FORESTER 1980-1981 Forest Lake Senior High Forest Lake, Minnesota Volume 43

The word student means many things. To some it brings to mind books and homework; to others, participation in after school activities. Student also means part-time jobs, weekend hobbies, parties and people; people with unique lifestyles and individual interest.

lifestyles and individual interest. Horseback riding is Lisa Feldt's unique hobby, while Shari Williamson and Shelly Tyler enjoy racing a canoe.

Topping it off

 Dina Kemnitz tries for another winning score. 2. Acapella choir show off their appreciation at the Homecoming Parade. 3. Lisa Rogers, Barb Crist and Laura Miller paint up a storm for Homecoming. 4. Tracy's loe Cream Emporium garnish Homecoming with their decorative window. 5. Captain Mike Yuronich leads the way to victory against Ramsey. 6. Canoers get off to good start at Grand Rapids. 7. Cross Country tries to pile up their team like they did their medals.

"I won't be home for dinner again tonight!" was a phrase frequently said throughout the year by student participators. Not only did students participate in school related events, but also were involved in personal hobbies and interests.

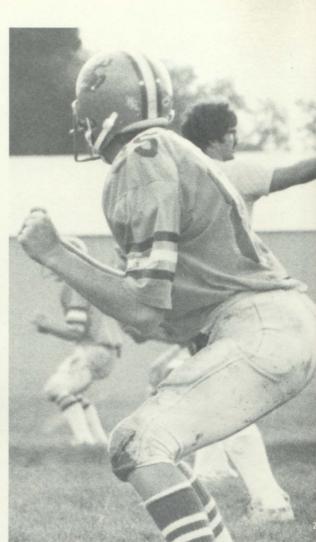

At any time of the day, Forest Lake students could be found active in various aspects of teen-age lifestyles which range from sports activities to clubs and from organizations to employment.

No matter which activity a person was involved in, they gained knowledge and made friends that may have lasted even after they have completed their life as a high school student.

Getting it together

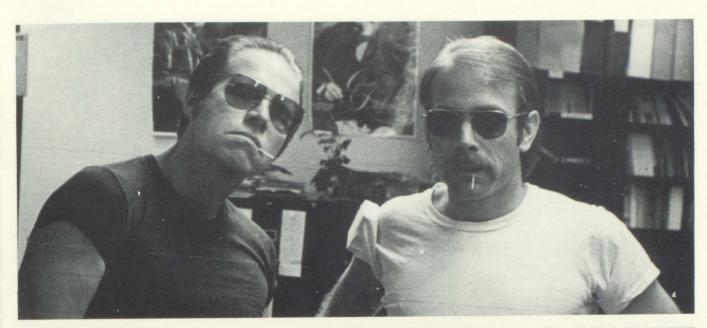

Many people besides students take part in school activities. Teachers and coaches are two that help create good school spirit. They help plan and take part in activities organized to help with school spirit.

1. Bob Pratt proudly displays his 50's gear. 2. A Ranger football player waits for instructions from Coach Anderson. 3. The marching band gets ready to perform at half-time for the Homecoming game. 4. Mr. Bolson and Mr. Fedderly show what it's like to be the "Tough Guy." 5. The varsity cheerleaders show their skill at a pep-fest. 6. Coach Lautigar and Coach Anderson look on the football game with much thought. 7. Coach Rowbotham thinks about what play to use next. 8. Varsity volleyball players circle to celebrate another victory.

Anna Spraungel and Michelle Rafftery show their spirit at halftime at the Homecoming game. 3. Joyce Wistrcill displays her skill as a spiker. 4. Forest Lake students display their artistic talent. 5. Student Council members Dawn Syverson, Laura Miller, Kim Sebeck and Todd Swedeen lead the parade with the ram mascot to be burned at the bonfire. 6. The Rangers show what a real tackle looks like. 7. The Rangers getting ready to announce their starting line-up. 8. The Forest Lake Marching Band plays the "Star Spangled Banner" before the Homecoming game. 9. Number 31, Rick Schwab goes for another touchdown.

