especially where the band is concerned. Not only does the marching band perform for football games, but pep band provides entertainment and spirit for other games.

This year's band had a new director, Mr. Bill Peacock who came over from Southwest Junior High. He has fit into the swing of things and has added very good concerts to our school this year.

1. Concert Band, Front Row; Sherri Siniff, Mardi Muller, Karen Jensen, Amy DeHaven, Tammy Krech, Lisa Rogers, Michelle Riermann, Sandy Moran, Kathy Paulson, Julie Rogers, Kim Sebeck, Jeanette Dubay, Kris Cohoes. The Voice of Music

Singing is an important part of the music department at FLHS. Mr. Jim Lindstrom, the director of both Introduction to Choir and Acappella choir, did a fine job in producing quality concerts that had a polished sound. This is a hard task but he had worked for as he says "near perfection" and has pretty well achieved it.

1. Introduction to Choir, Front Row: Jody Kipping, Kristy Anderson, Donna Powers, Rondi Kellerhuis, Tomiann Caron. Second Row: Lori Black, Ginger Olsen, Kaadgi Richards, Debbie Jensen, Candy Hummel. Many cultures represented at Forest Lake

This year in Forest Lake High School we had the privilege of hosting a record number of students from other parts of the world. Vania Moreira from Brazil, Eva Weidenhaijn and Tom Gronberg, both from Sweden, Ursula Nummi from Finland, Vilma Duron Gonzales from Costa Rica, Kozo Kakuyama representing Japan, and Diana Minervine from Columbia.

These students have experienced life in America for the school year and will return to the respective countries with many special memories of our life in Forest Lake. While in our country, most of the exchange students have been able to travel to other states and climates, gaining first hand knowledge of the United States and it's people.

Gaining knowledge of lands and languages

It takes a special kind of person to speak a foreign language with ease. These kinds of people are found in French and Spanish Club. Each of these students enjoy the art of speaking a foreign language and work hard to improve their skills. A member of the Spanish club Teresita Schultz, lived in Argentina as part of the AFS program. Her background in Spanish afforded her the opportunity to visit Argentina and certainly many members of French and Spanish club also hope to visit many foreign lands in the future.

FFA: A vocation for the future

The FFA is a national organization which is comprised of students of vocational agriculture classes. Our Forest Lake FFA Chapter has roughly 100 members and is one of the top chapters in the state. The elected officers for the 1979-80 school year were: President — Pat Daninger; Vice President — Sharon Thomasen; Secretary — Kellie Dill; Treasurer — Mark Reese; Reporter — Mark Chilson; and Sentinel — Jim Friend. During the summer a leadership camp was held which included these people in setting up a program of activities for the next year.

The chapter received the Silver National Chapter Award and Rick Sandager won the American Farmer degree at the National Convention in Kansas City this year. Rick is the third person to receive the degree in the history of our chapter and it is given to one out of a thousand in the nation. The chapter also had six State Farmer degree winners. The FFA is active in every district contest with a number of good teams from Forest Lake. Teams winning their way to state contests this year are: Soils Judging, General Livestock Judging, Parliamentary Procedure, Public Speaking, and Horticulture.

Our chapter has won the Dahlberg Award for the past ten years. This is an award given to the most active chapter in our district. National FFA week was a week of special significance to the FFA and was celebrated during the week of February 25-29, 1980. At the Chapter Banquet, awards and recognition were given to many worthy members for their outstanding achievements in the FFA. The banquet was held on March 28, 1980 with over 200 special guests and friends of the FFA in attendance.

Publications strive to preserve memories

This years' Forester staff worked very hard to bring the students of FLHS a yearbook to represent the 1979-1980 school year. A giving spirit helped the staff through the late nights and holidays they worked. The yearbook is the only publication most people keep after their high school years to remind them of the good times as well as some of the moments they might like to forget.

The Forest Breeze, our high school paper, has had problems with producing the paper. They had staff problems which resulted in not enough staff to produce a good school publication. Students need to get involved in these activities to keep them alive.

