Curriculum Committee Meeting

Call to Order—5:35 PM

Attendees: Jestine Myers, Felicia Lingafelt, Carol Troisi, Heidi Brandt, Sue Steiner, Eric Stair, Ed Sanders, Frank Suchwala, Cheryl Kessler, Sue Myers, Larry Breech, Cindy Jenkins

Discussion included:

Removing the Senior Project as a graduation requirement. Components of it are included in English classes and as part of Chapter 339

Combining Unified Arts and Fine Arts into a category titled Related Arts (allows for more options for students to obtain needed elective credits)

Investigating a different cyber school and creating guidelines and policy for cyber courses that will align with in building courses; how to support our Special Education students when taking a cyber-course; how to support Gifted students and it fills a need we don't have as well as allowing them to complete course at own pace

Professional Development topics for July 1, 2, 6, 7—Journeys, Sapphire, Hybrid, Safety Care, Keystone Project Based Assessments, Discovery Tech, Differentiated Instruction courses on SAS, iPad training for HS teachers, iTunes U course development, iBooks, SAS Portal courses for Danielson Domains—when finalized will send out spreadsheet

Specials schedule for the elementary school

Co-op Program—put on hold

Using Sapphire's Learning Management System for grades, schedules, lesson plan format

Adjourned—6:13 PM

Executive session for Personnel

Respectfully submitted,

Cynthia Jenkins
