Your Medicaid renewal letter is coming. Don't miss it!

Do you or your children have health insurance through Health First Colorado (Colorado's Medicaid program) or Child Health Plan Plus (CHP+)? If so, here's what you need to know. Be on the lookout for a renewal letter in the mail from the State of Colorado. To ensure you receive this critical piece of mail: make sure your address, email and phone number are up to date with the State of Colorado.

This renewal letter will tell you one of three things:

- The State of Colorado is renewing your Medicaid or CHP+ coverage, or
- The State of Colorado is ending your Medicaid or CHP+ coverage, or
- The State of Colorado needs more information to determine if you or your family member still qualify for Medicaid or CHP+. If so, a renewal form will be included.

Remember: Update your address. We don't want you to miss this important piece of mail.

Visit CO.gov/PEAK or the [Health First Colorado app](#) on your phone, or contact your [county department of human services](#) to update your contact information.

CAREER DAY

Each year your middle school counselors host a career day for our middle school students to participate in a career day where we have had over 60 speakers attend and share insight into the many opportunities our students can

explore in their future. We have so much fun making this event a success at Eldorado each year and we hope that some of you will share your precious time with us to talk to our students about your career. Therefore, we are reaching out to YOU to volunteer to be a career speaker or if you can share this with someone that you know who might be interested as well. This event will take place on March 16, 2023. We encourage you to fill out this Career Day Speaker Interest form ASAP.

If you have questions or have ideas to support this event please direct them to Stefanie Abrams- middle school counselor--- stefanie.abrams@bvsd.org or 720-561-4497.