Tuning a winning season

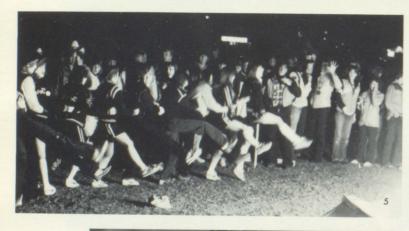

"Tea for Two and Two for Tea," that seemed to be the tune going through everyone's head after the Marching Band performed the song at the Homecoming game. This year, the marching band, under the direction of Richard Hahn, has increased their number from 70 to 170. Besides performing the popular "Tea for Two" other attractions were forming a train, the 51 Hot Dog and the Forest Lake Doughnuts. Another big attraction was our football team. Besides winning our Homecoming game with a score of 23-21, the Rangers ended Columbia Heights' 15 game winning streak with a victory score of 28-7.

Formality reigns

1. Tony Nelson and Dina Kemnitz fire up spirit by burning the Ramsey ram. 2. 1979 queen, Sue Burke, speaks at coronation. 3. Anticipation is over as Tony Nelson is crowned King. 4. Smiles and tears appeared as Dina was crowned the new queen. 5. Spirit gets under students' skin at the bonfire snakedance. 6. Dancers butterfly for the camera. 7. Carrying the crown, Cindy Lundeen walks under the flag arch. 8. Congratulations are given to Dina. 9. Wendy Forster, Val Quigley, and John Koch enjoy dancing to Polka Jacs.

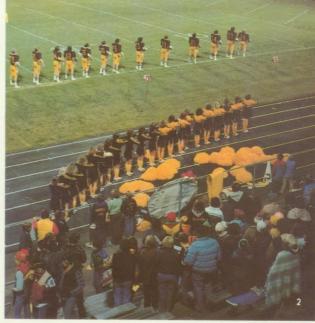

The 1980 Homecoming gave students a chance to adhere to popular traditions and experience fresh alternatives. The annual alumni polka was a jamming success as students packed the cafeteria for three hours. A bonfire the previous night fired up students with the burning of a paper ram and a twisting snake dance.

Turning traditions into fresh outlooks, Student Council changed the time and setting of coronation. Taking place at night, the event reigned with formality as Sue Burke, last year's queen, crowned new royalty. "We feel the night time setting created a more formal atmosphere," said junior Ron Trombley.

 Varsity football players doing their traditional running in the parade under the direction of Coach Anderson. 2. The cheerleaders, football players and fans stand while the band plays the "Star Spangled Banner." 3. Ramsey Royalty (Al Keis and Kevin Navin) make a special appearance at the Homecoming Parade. 4. Other things beside the town windows (Phil Ferrazzi and Claudia Houle) got decorated on Saturday. 5. The Rangers do it again at the Homecoming game against Ramsey. 6. Tracy's Gang is proof that the Mafia is alive and well and living in Forest Lake. 7. The 1980-81 Homecoming Royalty, Tony Nelson and Dina Kemnitz. 8. The Homecoming Court: Rick Shwab, Jayne Gunderson, Mindy Briggs, Tony Nelson, Brian Kopp, Stacy Myers, John Motschenbacher, Lori Berglund, Dina Kemnitz and Scott Dingman.

Homecoming

"Batter the Rams." That was the theme that added to the excitement and anticipation of Homecoming week. This year, Homecoming was planned out by the Student Council, which provided activities for all. They kicked off the week by painting town windows (and people!) on Saturday.