Guys and gals grace FLHS stage

The fall musical this year at FLHS was Guys and Dolls. This is a very popular play about gamblers, night club dancers and a Mission. It was the traditional boy gets girl, boy loses girl, boy gets girl kind of romance, but the combinations are the things that seem unlikely.

Nathan (Chuck Schultz) Detroit has been engaged for fourteen years to a night club dancer named Adalaide (Kathy lannelli). Sky (Mark Wehner) Masterson is "suckered" into a date with a woman from the Mission, Sarah (Deann Wishon) Brown. This date lands the two in Havana, Cuba.

The play is full of gangsters and strippers, cops and "flashers" and was a very successful play for those at FLHS.

1. Learning new choreography to their stripper act is Robin Peltier, Lynn Koch, Lisa Novack and Ann Linz. 2. Why not marry the man today says Adalaide (Kathy lannelli) to Sarah in rehearsal. 3. Confrontation between General Matilda B. Cartwright (Lisa Lichtscheidl) and Sky Masterson (Mark Wehner). 4. To create the "magic" Hotbox name takes a group effort. 5. John Proulx works on his masterpiece backdrop with Deidre Taylor. 6. "Look" says Nicely Nicely Johnson (Paul Celusta) to Benny Southstreet (Fred Steinmann). 7. While on their trip to Havana, Sarah played by Deann Wishon gets a little tipsy and does not want to leave with Sky Masterson. 8. Adalaide explains to Nathan (Chuck Schultz) that the reason she does not get rid of her cold is due to psychology.

A Solid Success

The winter show at Forest Lake Senior High was the comedy The Solid Gold Cadillac. It was a show about an old lady who puts her nose into a big corporation's business. To shut her up the company gives her a job to keep her busy, but this only aggravates the situation and she gets more involved than ever. The show had some new faces to the drama department, which worked out very well. The show was directed by Mr. Richard Carlson and was a show that delighted people of all ages.

1. Lisa Kuznia and Regina Laroche shoot the strain of Big Business. 2. "This play is actually funny." is what Mr. Carlson seems to be saying. 3. Chuck Schultz, John Joachim and Fred Steinmann give the "OK" to Erica Anderson. 4. Miss Logan (Sharon Adams) reaches over Ed McKever (Joe Kasper) to retrieve a fallen phone. 5. Mrs. Partridge (Lisa Lichtscheidl) is a natural as an executive. 6. Fred Steinmann as Clifford Snell gives a report at the annual stockholder's meeting.

Many forms of competition

The 1979-80 debate team had an excellent season. Under the coaching of advisor Ralph Streater the team recorded another winning season.

Lead by the team of Dave Dunbar and Rick Little, the debate squad has brought home many trophies. Tony Bergerson and Ed Dow have also placed well in competition.

This activity takes a person who is willing to dedicate a lot of time and energy in digging up evidence for this years' topic on foreign trade. The dedication of the FLHS debate squad can be admired by all.

The 1979-80 Lettermen's club has a new goal in mind; to become a club that will service the community as well as the school. They arranged the night Birchwood visited the basketball game and also sponsored the annual car wash in the fall. Some aspects of tradition remained with their usual initiation of new members held out of school.

In service to students and school

Have you ever felt totally lost or confused in a math or science class? If so, there was someone you could come to for help. The math/science tutors were volunteer workers whose duty was to aid people having difficulties with their math or science classes. In the same manner, many students donate their time to other students in the skills development center as a one-to-one tutor. All those who serve as tutors at FLHS are willing to give their time to aide others and in return receive the satisfaction of knowing they've helped their peers.

The students that help in our school office and other offices in FLHS are very valuable people. They assist with secretarial work, office records, filing and many other duties which help the secretaries immensely.

Ski Club has given many students the opportunity to go skiing at different ski slopes in the area such as Wild Mountain and Trollhaugen. Ski club has also provided the enjoyment of skiing with classmates, while not having to worry about the many expenses, such as transportation. Although the winter was warm, skiing was still super at local slopes. With the help of advisors Steve Hallin and Junior Branson ski club was another annual success.

