

COMMONWEALTH ACADEMY

Performing Arts Teacher

Interested candidates should apply [here](#).

Commonwealth Academy is seeking a highly motivated and enthusiastic full-time Performing Arts Teacher who can teach theater and music to students in Grades 5-12 for the 2023-24 school year.

The School is searching for an individual who is professional, energetic, flexible, and kind. We are looking for a candidate who understands and addresses the diverse learning styles of children, works collegially as a team member, and is able to communicate effectively. The ideal candidate should be eager to grow in their position and develop professionally, as well as passionately help to reimagine, develop, and take the CA Music and Theater programs to the next level.

Responsibilities include teaching 5-12 grade-level general music classes, general theater classes, instruction on individual instruments, and developing performances where the students can demonstrate their skills to other students and parents. The performing arts teacher is responsible for preparing students for in-school and out-of-school performances, running our annual play, and assisting other teachers with their class performances.

Key Responsibilities

Communications:

- Embrace and model Commonwealth Academy's commitment to diversity, equity, and inclusion.
- Individual responsibilities will vary based on the teacher's skills and interests, but candidates should have classroom experience and a willingness to work collaboratively as part of a group of enthusiastic arts educators, across all content areas and divisions.
- Develop and plan curriculum, lessons, and assignments/projects.
- Direct and manage our annual play
- Develop critical thinking, problem-solving skills, and tools for students to become independent learners.
- Break down/scaffolding of in-class assignments and projects.
- Grade student work and participation.
- Track students' work and progress.

Qualifications

- Required Bachelor's Degree in either Education and/or Music/Theater or a related field
- Preferred Master's Degree in Education or content-related field
- Computer proficiency