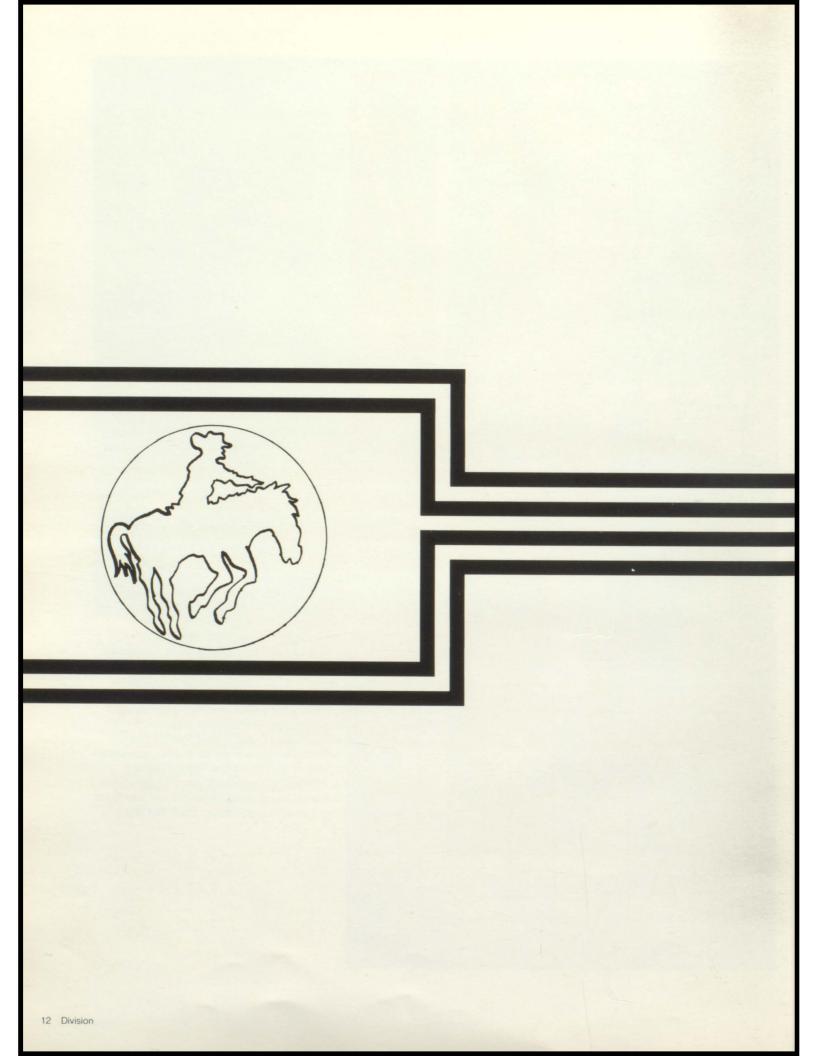

Monday night was Coronation, which was held in the auditorium. To set the mood, people dressed up in their best during the day.

Tuesday night was a time for talents to shine at skit night. The winning skit was presented by the "B" squad cheerleaders.

"What a pair of legs," was a comment often heard as students tried to match up teachers with their legs for the leg's contest. Wednesday was also a day when people could show off their hats, buttons and their favorite tie for hat, tie, and button day.

Poodle skirts, ponytails, bobby socks, leather jackets, sunglasses, and slicked back hair were the fashions on Thursday, as 50's day brought back "Happy Days." Thursday night, the marching band provided the "Street Beat" for the Homecoming Parade which earned them first place. After the parade, the students enjoyed the Snake-Dance and the Bon-Fire. Homecoming Royalty, Dina Kemnitz and Tony Nelson, carried on tradition by starting the Ram Mascot on fire.

The week was topped off by Friday night's football game against Ramsey. After the tie score of 15-15, the Rangers pulled ahead with a 23-21 victory over the Rams. The excitement lasted through the night with the traditional Alumni Polka. Over 1,000 people packed into the cafeteria to see old and new faces and to dance the night away to the music of the Polka Jacs.

