

The Verbum Dei Jesuit High School President's Gala is a celebration and fundraiser for scholarships to support Verbum Dei Jesuit High School students. This year, the event is raising funds for the Adopt-A-Student Program. On average, this program has to cover \$10,000 per student each year, and with more than 300 students, that is quite a large funding gap.

Your gift will directly impact the students by providing much-needed scholarships.

Thank you in advance for this special consideration. We look forward to seeing you there!
