

PLEASANT HILL MIDDLE SCHOOL/HIGH SCHOOL ANNOUNCEMENTS

March 15, 2023

FFA STATE CONVENTION

Students in the Pleasant Hill FFA chapter will be competing at the FFA state convention in a variety of different competitions, serving on committees, as well as running for state officer positions. Good luck PHHS FFA!

GO BILLIES!!

Come join us today during high school lunch in the student center to celebrate senior Kiley Campos as she signs her letter of intent to play softball and continue her education at George Fox University.

Congratulations to our most improved HS students for February: Freshman Rene Beltran-Lopez, Sophomore Connor Raman, Junior Taylor Seimears, and Senior Morgan Perkins.

Congratulations to our February HS students of the month: Freshman Jordyn Hightower, Sophomore Owen Laird, Junior Savannah White, and Senior Lorena Albright.

RETURNING STUDENT REGISTRATION

Registration is now open for all returning students. Please go to our website, complete returning student registration, and review your student's course requests for the 2023-24 school year.

PROM COMMITTEE MEETING FRIDAY

There will be a prom committee meeting on Friday during lunch in room 17. Any committee members that can make it, please come.

SENIOR HOMESTEADER PHOTO FRIDAY

For all seniors who have attended Pleasant Hill since 1st grade, please meet in the courtyard during break on Friday for a group picture.

BILLIES ATHLETICS

Today, softball and baseball play their first games of the season. Both teams are playing against Springfield at 5pm. Softball will play at Springfield HS and baseball will play at Hamlin MS. Bus departs at 3:30pm.

Friday's softball home game against Santiam Christian will be an OSAA endowment game. This means there will be a spectator gate fee. Adults and Seniors \$6/Students \$4. Game time is 4:30.

LOST AND FOUND

All lost and found items have been placed outside, under the Welcome Students sign. Please claim your belongings before they are donated on Friday.

YOUTH TRADES ACADEMY

For juniors and seniors who are thinking about the trades for a career, the Youth Trades Academy is accepting applications. This program is designed to give a basic introduction to technical and professional skills needed to be successful in an apprenticeship or pursue employment in the building trades. Successful applicants will be placed with a highly qualified journeyman instructor for a six-week training experience who represent the Sheetmetal, Carpentry, and Electrical Trades. Application deadline is Friday, March 13th at 5pm. See Mrs. Duval in Room S6 for more information.