Spare time

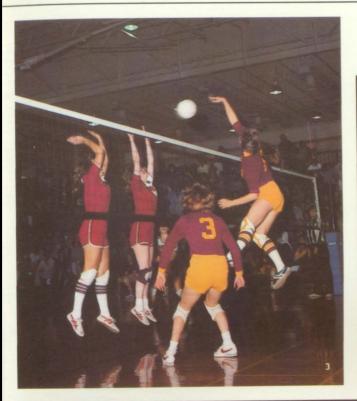

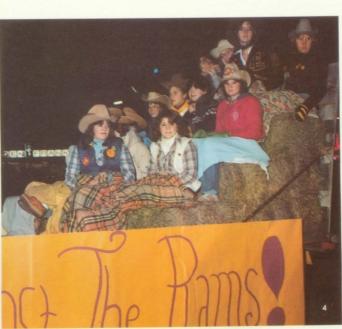

1. Linda Heath and John Kelly show their polka techniques at the Alumni Polka. 2. Kevin Navin and Chuck Stafkie paddle in competition at Grand Rapids. 3. Volleyball player, Joyce Wistreill spikes another one past Anoka's front line. 4. "Roast the Rams" was the theme for the Forester float. 5. Mindy Briggs shows why the Rangers are number one. 6. Mike Ash looks on while Claudia Houle puts her finishing touches on her artistic talents. 7. The flag corp show their discipline at a half-time performance.

Students at Forest Lake High School have different ways of occupying their spare time. They range from school to personal activities which include spiking a volleyball, writing for the newspaper, performing in a play, paddling a canoe, horseback riding, sailing and a range of other hobbies. All are as unique as the people involved.

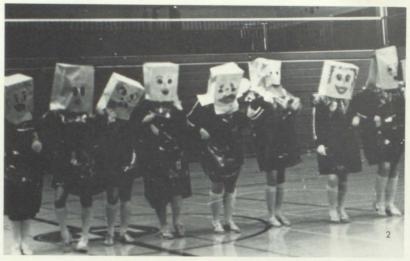

Showing off

 MarCee Olson shows off her button collection for hat, tie and button day. 2. The Unknown Cheerleaders perform a skit for skit night. 3. Stacy Myers and Kim Engberg watch intently at skit night.
Banners add visual spirit to Homecoming. 5. Parents are given a warm welcome by the football cheerleaders.

Sno-Days Storm F.L.H.S.

Sno-Days are coming! That seemed to be a familiar saying between February 2-6 around school. Sno-Days was something new to the student body. It had a similar format as the Homecoming Week. The Student Council planned various activities such as the ice cream eating contest, tropical day, a soccer tournament and the main event of the week, the coronation dance. The music was provided by R & R. The crowning of the sophomore prince and princess and the Junior King and Queen was the highlight of the evening. Sno-Days was something that will hopefully be carried out in the years to come at Forest Lake High School.

Focusing on FOCUS

Focus was described as an alternative education program. Focus is a course where students are treated more as individuals rather than as a class. Because of that factor, the teachers were able to deal with each student personally.

Focus students are those who were not able to function in a regular classroom for a variety of reasons, even though the students have an average or above average grades and ability.

The purpose of Focus is to help students graduate from high school. Since the students of Focus were given individual guidance and the chance to gain back lost credits, they voluntarily choose to stay in school rather than drop out of school.

In Focus, students take basic courses such as math, social studies and English. The classes are held the first four hours of the day.

The advisors of Focus for the 1980-81 school year were Sally Irvine Hagman; social studies, Torn Malerich; math, Carol Mollen; English; Loren Lynch; work coordinator and Jackie Kroska; secretary.

Athletic Director — A Special Job

Coordinating athletic programs, working with the coaches, scheduling practice times. These are just some of the many responsibilities of an athletic director.

Mr. Conely has been the athletic director at Forest Lake High School for thirteen years. Before he came to Forest Lake, he worked at a small school as the coach for all of the sports and was also the athletic director. Then he w ent to another school where he taught phy-ed. He was also the head basketball coach and the assistant football and baseball coach.

Mr. Conley's jobs include getting the officials for home games, making sure that the facilities are in shape, figuring the budget, getting the bus transportation that is needed, and working closely with the coaches to make sure that everything runs smoothly.

