Child Find Notice

Lamoille North Supervisory Union (LNSU) is required by federal law to locate, identify and evaluate all children with disabilities. The process of locating, identifying and evaluating children with disabilities is known as child find.

Schools in Lamoille North Supervisory Union conduct Prekindergarten and Kindergarten screenings each spring, but parents may call to make an appointment to discuss their concerns at any time. As the school district of residence, LNSU has the responsibility to identify and provide services to any child with special needs who may require special education and related services in order to access and benefit from public education.

If you have, or know of any LNSU resident who has a child with a disability under the age of 21, or a child who attends a private school located in Belvidere, Cambridge, Eden, Hyde Park, Johnson and Waterville, Vermont, we would like to hear from you. Sometimes parents are unaware that special education services are available to their children.
