Dear Mr. Castagnino,

It was brought to our attention that you referenced your March 8, 2023 FOIA request below in an email message you sent to Board of Education members the same day, specifically noting that "*I have sent this through the FOIA request form, but I also wanted to send it to the larger group for visibility regarding an upcoming lawsuit against the School Board Members collectively and individually*."

Once an individual informs us they are represented by legal counsel, the District's practice is that the communication and correspondence from that point forward is between the attorneys. Please let us know who your legal representation is in this matter so the attorneys can communicate moving forward.

Regards,
Candace