Mr. Conely is also responsible for the planning of the sports banquet, and managing all regional tournaments that are held at Forest Lake.

The job of an athletic director is a demanding one and takes a special person to do the job well. Mr. Conely demonstrates that he is that special person.

muscles: this all adds up to the FLHS Cross Countryteam. The boy's cross country team, lead by captain Fred Forthuber did a great job at four invitationals, one of which was held at Forest Lake, which they placed fourth.

The girl's cross country team, lead by co-captains Lisa Rogers and Peggy Paulino, put forth their best efforts for four invitationals. They brought home two first place trophies, one which was from the Ranger Invitational.

The two teams also did well at the conference meet. The boys team placed sixth, and the girls team placed second at regions, the boy's placed ninth, while the girls placed fourth, with a second place by Peggy Paulino, she earned.

The Mighty Tumblers!

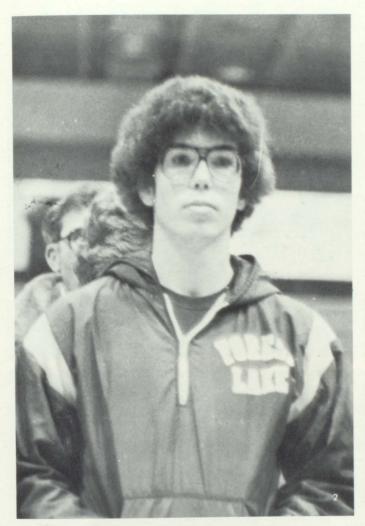

Wrestling is a sport that demands time and effort from every individual on the team. It is a sport that takes quick thinking and an excellent physical condition. This year's wrestling team showed that if you pull everyone's efforts together, you make not a team of individuals, but a winning team.

This year's boy's basketball team, under the leadership of Brian Kopp, Dave Matuseski and Dan Erickson, put in many hours of hard work and practice. It took much of the player's free time, but they all agree, it was worth it. They never settled for second best and always gave it their best shot!

The Student Council started planning for the blood drive two months before hand. The work included getting donors, getting nurses, getting food donations and all of the help associated with the blood drive. Also, another factor for the success of the blood drive was the cooperation of the student body and the faculty. With their help, the Student Council had 142 blood donors.

Communication, Cooperation, Coordination

Spirit! Spirit! That was the main idea behind Student Council which consisted of 25 representatives that voiced the opinions and the ideas of the student body. The Student Council planned various events to involve all students. Some of the activities included Homecoming Week, the blood drive, College, Vocational-Technical and Military Fair, Elf-O-Grams, and Valentines with carnations.

This year the Student Council had a change from last year, they gained a new advisor, Mr. McElrath. "The reason I applied was because I've worked with IPLE in the past and since that program was not open this year, this was the perfect opportunity to work with a group of dedicated, involved and hardworking students."

This year, Student Council used three words as their guidelines: Communication, Cooperation and Coordination. With these words in mind, the Student Council had a successful and productive year.

1. Theresa Gustufson takes minutes at a Student Council meeting. 2. Student Council members: Front to Back: Anna Spraungel, Jane Weeks, Lynn Drolson, Val Stukel, Dawn Syverson, Julieanne Schrom, Todd Levas, Mary Jo Mansmith, Jodi Kolstad, Ron Trombley, Jean Willcocks, Nick Valenty, Karen Kazmierczak, Theresa Gustufson, Leon Laroch, Mike Ash, Laura Miller, Kim Sebeck, Steve Borsma, Kris McKenzie, Lisa Rogers, Barb Crist, Advisor, Mr. McElrath. Student Council Officers: Karen Kazmierczak, Secretary; Lisa Rogers, President; Kris McKenzie, Vice-President. 6. Student Council Advisor, Mr. McElrath. 7. John Rolseth getting ready to give blood.

Along with Student Council, all three Class Councils had the same objective — to promote school spirit.

