

HAWK AWARD

LANDREE SIMON

10TH Grade

This season Landree led the Hawks in scoring averaging 12.4 ppg. Landree was a consistent force on the defensive end as well, always pestering the ball. There was never any question when you watched Landree this season how badly she wanted to compete and win. As a coaching staff what we appreciated most was her high character, her joy, and how hard she came to practice each day. There is no doubt she led by example at every opportunity. GREAT SEASON LANDREE!
