**MONDAY, MARCH 20, 2023**

**NORTH COUNTY  
PHILANTHROPY  
COUNCIL**

We are excited to bring back our quarterly luncheons and we are starting with an outstanding panel of leaders!

In honor of women's history month, the panel will focus on women in higher education leadership.

Conversation themes will focus on unique challenges we face as women leaders and how we collaborate across our region to support our institutional missions.

It will be a celebration of inclusive leadership and the importance of community partnerships to elevate our region.

\*Reminder: your membership covers everyone in your organization. If you are a member organization and multiple staff members want to attend the event, just include that number in the NCPC Member ticket quantity. Please include any additional emails for attendees and vegan option, if required, in the comments section.
