# WHO WE ARE

**At Capistrano Valley Christian Schools, discoveries are waiting to be made.**

Capistrano Valley Christian School was founded in 1973 as the first private Christian school in the area.

Parents want their children to be equipped for a successful life of meaning and purpose. At CVCS, we believe that God has created every person for greatness, and our goal is to equip our students to achieve it. We believe that each student has value in God's eyes, and students are encouraged to explore Christianity through weekly chapel services, spiritual retreat, and Bible classes. Christian values are embraced by our world-class teachers and coaches who care deeply, work diligently, and go above and beyond to bring out leaders who are driven to do their best.
