

# TULOSO-MIDWAY INDEPENDENT SCHOOL DISTRICT

---

Dear Parents,

On March 16, 2023, an investigation was conducted by the Tuloso Midway Middle School Threat Assessment Team in conjunction with the Corpus Christi Police Department.

The findings of the investigation determined the threat to be low. Despite the low-level determination, as your Superintendent, it is my obligation to be transparent and provide full disclosure.

Being that the safety and well-being of our students will always be our top priority, the district will continue to be diligent in protecting both students and staff.

In conclusion, we want to reiterate that we take all incidents that may affect our students' safety seriously, and we will continue to uphold our commitment to providing a safe and secure learning environment for all. We appreciate the support and understanding of the community and will continue to keep you informed.

Sincerely,

Steve VanMatre  
Superintendent of Schools
