Welcome Eaglet Families!

Here at *Midway Elementary School*, our students are just as capable as any students across the US.

Every day, we are **committed** to ensuring that our students have the opportunity to grow and thrive so they can reach their potential.

To do this, we need a plan in place to ensure every teacher is prepared to provide every student what they need to be successful.

SCHOOL WIDE PLAN

Creating a Plan for School Improvement

Therefore, as required by state and federal laws and regulations, we submitted a plan to the Louisiana Department of Education in the winter of 2021 to support our school's improvement.

We received approval of this plan from the Department in spring of 2021.

The key components of our plan that will lead to school improvement include:

- High quality curriculum and assessments in all grades
- High quality professional development for all teachers
- A teacher preparation partner to address our schools' greatest workforce needs
- Building school-based expertise through leadership roles (Content Leaders, Literacy Coaches, Mentor Teachers) At **MES**, we have state trained math, science, literacy, and reading comprehension leaders.
- A Professional Development Plan to ensure teachers are preparing for units and building content knowledge
