WEEK OF 3/13/2023

### To, Through, and Beyond College "Impact and Outcome"

As a parent, you can do your part at home to reinforce this important family-school partnership. To help prepare your children for school readiness to stay on track and expand their learning opportunities:

- Set up a daily family routine, including healthy eating and sleeping habits
- Provide a place and time at home for homework
- Check on assignments, homework and projects
- Talk each day with your child about his/her activities
- Promote literacy by reading to your child and by reading yourself
- Limit and monitor TV watching, gaming, social media and computer time
- Express high expectations and standards for your child's learning
- Attend parent-teacher conferences, Open House and Back-To-School events
- Participate in decisions that affect your child's education
- Tap into community resources with visits to a library, museum, zoo or theater and encourage participation in after-school clubs, sports and art activities

If you have any questions or concerns, please reach out to me at [aringo@npfeschools.org](mailto:aringo@npfeschools.org) or send a message to (313) 751-8533.

#### Instructional priorities

Reading, writing, and discussion in all content areas to provide cohesive instruction and opportunities for productive struggle.

Provide effective feedback to students that affirms what they have done well and guides them toward academic improvement and achievement of learning goals.

Study and leverage student-level data on a regular and consistent basis to identify learning opportunities and create plans to address them.

Use rubrics as tools to provide a shared language with clear guidelines and expectations to provide a measure, adjust, and evaluate learning

Huge Shout Out to all of the parents and grandparents who came out to our Parent Breakfast to thank and honor them for ensuring their Scholars are arriving to school on daily and on time. Also, some suggestions were made to help support the Loving Academy students!

Ruby Bridges is an American activist who helped the civil rights movement in Louisiana. She was the first child to desegregate William Frantz Elementary School, an all-white school in Louisiana, which she was selected to attend based on her displayed intelligence at just six years old. She also was later painted by Norman Rockwell and is now celebrated as a courageous Black woman who continued to fight for equal rights throughout her life.

➡ M-Step

We have approximately 5 weeks before our 3-5 students take the M-Step, Michigan's high stake tests. Attendance, daily instruction, tutoring and intervention will be critical. Let's be focused and ready to take action everyday! The results of the various assessments can influence college admissions, teacher evaluations, and whether third-graders are promoted.
