RE: **Recommendation for Approval of Playground Fencing**

On February 2, 2023 the district advertised a Request for Proposals for the Playground Fencing project in the local publication, the Rochester Post, and posted RFP documents on the Purchasing pages of the district's website, Sigma, and BidNet Direct. The district received six (6) responses on the due date. The bid due date originally published as February 22, 2023 was amended, due to District closure for inclement weather, to March 1, 2023. A bid summary was published on March 1, 2023 upon bid closing, and a public reading was conducted on March 1, 2023 at 2:00pm.

This project is to enhance safety and security at playground areas at the following buildings: Baldwin, Delta Kelly, Hamlin, Hampton, Hugger, Long Meadow, McGregor, and Musson elementary schools, as well as Caring Steps Childcare Center. Scope varies from location to location and can include removing or reworking existing fencing and or providing and installing new or relocated gates. This may include either chain link fencing or aluminum fencing.

Proposals were evaluated by the Director of Capital Projects & Facilities, Pete Muscio, and analyzed for bid content and inclusion of required submittals by the Purchasing Supervisor, Jennifer Fickel.

The proposal summary is attached, and proposal documents are on file in the Purchasing Department. The source of funding is the Childcare Grant.

Based on this information, we recommend **THAT the District award the Playground Fencing project to Nationwide Construction Group in the amount of \$120,141.28, and to approve a 15% contingency in the amount of \$18,021.19 for a total project not-to-exceed amount of \$138,162.47.**
