Nathan Becker, Secondary Campus Asst. Principal

Stuart McClean, Dean of Students

Kimberly Jenkins, Guidance Counselor

Dear Parents/Guardians of 8th Grade Students,

There are several items required of students to begin school, and **a list of needed supplies and materials** is printed on the opposite side of this letter. We would ask that each student **show up for their first assigned day of school with these materials, ready to go. Students should also be reminded, that if they have a district assigned computer and charger, both should be brought to school on the first day they are in person. Those students who were not assigned a computer will have a device assigned as soon as possible.** If purchasing any supplies is a financial burden, please contact Mrs. Kimberly Jenkins, our Middle School Guidance Counselor, at 677-7191 ext. 2421 before the start of school.

We welcome you and your eighth grade student to Upper Adams Middle School! Enjoy the rest of your summer!

Sincerely,

The 8th Grade Team

Mr. Berger, Social Studies

Mrs. Kistler, Science

Mrs. Hallinan, Language Arts

Mr. Ramsey, Gifted Support

Mr. Smith, Math

Ms. Nagode, Life Skills

Mrs. Staub, Math

Mrs. Hughes, Language Arts

Mrs. Jones, Learning Support

Mr. Brewer, Principal