Senior Class Council, under the direction of Mr. Moskop, had the responsibility of arranging the voting for cap and gown colors, class motto, class flower and the announcements for graduation. They also sponsored Senior Week, which was held in the spring.

Junior Class Council, lead by Mr. Nelson, had the jobs of putting on the Sadie Hawkins dance and the big job of putting on the Prom.

Sophomore Class Council, under the direction of Mr. Lewis, sponsored a dance to raise money for the Prom.

All three councils had their share of responsibilities and put forth much effort to make sure the school year was a memorable one.

Forest Breeze

Winter Drama offers 'Glass Menagerie'

Same Anather Blan Little Courses

As Forest Lake High School's only newspaper, the Breeze staff's main objective was to inform, entertain and inspire the student body. The staff's responsibility was to report news in a thorough and honest manner.

They reserved the right to express themselves publically through editorials. They realized the Breeze was a student publication, so the opinions expressed were not necessarily the views of the Breeze advisor, Mr. Somrock, or the faculty.

The Breeze was in the process of changing its general format. Two new additions this year were the letters to the Editor column and the Photo Poll. The staff was trying to keep the Breeze consistent so changes after the fourth edition were minor.

The people on the staff put forth the effort to bring to us, the student body, The Forest Breeze.

1. The Breeze Staff: Ed Dow, Tim Pratt. Second Row: Renee Williams, Lisa Kuznia, Advisor, Mr. Somrock, Jan Banta, Becky Sechrist, Wendy Wagner. 2. Co-editors Lisa Kuznia and Jan Banta. 3. Capturing Our Memories

Lay-outs, typing, re-typing, late nights, developing, and redeveloping. These were just some of the things connected with working on the yearbook.

The Forester staff put forth many hours of hard work and time to get the yearbook published. Another factor that contributed to the hard work of putting the Forester together was that the Forester room was moved to the Band department, to the A.V. department and then to the Library. This attributed much confusion and made it that much more difficult to meet deadlines, but the Forester staff did it by staying up many late nights.

The yearbook is the one thing that retains the memories of our high school years and the one book we can look back on to capture those memories once again.

Rock and Roll Lives on

On Thursday, November 20th, Forester sponsored their first annual rock concert. The concert featured 3 local bands.

The first band to perform was called The Hugo City Blues Brakers. The members included Scott Bayless, Ted Murphy and Leif Rassmussen. They sang songs by Cheap Trick, The Beatles and many others.

The second band to perform, headed by Dan Spitzer, played some of their own tunes.

Fallen Angel was the main band featured. The group members were all students going to Forest Lake High School. They were Tom Michaud, Dan Schell, Frank Fischer and Rob (Dink) Yuronich.

They played a variety of popular songs.

Fallen Angel was the main band to perform. They worked very hard with Mr. Koski and the Forester staff to organize everything for the concert. They also arranged for the other bands to play.

Music, Music, Music!

This year's band program had a big change, a new band director — Mr. Richard Hahn.

Mr. Hahn's biggest challenge was the Marching Band. After a not too good reputation, he was determined to bring back what the FLHS Marching Band had lost: a band to be proud of.

Mr. Hahn brought a new and fresh outlook with him and that helped the band to start off the new fall season with an optimistic and excited attitude. This approach revitalized the members' spirits. Another factor that aided greatly was the variety in Mr. Hahn's program. Something different for every game. These included the popular "Tea for Two", the making of the train done to the beat of "Work Song", and the "51 Hot Dogs".

The main reason behind the improvement and success of the Marching Band was Mr. Hahn's confidence in the group. This confidence in them kept the group's spirits high and when the compliments kept coming, they were more determined than ever.

Mr. Hahn worked very hard with the band. The result: a marching band that made everyone proud of the FLHS Marching Band.

Students Gaining Work Experience

This year a new work program entitled Diversified Occupations is being offered to seniors at Forest Lake High School. Students who are not behind in cedits, have good attendance and have a job, may be excused early from school to go to work if they do not have required classes which require them to remain at school. In addition to actual work experience, the students attend a related class each day called Occupational Relations.

