Student's Name: _____

College student is attending: _____

Total Points: _____

1. Which high school, church or community activity has given you the most satisfaction and why?
2. We know you are a talented student; what motivates you to be a good learner and put forth your best effort?
3. What advice would you give a middle school student about achieving success in high school?
4. If you were Mayor of your hometown, what changes would you make and why?
5. What do you consider the most urgent problem in the world today and why?
6. Imagine yourself 10 years from today. What goals and ambitions do you have for yourself, personally and professionally?

7. Aside from a college degree, what do you hope to gain from your college experience?

8. If we were to ask your friends to describe you, what would they say?

9. Is there anything else about yourself that you would like us to know?
