	Vihaan	Resilient	Vihaan has tried his best and engaged in lessons really well even though he has not been feeling well. Well done Vihaan!
4P	Eren	Reflective	During a class discussion this week, Eren felt confident enough to counter argue a very interesting point when practising a debate about deforestation. Thank you for using what you already know to argue against the opposition and understanding the rules of the debate. Well done!
	Sid and Arnav	Reflective	Both pupils spoke to me earlier this week about what they could do to help in our world, in particular the Rainforest. Sid and Arnav went away and put some great ideas together in order to make a bigger impact on how they could help protect our rainforests. Thank you for demonstrating wonderful curiosity and for having a reflective attitude.
5F	Alexander	Reflective	Alex demonstrated the importance of self-regulating emotions yesterday as although he was feeling overwhelmed, he was able to

			talk through his thoughts and feelings with a teacher and calm down. Well done Alex.
	Genesis	Relationships Resilience	Genesis is a brand new member of the Park Hill family and to 5F, and what an addition she has been! She has only been here for three days but has shown amazing relationships with others, being kind and polite and forming new friendships. In her very first Maths lesson she put up her hand and was answering questions correctly. It was very impressive to see her resilience shine through so quickly! Well done Genesis!
5I	Noah	Reading resilience	A merit from Mrs Cooper and Mr Carter for such engagement and resilience in reading. Noah recently read 400 pages because he just loved the book Mr Carter found for him! Well done Noah, we are so proud of you! Keep up this fantastic attitude and effort!
