BILINGUAL AUTHORIZATION - SPANISH

This **online** program prepares candidates and teachers wanting to teach diverse learners in bilingual / dual language settings. Upon completion of the program, candidates and teachers earn a Bilingual Authorization to add to a valid CA teaching credential. Also, classes offered in the Bilingual Authorization program are all taught in Spanish, and count as electives in CSUSM's MA in Multilingual and Multicultural Education.

There are **two pathways** to earn a Bilingual Authorization

- Candidates enrolled in a CSUSM teacher credential program
- Teachers with a valid CA teaching credential