Endurance, pain and the feeling of accomplishment, that's what goes into and what members got out of weight club. Each participant had to put a lot of effort and a willing spirit to gain a fulfilling feeling of satisfaction.

A year long source of energy and spirit

Perhaps the most well known club for school spirit is the cheerleaders. Their liveliness and enthusiasm have been an important part of spirit at the numerous athletic activities. They organized things such as Homecoming activities per buses and

Pepfest participants direct school spirit

Morale and spirit are an important part of the smooth workings of a school. Two of the school organizations are primarily in the "spirit business." They are the cheerleaders and the Rangerettes.

Rangerettes add a vital part to the spirit of the school performing at halftimes for basketball, football and wrestling games. They also danced at the state tournaments and took third place in danceline competition.

Cross Country Marathon Men and Women

All the miles the Cross Country team ran this summer really paid off. The team was the largest in the history of Forest Lake, with thirty-five runners.

Led by captains Randy Haus and Matt Moraczewski, the boys' team was runner-up at the Ranger Invitational. They also placed third in the conference and eighth in the regions.

The girls' team was led by Dawn Marsh and Sherri Siniff. The team took home first place trophies from the Ranger Invitational and Elk River Invitational and were second in the conference led by Peggy Paulino, who won her race. Overall, the girls placed fifth in the Regions.

For the first time ever, the Cross Country team sent two runners to the state meet. Senior Ray James qualified by placing fifth and sophomore Peggy Paulino by placing second in the Regions. At state competition, James finished 92nd and Paulino grabbed 31st place.

 Ray James is leading the pack. 2. Jim Ramacier studies to pass his opponent. 3. Running hard are Rangers Patrice Lallier and Toni Haus.
Chad Rugroden running strong. 5. Sophomore Toni Haus gets a little added support from Dawn Gudmundson. 6. Peggy Paulino earns her reward for an outstanding job. 7. Dan Kelly outruns a pioneer runner.

Always improving is girls' tennis

Each year the girls' tennis team continues to show improvement. Despite poor weather during the beginning of the 1979 tennis season, the team displayed assurance and poise. In each of their matches, each team member strived to play their best with such devotion paying off for Jean Gunderson, who was voted most valuable player, and for the team of Marie Paulson and Mary Brusy, who received honors as the most improved.

Practices started with a half hour warm up including a long run. After the exercise period, the team would get to their game with coaches providing instruction and advice for improvement.

Early morning practices and a winning desire were strong attributes of this year's team which worked to not only improve the members' tennis skills, but also their sense of personal accomplishment.

 Vera Meyers is pleased with her tennis swing. 2. Kelly Holl stops to concentrate. 3. Mary Kae Summers expresses a feeling of confidence.
Val Quigley puts her best foot forward for a good shot. 5. Ranger goes for a hard shot. 6. Coach Sally Irvine shows off her talents.

Many kicks are at FLHS

This was the fifth year for soccer in Forest Lake. For the past four years, efforts have been made to include soccer as an official inter-scholastic sport, however, as yet these efforts have not been successful and soccer remains on an intermural basis at Forest Lake Senior High.

Forest Lake's scrimmage record for the season was no wins and four losses. Although the team was not the final winner in its competitions with other schools, each game was an exciting match. In the first scrimmage, Forest Lake lead 1-0 for three quarters before giving up three late goals to lose 2-3. In the home-away series versus Marshall University High, the team lost 2-5 at home, then were beaten 1-3 in a see-saw battle. In perhaps the most exciting match the soccer team shut-out Minneapolis West before they tied it with seven minutes remaining at 1-1. Then, with 40 seconds left in the second overtime period, the ball found the net and West edged Forest Lake 1-2.

As one of the most popular sports in the world, soccer is here to stay and those who have participated in Forest Lake soccer know why.

1. Coach Dettmer misses the block against Jeff Flaherty's kick. 2. Luke Rylander concentrates to return Wavrin's pass. 3. Jeff Flaherty prepares to intercept the coming ball. 4. Al Keis fires up as Todd Patterson backs off from the fight for the ball. 5. Jeff Steffenson and Jeff Wavrin pass the ball to build coordination.

