PLEASE NOTE: The order in which the requests are entered DOES NOT determine the period or trimester the course will be offered in the actual schedule. All elective choices are subject to enrollment numbers and the ability to fit in a student’s schedule. There is a high likelihood that a class in the “other possible elective” box may be substituted for an original selection. Choose these classes wisely.

Electives denoted with stars (**) are classes that may be taken towards fulfillment of the IMS Fine Arts requirement. See the IMS Course Catalog on-line for further information on this requirement.

7th Grade Registration Worksheet for 2023-2024

Directions for Registration

1. All 7th and 8th grade students have a fine arts requirement to be completed over the course of their 7th and 8th grade years. Choices include at least a full year of Band, Orchestra, or Choir or the completion of a two trimester Drama (Drama I and Drama II) or Art (Art I and Art II – must be completed in the same school year) sequence. Students may also elect to take additional fine arts courses while at IMS. Failure to complete the Fine Arts requirement will result in the student being enrolled in Fine Arts classes automatically by the computer.
2. Student and parent/guardian must sign in the appropriate space below. (If a student is choosing not to take a Physical Education course, a parent/guardian must also complete and return to the IMS Office a PE Waiver request form located in the IMS Office or online).
3. Students must log on to Skyward and complete the online registration process (directions online). **Students must complete this process and return their completed worksheet to their Gator Time class by April 3rd, 2023.**
4. Parents should notify IMS Counselors Dru Klein (students with the last name A-G) at 206-230-6153, Janet Goldstein (students with the last name H-O) at 206-275-5958 or Jayna Dash (students with the last name P-Z) at 206-230-6098 or IMS Registrar Marcy Berejka at 206-230-6160, if they have any questions.

The IMS course catalog that provides descriptions for each elective course is available online for IMS families.
<https://ims.mercerislandschools.org/academicsprograms/23-24-elective-registration>

Schedules will be subject to change based on programs necessary to meet the needs of the individual student, including Special Education, Highly Capable and English Language Development classes. Parents will be contacted if there is a necessary change.

Failure to choose the required number of electives and alternates, or not complete the registration process by the required deadlines, will cause the computer to select random elective courses. All course offerings are subject to final staffing and student enrollment.
