EMPLOYEE/PATIENT AUTHORIZATION TO RELEASE

I, the undersigned, hereby consent to the test(s) noted above for all visits/referrals related to the injury/visit/care noted above. By signing, I hereby authorize Memorial Hospital and Health Care Center and any attending and/or consulting providers to release return to work information regarding my medical treatment for this injury/visit/care to my employer and the insurance and/or worker's compensation carrier for which I have assigned benefits for my treatment and care, and to my referring and any other health care provider or facility responsible for my care, if they request it. I will not hold my company, my worker's compensation carrier, any health care provider, medical personnel, hospital, medical center, or clinic legally responsible for the release or use of the physical examination report and/or test results. I agree to accept responsibility for all charges incurred should my employer or insurance plan refuse to pay. I understand a urine or hair follicle analysis will include a test to find out if there are substances in my body that a health care provider did not prescribe and/or illegal substances in my urine or hair. I understand that if I refuse to take any or all of the test(s) noted above, or if I refuse to sign this consent form, the test(s) will not be completed. I also understand that my company will be notified of my refusal. This could result in rejection of my application for employment, rejection of temporary labor services, and/or loss of employment.
