WAY Researchers and Parents! We would like to highlight your researcher and their work in our Monthly Student Section. Let your researcher's mentor know if you would like for your researcher to be highlighted. It can be on a project that they worked on or a testimony on their experiences with attending our school and what makes them keep wanting to learn from our wonderful staff. We are all so proud of each and every one of our researchers!

Testing

- Joy Jurado

With testing approaching make sure your researchers are using Khan Academy. All students taking the PSAT/SAT can use the free website for testing preparation. The WAY Michigan class code is **USWBZDJ2**. The activities are individualized to help improve reading, writing, and math skills. Students have the opportunity to connect their College Board account or take a diagnostic test to evaluate their current skill level. This program offers up to 8 full-length practice tests.

Parent News

- Kim Iorillo

Hello, Parents and Guardians!

This month's (March) parent meeting will be held on Thursday, March 30th, at 7pm. We will be discussing topics such as spring testing and test prep, live class attendance, parent engagement plan, and other important topics! Please join us for a presentation of the topics and a Q & A session afterwards. Please be on the lookout for our monthly parent newsletter as well! If you are in need of login information for the Parent Portal to check on your student's work, please let us know as soon as possible and we can get that set up for you. Remember that the WAY Michigan school staff and you, the parents and guardians of our students, are a team and need to work together to help our students succeed! Please let us know if you have any questions.

College and Career Corner

- Jackee' Smith

Hello WAY Students and Parents!

Last month was a great month for our students with submitting college applications and applying for scholarships. If you or your students need assistance, please let me know. From March 20th, through March 24th we will be doing a Xello sign up sheet for 6th through 9th grade, and at the beginning of April we will do 10th grade through 12th grade. Please make sure your student is signed up. All parents and students will be contacted if they have already completed Xello. There will be a Resume Workshop and Virtual College Tour on March 3rd. Please keep a look out for announcements and emails.

Words from the Director

- James Middleditch

Hello Parents and Students!!

I hope that you everyone has a marvelous March! We have completed the Spring Count period. Our next shift will be towards State testing this April. Students are required to take the M-STEP, PSAT, SAT, and/or ACT Work Keys based on their grade level. We will be sending out testing letters before Spring Break (March 26 to April 1). The office will be closed and no Live Classes during this time. At WAY Michigan we offer Khan Academy for students to participate in to build their test taking skills throughout the school year. Below is a brief description of the programs:

1. Khan Academy- This website provides a free test preparation course. The WAY Michigan class code is USWBZDJ2. The activities are individualized to help improve reading, writing, and math skills. Students can connect their College Board account or take a diagnostic test to evaluate their current skill level. This program offers up to 8 full-length practice tests.

If you have any questions, please call us at 313-638-2716 or email us at enroll@wayprogram.net.

I look forward to continued partnership this school year!
