

HEWITT

Job Title: Middle School Science Teacher

Department: Science

FLSA Status: Exempt

The Hewitt School - New York, NY

ABOUT HEWITT

Established in 1920 and located in New York City, The Hewitt School is an independent K-12 girls' school whose mission is to inspire girls and young women to become game changers and ethical leaders who forge an equitable, sustainable, and joyous future. Hewitt empowers and expects our community members to embrace multiple points of view, to engage others with empathy and integrity, and to champion equity and justice in all areas of our lives. As a community, Hewitt is fully committed to a culturally diverse faculty, staff, and student body.

POSITION SUMMARY

The Hewitt School seeks a full-time middle school science teacher for the 2023-2024 school year.

ESSENTIAL FUNCTIONS/RESPONSIBILITIES

- Teach three sections of middle school science, with a focus on chemistry and biology, as well as one other course to be determined
- Serve as a middle school advisor and participate in middle school electives program
- Integrate learning about equity and diversity and social emotional learning into academic and advisory programming
- Collaborate with department members on pedagogy and curricular scope and sequence
- Participate in the life of middle school, attending all community meetings, teaching a weekly elective class rooted in the school's mission, attending faculty meetings, etc.
- Effectively design learning experiences using educational technology and the school's learning management system, Altitude
- Provide regular feedback to students and families in the form of narrative reports and progress updates in Altitude in line with school expectations and deadlines

QUALIFICATIONS REQUIRED

- Demonstrated commitment to anti-bias education and social justice
- Bachelor's degree in science, science education, or a related field
- A minimum of three years middle school teaching experience
- Excellent communication skills for a wide variety of audiences, both oral and written
- Demonstrated proficiency in educational technology

- Demonstrated commitment to the leadership development of girls and young women

QUALIFICATIONS DESIRED

- Master's degree in science or science education
- Inquiry-based pedagogy
- Culturally responsive approach to teaching
- Proficient with Mac platforms; comfortable with technology or demonstrated ability to learn quickly
- Fluency in multiple student-centered instructional approaches
- Commitment to student life
- Proven dedication to professional growth and purpose-driven practice
- Professional practice and ability to model contemplation as part of intellectual exploration

SALARY RANGE

Starting Salary Range: \$65,000 to \$95,000 (salary based upon, but not limited to, relevant experience and expertise)

TO APPLY: Please submit a resumé, cover letter, and examples of previous relevant work to employment@hewittschool.org. Cover letters should reflect a careful reading of The Hewitt School's website, including the School's academic philosophy. **Please reference the job title in the subject line of your email.** No phone calls, please. Recruitment will remain open until the position is filled; applicants should apply as soon as possible for consideration.

IMPORTANT INFORMATION

The Hewitt School is an Equal Opportunity Employer. It has been and will continue to be a fundamental policy of the School not to discriminate on the basis of any category prohibited by applicable federal, New York State and/or New York City laws/regulations. This policy applies to all aspects of the employment process, including hiring, promotion, demotion, compensation/benefits, performance evaluations, disciplinary actions, training, working conditions, layoff, and termination.