Continual court action means volleyball

The win/loss record for the 1979 volleyball team was an up and down seesaw. The conference record was 5-4, non-conference 3-2, invitational record was 3-3, regional record 0-1, with the overall record at 11-10.

Team members with the highest percentages of successful serves include Dina Kemnitz, Ann Schumacher and Cathy Collyard. High scorers were Cathy Collyard, Sue Beattie, Brenda Boleen, Joyce Wistrcill, and Dina Kemitz.

1. Mindy Briggs and Terri Gort watch the return slip past opponents. 2. Opponents attempt to score on the Ranger team. 3. Sue Beattie serves for another Ranger point. 4. The coach and team get into the Ranger action. 5. Mindy Briggs listens intently to Coach Paulson's advice for the Ranger plan of attack. 6. Julianne Schrom ready for the return of an opponent's serve.

Wrangling Rangers battle on gridiron

This year's football team finished the season with a 3-6 record. The inexperience of the players is the most likely reason for the 3-6 record according to Coach Anderson.

The team produced six All-North Suburban conference players. Defensive back Mike Yuronich, junior, and defensive tackle Roy Elsenpeter, senior, were both first team all-conference. Named honorable mention were Jim Henrichsen, Stu Smith, Pat Daninger, and Rick Schwab.

Perhaps the most remembered game was our Homecoming when in overtime the Rangers beat the Moundsview Mustangs 14-13.

1. Kevin Halvorson, Rick Schwab and Brian Nieland urge the Rangers on to a victory. 2. Rangers huddle to plan the next play towards victory. 3. Coach Anderson explains plays during halftime. 4. Rick Bruner gets the ball off before the sack. 5. Don Johnson and Jim Friend use their Ranger power to stop the defense from getting the kicker. 6. Letting his enthusiasm show is Jim Friend. 7. Ranger dives to stop Coon Rapid's Cardinal. 8. Stu Smith leads the Rangers on the field.

Forest Lake hockey scores big

"The Forest Lake Senior High hockey team is looking very good this year," states coach Doug Peltier. Under the leadership of Brian McLaughin and Jim Henrichsen, the team beat Ramsey and Kellogg for the first time in the history of the hockey program. Sophomore Duke Remitz, goaltender, provided the team with more strength than ever before. Thanks to the added skill and strength the team will make it to the top.

1. Brad Werth battles to get the loose puck. 2. A Ranger iceman tries to outmaneuver Anoka defensemen. 3. Another save by our Ranger goalie. 4. # 1 Duke Remitz cautiously guards goal. 5. Kris Cohoes, along with Ranger fans, cheers on the mighty Rangers. 6. Mr. Mikolajezyk gives instructions to the waiting defensemen. 7. As the National Anthem plays, Ranger icemen concentrate on the upcoming game. 8. Jeff Berglund carefully plans his strategy.

A graceful, precise art

With returning letter winners Linda Ensrud, Sue Burke, and Wendy Forester, the gymnastic team continued to develop their skills throughout the 1980 season.

To succeed in gymnastics, an individual must train for hours, always striving to perfect their special routines. As both an individual and team competition, FLHS was well represented by our dedicated gymnastics team throughout the 1980 season.

1. Mary Purdie performs for the judges. 2. Making her dismount is Toni Haus. 3. Coach Nelson watches for rough areas in the girls performances. 4. A difficult stunt looks easy. 5. Becky Lanahan shows her skill on the balance beam. 6. Vaulting takes keen timing to do well. 7. Toni Haus ends her performance but missed the mat. 8. Linda Ensrud gracefully exhibits her talent.

Grapplers make their move

This year's wrestling team developed very fast throughout the year and became a team that worked very well together.

This year's captains Jeff Reiman, Dave Gustafson and Randy Haus became important team leaders during the season. Under these captains some outstanding wrestlers emerged, including Dave Alm, Rick Schwab and Dave Leckie. Rick Shuster will be remembered as one of the most improved team members during the season.

