This procedure was developed to comply with School Board Policy JHCD, Dispensation of Medication (528P), and state mandates. It is designed to protect students, parents/guardians, and school personnel.

For the protection of students:

- All medications (with some exceptions) will be stored in the school health office.
- Medications dispensed in other programs and outside the normal school day should be stored in a secure location in that program area.
- If there are concerns about a prescription or nonprescription medication, the licensed school nurse will contact the healthcare provider and/or request a healthcare provider's order for an over-the-counter medication.
- A new medication permission form is required each and every school year.

Procedure

- Medication prescribed for more than two (2) weeks and which must be taken at school must have this permission form signed by a healthcare provider and the parent/guardian.
- 2. Medication prescribed for less than two (2) weeks requires written permission from the parent/guardian only.
- 3. Over-the-counter medication should have this permission form signed by the parent/guardian.
- 4. All medications should be in original containers labeled with the following:
 - a) Student's Name, b) Medication Name, c) Dose, d) Time of Day to Take Medication, e) Healthcare Provider's Name
