

DUAL LANGUAGE CERTIFICATE

WHY OBTAIN A DUAL LANGUAGE CERTIFICATE?

- meets the growing need for dual/multilingual education at local, national and international levels
- offers bilingual and monolingual candidates, teachers and school administrators an opportunity to better understand and incorporate research-based practices, assessments and inclusion in dual language education program contexts

FEATURES OF THE DL CERTIFICATE:

- **fully online**, university-conferred certificate highly sought by dual language educators
- four classes offered can count toward our Master of Arts in Multilingual and Multicultural Education, CSUSM (30-unit degree program)
- or DL Certificate can be obtained separately (12 units)

LEARNING OUTCOMES

Candidates will understand, analyze, and reflect on the major concepts, principles, theories, and research related to Dual Language Education through the study of: language and content instruction in the primary and second language, curriculum development, program assessment, and inclusion of students with special needs or struggling learners, cross-cultural competence for students and teachers in diverse societies.
