

# NEWSLETTER of the Joliet Township High Schools

## RETIRED TEACHERS

May 2020

### **SPECIAL NOTICE**

Because of the continuing pandemic and the closing of the JTHS buildings we are unable to create a newsletter at this time.

Our late April/early May issue is usually devoted to honoring this years JTHS Retirees along with information about the retirement dinner which many of you enjoy attending.

Because the JT Administration building is closed, we are not able to access the names and information on the 2020 retirees as well as information concerning the retirement dinner.

When this information becomes available we will create the “usual” newsletter and send out both email and print copies to all of you.

In the meantime we hope all of you are coping with these unusual situations and continue to regard the information about when the pandemic is contained. We have noted that the JT District is offering online classes as well as continuing the food distribution that they have been doing since the schools have closed. The students, staff and administration are to be highly commended for their work.

If you have information that you wish to be included in the “real newsletter” whenever it is available, please send it to either Alice Henderson (Cah3205@aol.com) or Dean Sayles (deansayles@comcast.net). In the meantime....

Here's some Old Farmer's Advice to inject a little lightness to these unusual times:

Your fences need to be horse-high, pig-tight and bull-strong.

Keep skunks and bankers at a distance.

Life is simpler when you plow around the stump.

A bumble bee is considerably faster than a John Deere tractor.

Words that soak into your ears are whispered... not yelled..

Forgive your enemies; it messes up their heads.

Do not corner something that you know is meaner than you.

It don't take a very big person to carry a grudge.

You cannot unsay a cruel word.

Every path has a few puddles.

When you wallow with pigs, expect to get dirty.

The best sermons are lived, not preached.

Most of the stuff people worry about, ain't never gonna happen anyway.

Don't judge folks by their relatives.

Remember that silence is sometimes the best answer.

Live a good and honorable life, then when you get older and think back, you'll enjoy it a second time.