Not only do the students get credit for their employment, but the experiences on the job should make them better prepared in the real world. A student must work a minimum of fifteen hours a week and if absent from school can not report to work. If rules in school or work are violated, a student may be dropped from the program which would result in loss of credits.

A number of occupational fields are represented in the program such as sales, clerical, secretarial, teacher aide, carpentry and food services. It is hoped that enrollment will be such that in the future the course will be divided into specific areas of office-related jobs, health occupations, distributive education and trades and industry positions.

The students were involved in organizing an employee-employer banquet where the students put on a banquet to show appreciation to their employer for their learning experiences they have enjoyed for the year.

Our Town

"Life, anxiety, new birth, reincarnation, marriage and death; this is our town; Grovers Corner, New Hampshire."

This was the main story line behind Thorton Wilder's play, "Our Town." Under the direction of Henry Hebert, the cast of twenty-four, put on a most memorable play.

It was the story about two families, the Webbs and the Gibbs. George Gibbs, played by Larry Crouse, falls in love with Emily Webb, played by Lois Cheesbrough. While giving birth, she dies. After her death, Emily wants to return to see earth one more time. During this time, she realizes how blind "live" people are.

"Working in the play was a great experience. The cast and the director made the work enjoyable and exciting." This comment, made by Jan Banta, is one that is shared by all of the cast.

The one line in the play that had the most impact was a line given by Lois Cheesbrough, "We should love every minute we are alive before death takes it away."

The students that help out in the offices at Forest Lake High School are very much appreciated by the secretaries. They assist them in typing, filing, office records, and many other jobs that are vital in keeping FLHS running smoothly.

Fun on the Slopes

New and Upcoming . . .

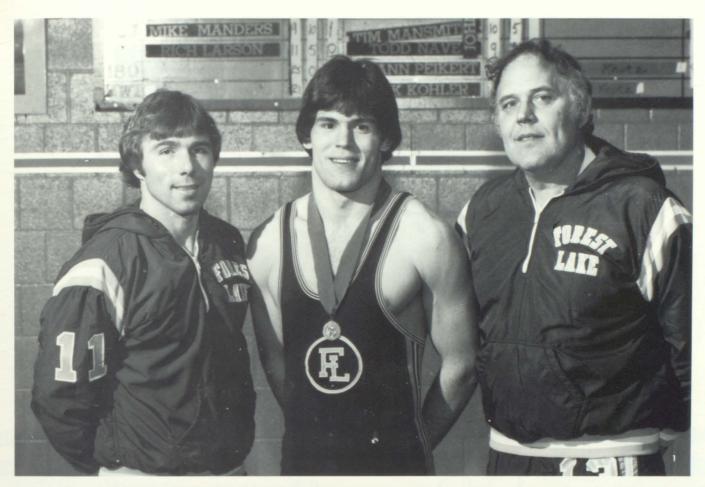

The construction of the sports arena and the pool at Southwest Junior High were common sights in Forest Lake. The sports arena provided an excellent practice place for our Forest Lake High School icemen. It also offered open ice time for the public.

The pool, when finished, will provide a place for swimming classes to be held. Also, like the sports arena, it will be open for the public.

Country Music Lives On!

Every Monday night at 7:30, Young Life got together to do various activities. Every week was an exciting and different one. The meetings took place at different houses every week. Meetings also took place at the Town Hall and a special meeting was held on the mezzanine, where Young Life held its annual square dance.

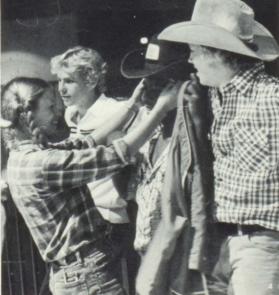

Certain things happened every week such as special guest speakers, movies and often kids showed their talents by performing skits and singing. The evenings were ended with a special message given by one of the leaders dealing with teenage lifestyles relating to the Christian Faith.
