Budget Breakdown (Series I)

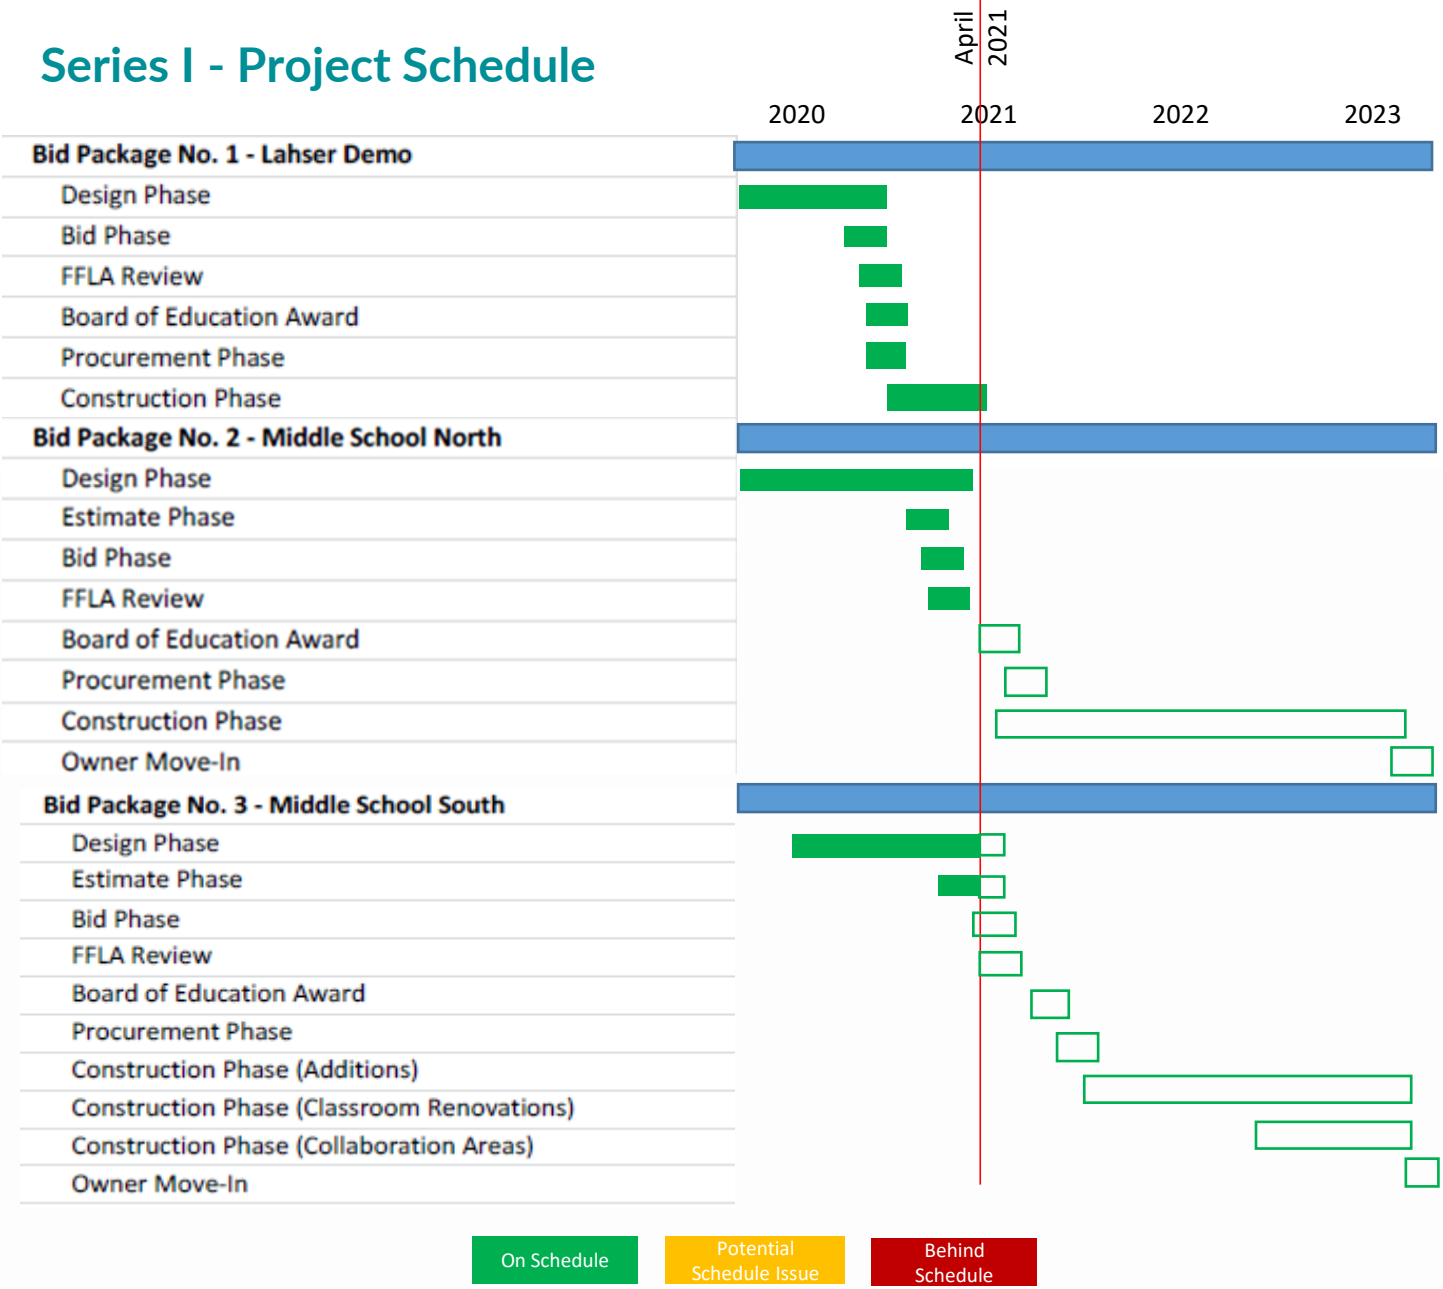

Key Activities

Construction has begun at the North Hills Middle School campus. Site surveys are completed, underground pipes have been inspected, temporary fencing has been placed, asbestos abatement is underway, and selective demolition has begun.

Among some of the features planned for both North Hills and South Hills Middle Schools include:

- Front vestibule areas to ensure safe and secure entry into the buildings
- Re-designed parking lots and drives to facilitate bus and car movement

Series I - Project Schedule

- Remodeled gymnasiums and new performing arts spaces; new STEAM spaces; expanded athletic facilities; the addition of many common spaces for collaborative learning
- New and improved technology infrastructure; multiple outdoor classroom spaces at each middle school; and media centers serving as a central hub of the buildings.
- Special education will be prioritized in the designs of the two middle schools. Special education classrooms will be centrally located in the buildings, allowing students to gain easier access to all classrooms.
