

Request for Qualifications Special Inspection and Testing Services – Longview Public Schools

Longview Public Schools is requesting qualifications for Special Inspection and Testing services from interested agencies for various small upcoming capital projects throughout the District including the Columbia Heights Elementary mechanical upgrade project. Qualification information should be submitted no later than 3:00 p.m. on March 27, 2023.

Interested agencies with recent experience in **Special Inspection and Testing** are requested to submit qualifications.

In order to be considered, interested Agencies should submit their qualifications statement addressing the following:

- Agency background and qualifications.
- Experience with public school districts
- Experience with local authorities having jurisdiction in Longview, WA and Cowlitz County.
- Public school references with names and phone numbers of contacts.
- Resumes of key individuals providing service, including project specific information.
- Evidence of Washington Association of Building Officials (WABO) Special Inspectors registration and certification.
- Availability to commence work beginning in April of this year.

The qualifications package shall be by PDF electronic format via email only and shall be limited to one, single page cover letter and maximum of ten, one sided (10) 8.5" x 11" pages for each discipline as listed above.

Longview Public School District will review all applicants and select the most qualified firm and/or agency with which to negotiate a mutually agreeable fee for the anticipated scope of work based on project requirements.

Statement of Qualifications shall be sent to Andrew Twyman, Project Manager at andrew.twyman@esd112.org. All questions shall be directed to the above person via email.
