

# TOWN OF Trumbull Connecticut

Board of Education  
District-Wide Master Plan

## About the Project

The District-Wide Master Plan will analyze the existing school facilities, conduct a demographic study for enrollment projections, and identify a planning strategy for future educational delivery and building use that will serve the Town's student population for the next 10 to 15 years.

This process will engage the entire community including a diverse group of school administrators, students and faculty, committee members, businesses, Town staff and residents.

## Board of Education Mission Statement

The Trumbull Public School System, in partnership with the community, strives to meet the educational needs of all students within a challenging and supportive academic environment that empowers each student to become a life-long learner and to live and participate in a democratic, diverse and global society.

## About the Workshop

Our third workshop will be an in-depth presentation with breaks for discussion along the way! The presentation will begin with a summary of the feedback received to date as well as a brief overview of demographics, capacity and utilization. We will then discuss the initial priority tiers and how they inform the current options development.

We welcome your questions - your participation is vital to the process! We want to listen and understand what options are most important to you. Our team will facilitate an interactive dialogue where you can express your thoughts and concerns, ask questions, and discuss topics. With your continued input, together we are shaping the direction of the master plan!

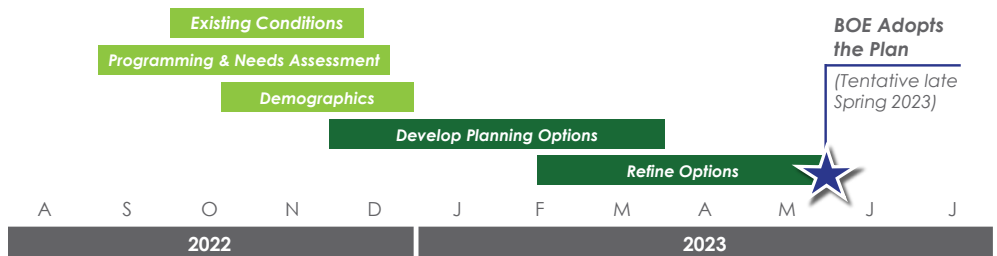

**Community Conversation #3:**  
*Refined and Preferred Option*

**Wed.  
3/22  
6-8pm**

 **Madison Middle School**  
4630 Madison Avenue  
Trumbull, CT 06611