Meets included not only conference competitions, but also the Forest Lake Invitational in December and a trip to Grand Rapids during January. Under the direction of coaches Bob Dettmer, Tom Pogreba and John Reiman, FLHS can be proud of their wrestling team.

1. This Ranger is striving hard for a take down. 2. Rick Shuster fighting vigorously for his pin. 3. Another noble try for the Rangers. 4. Johann Piekert readies for his reversal. 5. Ranger's team goes wild after another victory! 6. Joe LaBelle rests after a hard match. 7. The wrestlers battle it out for points. 8. Pushing his man for a pin is Joe LaBelle. 9. Our mighty Rangers go for another take down. 10. Another close pin! 11. Dave Leckie waits for the referee to call the pin.

Girls' basketball . . . a team effort

This year's Girls' Basketball team has had a good season. The team realized they would have to pull together and work for an active and winning record. This was accomplished, but only through hard work and the desire for a good team that can work as a unit and win together.

1. The ball is a real steal as a Ranger takes a chance. 2. Keeping the other team on the run is tricky business. 3. A long throw is executed by Jill Nelson. 4. A disagreement halts action on the court. 5. A Ranger keeps the ball in her possession. 6. Making a solid catch is Jill Nelson. 7. A jump ball starts the court action. 8. Jill Nelson takes a chance to sink a basket. 9. Moving the ball down the court takes speed.

Teamwork leads to a satisfying effort

Boys' basketball started out the year with only one returning letter winner, Scott Kohls. After a few difficulties at the beginning of the year the team shaped up and started playing like a real team out to win. This only came about after some very hard work to become a unified group of people who always worked towards a common team effort.

1. In the game Rangers vs. Moundsview, Jim Jorgenson is enticed with a tip off. 2. A desperate attempt was made to gain control over the ball. 3. David Matuseski shows a lot of effort when he reaches for the ball. 4. Another victorious attempt of the Rangers to recover the ball. 5. A jump ball including Greg Bower. 6. Take a break when you can. 7. Bucketmen attempt a shot.

When we do meet again

Here it is this poem for you, you're still the sweet people I always knew. My thoughts and feelings are in a mess, cause what I'm thinking is hard to express.

But I've never seen you without a smile or grin, both of you were so great and would never give in. You were always fun whatever we'd do, and when you smiled, it lasted the whole day through.

You made work exciting, whenever you were there, but now there's something missing, it just seems bare. You were very special to me — there is no doubt, so many good times we had, I'll never forget about.

The precious tears for you rolled in like a tide, the love for you which no one could hide. I remember you well, clear as day, but I'm empty handed with nothing to say.

You were so easy going, with many things to share, life seems so tough, and it doesn't seem quite fair. Your wishes and dreams were set from your soul, you've made many happy, and that was your goal.

The loss of your friendship, I try to deny, you were always there, it's so hard to say good-bye. But it's not for good, there's never an end, I love you a lot and I want to Thank-You again.

IT IS NOT AN END, BUT A BEGINNING, OF OUR UNIQUENESS WE DO NOT SEEK A REASON, BUT A PURPOSE, FOR LIFE. TO US, THE FUTURE LIES NOT IN WHAT WE WILL DO, BUT IN WHAT WE, AS PEOPLE, DO NOW.

Editors Notes: PANIC

PANIC ... The Pleasure Wall ... Wasn't it funny how Betsy was the only one in school after our late deadline night ... New Forester record — 5:00 a.m. ... A loose flagpole greeted the Forester staff after a deadline night ... St. Olaf is a beautiful campus. It gets awfully big when it's raining ... It's too bad some people go to bed at 8:00 p.m. and miss all the last night excitement ... Oh what a beautiful chest ... Did someone call Greg? ... When is the supplement coming out? ... Everything is going SO WELL ... Knock it off Rickie ... funny how it snowed on every deadline night ... The theme was **NOT** Mrs. Redmond's idea.

Man and Machine A combination of metal and muscle. Working together for a common goal. To make the world better to live in. Only time will tell if this wish will come true.
