

Dear Parent/Guardian,

The State of Illinois requires that all students in **kindergarten, second** and sixth grades have a current dental examination.

Dental examinations are due by May 15, 2023 for students in these grades.

Examinations dated within 18 months of the deadline are acceptable.

Attached is a dental form to be completed by your student's dentist.

Completed forms can be emailed to [dfischinger@norridge80.net](mailto:dfischinger@norridge80.net), faxed or submitted next school year via backpack mail.

Please feel free to contact me with any questions.

Sincerely,

Dolores Fischinger  
Leigh School Nurse
